What issues/barriers are currently most critical to overcome in Scott County to ensure that persons of all ages and disabilities have home and community-based support options?

Requirement of Medicare certified agencies must be utilized to provide skilled nursing and HHA services to persons on a waiver. A lack of competitive wages for people who work in the health care industry. Housing needs to become affordable. Acceptance of population change and initiation of long range planning to accommodate the needs of aging population.

Highest Priority for HCBS Development:

Recruitment of Medicare home care agencies. Development of new structured rates for service providers. Developing a more competitive process for the acquisition of home and vehicle modifications.
