None

Housing Options that are *limited*

Corporate adult foster care

Housing Options that *exceed demand*

None

What issues/barriers are currently most critical to overcome in order to ensure an appropriate supply of housing options for older persons and persons with disabilities in Sibley County?

Money and providers.

Highest Priority for Housing Development

Continue to find safe and adequate housing for individuals. Watch the market to see if there is an increase in demand for beds.

Part 4: Long-Term Care Specialty Beds/services- Nursing Homes

Long Term Care Specialty Beds/Services that are *not available*

None

Long Term Care Specialty Beds/Services that are *limited*

Post-acute/rehabilitation

Dementia care

Heavy care, complex medical management

Long Term Care Specialty Beds/Services that *exceed demand*

None

Issues/barriers most critical to overcome in order to ensure an appropriate supply of Nursing Home Specialty Beds/Services

Lack of staff knowledgeable in more acute cares and lack of lab services. Providers do not get reimbursed enough to provide specialty cares. Lack of volume to keep staff proficient at some cares. There is a need for more bariatric beds expense and space is an issue.

Top two barriers in Sibley County to relocating persons from nursing homes into the community

Lack of funding and lack of providers.
