#### Services that *exceed demand*

None

#### What issues/barriers are currently most critical to overcome in Wabasha County to ensure that persons of all ages and disabilities have home and community-based support options?

transportation, meals on wheels, mental health limited accessibility

#### Highest Priority for HCBS Development:

Development of more mental health services within our county

### Part 3: Housing Options

#### Has there been any new development of Housing and/or Housing/Service Arrangements for persons of all ages and disabilities in the past two years?

Yes

# of New Buildings: 0

# of New Units: 10

#### Resources for Accessible Housing

##### Resources for Accessible Housing that are *not available*

None

##### Resources for Accessible Housing that are *limited*

Adequate reimbursement under the waiver plans for needed modifications  
Subsidies for low-income persons who need home modifications

##### Resources for Accessible Housing that *exceed demand*

None

#### Housing Options

##### Housing Options that are *not available*

Corporate adult foster care  
Market rate corporate adult foster care

##### Housing Options that are *limited*

Subsidized adult family foster care  
Market rate adult family foster care  
Other subsidized housing options (e.g. Board & Lodging, Board & Care, Residential Care)  
Other market rate housing options (e.g. Board & Lodging, Board & Care, Residential Care)

##### Housing Options that *exceed demand*

Subsidized rental apartments with no services

#### What issues/barriers are currently most critical to overcome in order to ensure an appropriate supply of housing options for older persons and persons with disabilities in Wabasha County?

We have many low income elderly and disabled. Cost of these options makes them unavailable to many. We continue to look at putting health services into our subsidized housing, but actuarial costs of doing so do not show that it would pay for itself. Cost is the largest barrier

#### Highest Priority for Housing Development

Expanding health services in our subsidized housing complexes

## Part 4: Long-Term Care Specialty Beds/services- Nursing Homes

### Long Term Care Specialty Beds/Services that are *not available*

None

### Long Term Care Specialty Beds/Services that are *limited*

None

### Long Term Care Specialty Beds/Services that *exceed demand*

Post-acute/rehabilitation

Heavy care, complex medical management

### Issues/barriers most critical to overcome in order to ensure an appropriate supply of Nursing Home Specialty Beds/Services

N/a

### Top two barriers in Wabasha County to relocating persons from nursing homes into the community

Cost of relocating and services needed once relocated do not fit into the finances and assistance available to the person. Lack of available community resources to meet persons needs.
