

Minnesota Tribal and County Health Care Directory

Your local county human services office is a good place to start if you have questions or if you want to apply for Minnesota Health Care Programs.

You can complete an [application](#) and mail or take it to your county office. A worker will review your application and determine which program(s) you are eligible for.

Only some counties handle MinnesotaCare. If MinnesotaCare is the only program for which you might be eligible, the county may process your application or they may send it to the MinnesotaCare office in St. Paul. If you want to apply or have questions about MinnesotaCare only, you can [contact the state office or see if your county handles MinnesotaCare cases](#).
