

Minnesota Tribal and County Health Care Directory

Your local county human services office is a good place to start if you have questions or if you want to apply for any Minnesota Health Care Program.

If you want to complete an application to deliver to your county office, [click here](#).

A county worker will review your application and determine which program(s) you are eligible for. Only some counties handle MinnesotaCare. If MinnesotaCare is the only program for which you might be eligible, the county may process your application or they may send it to the MinnesotaCare office in St. Paul.

If you want to apply or have questions about MinnesotaCare only, you can: Click [here to see if your county handles MinnesotaCare cases](#) or Call the MinnesotaCare office in St. Paul at (651) 297-3862 or (800) 657-3672.
