C2.1 Adoption in Less Than 24 Months for ChildrenExiting to Adoption

Adoption in Less Than 24 Months for Children Exiting to Adoption

National Standard 36.6% or higher

0 No Data
0.0 Percent
0.2 - 38.5 Percent
30.0 - 100.0 Percent

Measure C2.1 Exits to adoption in less than 24 months.
Of all children who were discharged from foster care to a finalized adoption in the calendar year, what percent were discharged in less than 24 months from the date of the most recent entry into foster care?
0.0% means that the county had children that qualified but it failed to score any points on the measures.
No Data means that the county had no children that qualified and therefore had no participation in the measure.
C2.2 Median Length of Stay to Adoption

Median Length of Stay to Adoption (months)

National Standard 27.3 or under

- 0 No Data
- 0.1 - 27.3 Percent
- 27.4 - 61.3 Percent

Measure C2.2 Exit to adoption, median length of stay.

Of all children who were discharged from foster care to a finalized adoption in the calendar year, what was the median length of stay in foster care (in months) from the date of the most recent entry into foster care to the date of discharge? 0.0% means that the county had children that qualified but it failed to score any points on the measures.

No Data means that the county had no children that qualified and therefore had no participation in the measure.

C2.3 Children in Care 17+ Months Adopted by the End of the Year

Children in Foster Care for 17 or More Months (on day 1 of FY) who were Adopted by the End of the FY

National Standard 22.7% or higher

- 0 No Data
- 0.0 Percent
- 1.1 - 22.6 Percent
- 22.7 - 87.5 Percent

Measure C2.4 Children in care 17+ months adopted by the end of the year.

Of all children in foster care on the first day of the calendar year who were in foster care for 17 continuous months or longer, what percent were discharged from foster care to a finalized adoption before the end of the calendar year? 0.0% means that the county had children that qualified but it failed to score any points on the measures. No Data means that the county had no children that qualified and therefore had no participation in the measure.

C2.4 Children in Foster Care for 17+ Months Becoming Legally Free to Adopt Within 6 Months

Measure C2.4 Children in care 17+ months becoming legally free to adopt within 6 months.
Of all children in foster care on the first day of the calendar year who were in foster care for 17 continuous months or longer, what percent became legally free for adoption (i.e., termination of parental rights was granted for each living parent) in less than 6 months from the beginning of the calendar year. 0.0% means that the county had children that qualified but it failed to score any points on the measures. No Data means that the county had no children that qualified and therefore had no participation in the measure.
