Default filter includes MAPCY assessments with effective date in the past 30 days

MAPCY Search cont.

- This is a new type of search for workers and approvers
- Only for MAPCY's that are begun (draft) through final approval
- Advanced filters workers may not be familiar with
 - Date filter (previous 30 days) by default – must change this manually each time if you wish to expand the search
 - Secondary date filter – superseded by first date filter
 - Purpose – From the MAPCY set-up screen, determines what the MAPCY is being used for
 - Agency Approver – Approvers may select themselves
- Entire MAPCY is visible for review after clicking on search results
- Fiscal workers can use it for service arrangements and payment statuses

General Reports

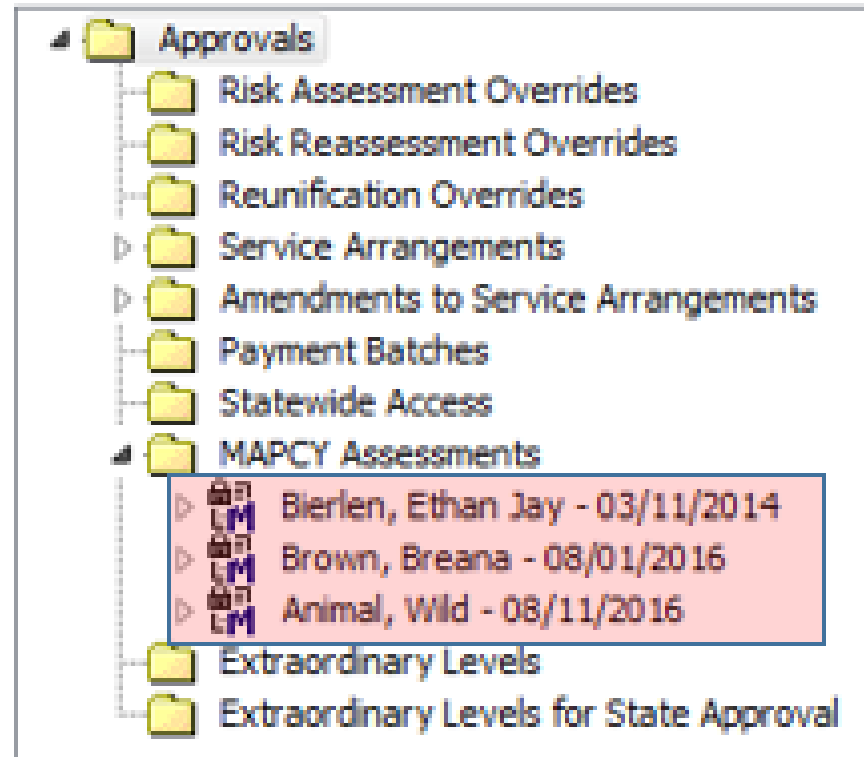

- MAPCY due date is not a search criteria
 - “Assessments Due – MAPCY or DOC” report can be used to determine a due date by the effective date. Found in General Reports

Approval Log

- The Approval Log tree view for MAPCY Assessments and Extraordinary Levels is updated to include Child Name, not just dates.
- Displays on the approval log for those with admin function of approval.
- You don't have to click on MAPCY to see who it is related to.
- As soon as it is sent for approval, it displays on the approval log for those with admin function of approval.

Approval Log cont.

- You don't have to click on MAPCY to see who it is related to.
- Saves a couple of clicks.
- As soon as it is sent for approval, it displays on the approval log for those with admin function of approval.

Service Arrangement Index Card

- Service Arrangements and Payments display an *index card* to the right of the MAPCY Level field.

The screenshot displays a software interface with a file tree on the left and a data entry form on the right. The file tree includes folders such as 'Fiscal Details', 'Service Arrangements', 'Service Agreements', 'Payments', 'Healthcare Claims', 'Child Foster Care Claims', 'RCA Claims', 'RCA Payment Worksheets', 'Special Studies', 'Attached Files', and 'Documents'. The data entry form contains fields for 'Program', 'Service', 'County sub-service', 'HCPCS/modifier', 'Location', 'Special cost code', 'MAPCY level', 'Unit type', 'SEAGR', 'Chart of accounts', 'Service agreement', 'N/E number', 'Include in voucher tab', and 'Remittance'. A dropdown menu for 'MAPCY level' is open, showing 'MAPCY - 06/01/2015'. A red box highlights the dropdown arrow icon.
