Principles driving employment efforts

**Employment First:** Raises expectations and ensures all people with disabilities have the opportunity to work in competitive, integrated employment.

**Person Centered Planning:** Listen to people about what is important to them and for them, and match employment to their interests, strengths and skills.

**Informed Choice:** People get information, support and experience to make decisions and weigh risks and responsibilities.

**Integration:** People are living, learning, working and enjoying life in the most integrated setting.
Why we are adding the Employment Services

- Provide new services and resources
- Create more individualized services
- Allow for more specific service planning
Milestones

- **June, 2017**: Employment services pass in the Omnibus Health and Human Services Bill during Special Session (*S.F. No. 2, Article 1, Sec. 2*)

- **October 31, 2017**: Waiver services amendment submitted to CMS – see public comment version of language here: [waiver amendment language](#)

- **March 8, 2018**: Received CMS approval

- **September 1st, 2018**: On this date, participants begin transitioning to employment services at their annual review

- **July 1st, 2019**: By this date, all participants have transitioned to new employment services
New Employment Services

- Exploration Services
- Development Services
- Support Services
Important Changes

#1 Separate community-based employment from day training & habilitation (DT&H) and prevocational services

**Important Notes:**
- Enclave or crew work authorized and billed to support services
- Center-based work activities remain under DT&H or Prevocational Services
Important Changes

#2 Development and Support services replaces supported employment services
#3 **Exploration** allows for experiences to strengthen informed choice decisions
Common across all new employment services

- **15 minute unit service rate**
  available at [DWRs frameworks website](#)

- **Available through Waivers:**
  DD, CADI, BI, CAC
Exploration services

- **Community-based services** that introduce and explore employment
- **Staffing ratios** 1:1 to 1:5
- **Time limited** 1-year duration, with exception criteria for reauthorization
Introduction to Employment Services

Development services

- **Individualized services** that help people find competitive integrated employment or attain self employment.

- **Staffing ratio** 1:1

- **Time limited**: 1-year duration, with exception criteria for reauthorization
Support services

- **Individualized services and supports** that assist people with maintaining community employment in an individual or group arrangement.

- **Does not require minimum wage**
  or require the community business to be the employer of record, but must be a job position in the community (i.e. not center)

- **Two types of Support:**
  Individual Support (1:1 staffing ratio) or Group Support (1:2 to 1:6 staffing ratio)

- Not time limited
15-Minute unit service planning

- On any day when an employment service is provided, other day services (specifically: DT&H, prevocational services, structure day and adult day services) must be provided and reimbursed on a 15-minute unit basis.

- This means that 15-minute unit service planning will become an important skill for DT&H as well as prevocational services.

- Our system should prepare for the increased use of 15-minute units.

MnCHOICES assessors will indicate on the screening document whether a person has a need for employment services (similarly to what they do now).

Detailed questions on employment - person gave choice to pursue employment.

Assessor Indicates on the appropriate screening document that the person has a need for employment services.

MnCHOICES support plan was updated earlier this year to include the new employment services codes that will replace the existing “supported employment services” code. Support planners can begin using these codes as of July 1, 2018.

MnCHOICES screening documents have been updated with the new employment services.
Licensing and Provider Enrollment

- All current SES, DT&H, or Prevocational Services providers will be automatically transitioned over to new employment services. Providers will have employment services automatically added to their license and will be enrolled as providers of the services.

- Licensing and provider enrollment are accepting new applications for employment service providers (if a provider is not enrolled to provide SES, DT&H, or Prevocational Services)

- You can find enrolled providers for new employment services through [DHS Licensing Lookup](#)
The Employment First webpage is located on the DHS website. It is the primary source updates, documents and resources during the transition to the employment services.
The CBSM Employment Page is the main landing page for policy and procedures regarding employment.

- Includes information related to new employment services.
Transition Examples

Three examples of people receiving HCBS waiver services who transition their services to the new employment services.

- Includes narrative and graphical outlines of service transitions
- Available at: Transition Examples
Employment and Day Services Individual Planning Tool

The **Employment and Day Services Individual Planning Tool** is used to assist case managers and lead agencies in averaging staffing ratios and determining the number of 15-minute units to authorize for a given week.

- Automatically totals weekly units and averages ratios

Workflow for Support Planning

2. Community Support Plan (CSP)
3. Service Authorization Planning tool
4. Annual meeting
5. RMS Worksheet 6790A
6. Coordinated Services and Supports Plan (CSSP)
Employment Services Workflow

First introduced at the Employment Mentor’s webinar.

Gives a very high-level overview of the workflow to authorize employment services.

Employment Services Authorization Workflow

Phase 1: Complete MnCHOICES Assessment

1. Assessor completes the MnCHOICES Assessment
2. Assessor indicates the person’s needs regarding employment
3. Assessor sends completed Community Support Plan (CSP), and Notic notifies case manager
1. Thao, a MnCHOICES Assessor, meets with Betsy to complete the MnCHOICES Assessment.

2. Thao indicates Betsy’s needs regarding employment.

3. Thao sends the completed Community Support Plan (CSP) and **Notice of Action DHS-2828A** to Betsy, and notifies Betsy’s case manager, Lamar.
Phase 2: Meet with Betsy about employment

1. Lamar, Betsy’s case manager, accesses the completed CSP.

2. Lamar schedules a meeting with Betsy and her team of supports to discuss the CSP and other supports.
   - At the meeting, Lamar and Betsy will discuss the CSP and find out if the plans and services written in the CSP still reflect what she would like to happen in her life.
Phase 2: Meet with Betsy about employment

The CSP lists a few important pieces of information about Betsy’s current service plan regarding employment:

- 5 full days of DT&H services with Westside Enterprises and Achievement Center
- Monday, Wednesday, Friday- Betsy puts together information packets
- Tuesday, Thursday- Betsy works in building maintenance at the YMCA with 5 other co-workers and a job coach.

Phase 2: Meet with Betsy about employment

- Exploration Services
- Development Services
- Support Services
- New Waiver Services letter

New waiver services to support your choice to work

Today, more than ever, people with disabilities work in community jobs. They work alongside those with and without disabilities, and they make the same amount of money as others doing the same work. If you choose, you can join them. Working in the community provides you more options, more freedom and more money.

To help you explore, find and keep a job in the community, the state of Minnesota will offer new waiver service options for employment starting in July 2018.

What are the new services?
The state is adding three new employment services to the following Medical Assistance home and community-based services (HCBS) waivers:

- Brain Injury (BI) Waiver
- Community Alternative Care (CAC) Waiver
Phase 2: Meet with Betsy about employment

But what happens to Betsy’s old services?

Holding Engaging Conversations about Work
Phase 2: Meet with Betsy about employment

3. Lamar identifies the waiver employment service that matches Betsy’s employment goals. Since Betsy identified that she wants to work in the community, and that she wanted a job in a bakery, Development is appropriate.

4. Lamar drafts the Coordinated Services and Supports Plan (CSSP) reflecting Betsy’s wishes and new needed supports.
Phase 2: Meet with Betsy about employment

Betsy’s new Service Authorization:

- Tuesday and Thursday, Development activities in the morning.
- Tuesday and Thursday, providing building maintenance at the YMCA.
- Waiver transportation units to and from the YMCA
- Monday, Wednesday, Friday, full day DT&H units
Phase 3: Coordinate with Westside

1. Lamar coordinates referrals for Westside Enterprises and Achievement Center and schedules any required introductions with other service providers.

2. Westside Enterprises and Achievement Center will confirm with Betsy and Lamar that their services will meet Betsy’s employment and life goals.

3. Westside Enterprises and Achievement Center will complete the Employment and Day Services Individual Planning Tool in consultation with Betsy.
Phase 3: Coordinate with Westside

Support Planning for Employment

Betsy's New Daily Activities
Phase 3: Coordinate with Westside

4. Westside Enterprises and Achievement Center will complete the RMS Worksheet- Employment Services DHS-6790L

5. Westside Enterprises and Achievement Center will send the completed 6790L to Lamar for review.
Phase 4: Authorize Services

1. Lamar reviews his initial draft of the service authorization and Westside’s Employment and Day Services Individual Planning Tool and 6790L and confirms they are the same. All of Betsy’s employment goals are reflected.

2. Since Betsy’s DT&H services are being reduced and replaced with hours of Development, Lamar needs to send out a Notice of Action DHS-2828B.

3. Lamar updates the CSSP to authorize Betsy’s chosen services, and completes his tasks in MMIS.
Phase 4: Authorize Services

4. Since there are no new services providers, no 45-day meeting is required.

5. Betsy and Lamar will check in with each other regarding her new services as needed.

6. Betsy and Lamar will gather her team for her semi-annual meeting to check in at that time.
If the person you are working with had DT&H and/or SES services, their current provider will most likely be adopting the new Development or Support services.

Some agencies may choose NOT to adopt Exploration services. DHS’ Licensing Lookup will not reflect which agencies have which services, so call before authorizing services to be sure they have the services that fit the person’s needs.

Continue to use DHS’ Licensing Lookup to find employment providers.
