Foster Care Drug and Alcohol Policy
Minnesota Statutes, section 245A.04, subd. 1. C

License Holder(s): __________________________________________ Date __________________

Child and adult foster care license holders must have and follow a drug and alcohol use policy. The policy must be in place at initial licensure and reviewed annually with any changes noted. License holders must discuss the drug and alcohol policy with caregivers and all caregivers must agree to follow the policy.

By initialing below, I/we agree to:

_____ _____ take prescription medications as prescribed and not abuse them.

_____ _____ not be impaired by controlled substances, alcohol, or illegal drugs that will affect my/our ability to provide care.

_____ _____ review and discuss, each child/adult’s history related to chemical use, as well as the effect exposure to alcohol or drug use may have on them.

_____ _____ (other) __________________________________________________________________

_____ _____ (other) __________________________________________________________________

Alcohol will be stored ___________________________________________________________________

Medication will be stored ______________________________________________________________

By signing below, I/we agree to follow this drug and alcohol policy. I/we will talk with the licensor and the placing worker as needed and tell them about any changes to this policy.
