ADMINISTERING AGENCY:
A county social services agency or a public or non-profit agency designated by the county board to administer the child care fund.

Legal Authority:
Minnesota Rules 3400.0020, Subp. 4

ADMINISTRATIVE EXPENSES:
Costs associated with the administration of direct services covered by the child care fund. These include:

- Salaries, wages and related payroll expenses including those for direct personnel costs, expenses for general administration and supervision, secretarial, clerical, accounting and other support services.

- Travel, transportation and per diem or subsistence expenses.

- Materials and office supplies.

- Publication, telephone, postage, and photocopy costs.

- Others expenses directly attributable to the child care fund.

Legal Authority:
Minnesota Rules 3400.0020, Subp. 5

AGE OF CHILD:
Infant. See INFANT
Preschool. See PRESCHOOL
School Age. See SCHOOL AGE
Toddler. See TODDLER

ALLOCATION:
The share of the total state appropriation of child care funds that a county may earn and be reimbursed for in a calendar year. Department of Human Services (DHS) may increase a county’s allocation by redirecting unexpended or unencumbered funds, or when additional funds become available. DHS may decrease a county’s allocation proportionate to the reduction in the total allocation when funding decreases are implemented within a calendar year.

Legal Authority: Minnesota Rules 3400.0020, Subp. 8
APPLICANT:
All parents, stepparents, legal guardians or eligible relative caregivers who are members of the FAMILY and reside in the household that applies for child care assistance.

Legal Authority:
Minnesota Statutes 119B.011, Subd.2

AHIC:
See AT-HOME INFANT CHILD CARE PROGRAM.

AT-HOME INFANT CHILD CARE PROGRAM:
At-Home Infant Child Care (AHIC) Program is part of the Basic Sliding Fee Child Care Program. AHIC provides short term funding to replace part of a family’s income that is forgone when a parent chooses to stay home during all or part of his/her child’s first year of life. See §13 (At-Home Infant Child Care (AHIC) Program).

Legal Authority:
Minnesota Statutes 119B.035
Minnesota Rules 3400.0235

AT-RISK:
Environmental or familial factors that create barriers to a child’s optimal achievement. Factors include, but are not limited to, a federal or state disaster, limited English proficiency in a family, a history of abuse or neglect, family violence, homelessness, age of the mother, level of maternal education, mental illness, developmental disability, or parental chemical dependency or history of other substance abuse. See §9.54 (Special Needs).

Legal Authority:
Minnesota Rules 3400.0020, Subp.9a

AUTHORIZED PROVIDER:
A legal child care provider who has completed the county registration process and has been approved for child care assistance payments. See §11 (Providers).

AUTHORIZATION OF CARE:
The county determination of care needed and the payment associated with that care. The authorization is based on the family, activity, age of the child, and the provider
BASIC SLIDING FEE PROGRAM:
A sub-program of the Child Care Assistance Program for non-MFIP/DWP families with income below or equal to 47% of the State Median Income (SMI). See §4.3.12 (Basic Sliding Fee (BSF)).

BLOCKS OF TIME:
Payment made on a full-day or weekly basis. Payment can be made on a full-day basis when the child is in care for more than 5 hours per day. Payment can be made on a weekly basis when the child is in care for more than 35 hours per week. See §9.30 (Rate Authorization).

BSF:
See BASIC SLIDING FEE PROGRAM.

CALENDAR MONTH:
A period that begins with the 1st day of the month and ends with the last day of the month.

CCAP:
Child Care Assistance Program.

CCAP FAMILY:
See FAMILY.

CHILD:
A person 12 years old or younger, or age 13 or 14 who has a hearing impairment, visual disability, speech or language impairment, physical handicap, other health impairment, mental handicap, emotional/behavioral disorder, specific learning disability, autism, traumatic brain injury, multiple disabilities, or deaf/blind disability which requires special instruction and services.

Legal Authority:
Minnesota Statutes 119B.011, Subd. 4

CHILD CARE:
Care of a child by someone other than a parent, stepparent, legal guardian, eligible relative caregiver or their spouses in or outside the child’s own home.

Legal Authority:
Minnesota Statutes 119B.011, Subd. 5
CHILD CARE FUND PLAN:
The county and designated administering agency shall submit a biennial plan to the commissioner of DHS. The plan shall include information requested by the department to ensure compliance with the child care fund statutes and rules promulgated by the commissioner.

COPAYMENT FEE:
The amount the family must contribute as its share of child care costs. This amount is based on household income and size.

Legal Authority:
Minnesota Rules 3400.0020, Subp. 24

COUNTY BOARD:
The board of county commissioners in each county.

Legal Authority:
Minnesota Statutes 119B.011, Subd. 9

DISABILITY:
A functional limitation or health condition that interferes with a child’s ability to walk, talk, see, hear, breathe or learn in order to meet the conditions required for an increased rate. Refer to section on Special Needs Rates. See §9.54 (Special Needs).

Legal Authority:
Minnesota Rules 3400.0020 Subp. 17a

DWP:
Diversionary Work Program. See §4.3.3.15 (DWP Overview).

DOCUMENTATION:
A written statement or record, including an electronic record, that substantiates information provided by a person or an action taken by an agency.

Legal Authority:
Minnesota Rules 3400.0020, Subp. 18

EARNED INCOME:
See INCOME.

EDUCATION PROGRAM (applies to Basic Sliding Fee): Remedial or basic education or English as a second language instruction, a program leading to a general equivalency or high school diploma, post-secondary programs excluding post-baccalaureate programs, and other education and training needs as documented in an EDUCATION PLAN (EP). The EP must outline education and training needs of a participant, meet state and county requirements for education plans and meet the requirements of programs that provide federal reimbursement for child care services.

Legal Authority:
Minnesota Statutes 119B.011, Subd. 11

ELIGIBLE RELATIVE CAREGIVER: An eligible relative caregiver is a person who is the caregiver of a child receiving an MFIP or DWP child only grant. The relative caregiver may or may not be receiving MFIP.

See §5.3 (Determining the CCAP Family), §5.9 (CCAP Family Composition Examples).

Legal Authority:
Minnesota Statute Section 256J.08
Minnesota Rule 3400.0020, Subp. 20

EMPLOYMENT PLAN (applies to MFIP/DWP): An Employment Plan is developed by the job counselor and the participant which identifies the participant's most direct path to unsubsidized employment, lists the specific steps that the participant will take on that path, and includes a timetable for the completion of each step. The plan also identifies any subsequent steps that support long-term economic stability.

Legal Authority:
Minnesota Statutes, section 256J.49, Subd. 5

EXCLUDED TIME FACILITY: A type of living arrangement which affects the determination of state residence and the county of financial responsibility. See 8.12 (Moving Between Counties).
FAMILY:
The Child Care Assistance Program (CCAP) defines a family as parents, step-parents, guardians and their spouses, or other eligible relative caregivers and their spouses, and their blood related dependent children and adoptive siblings under the age of 18 years living in the same home including children temporarily absent from the family in settings such as schools, foster care, and residential treatment facilities, or parents, step-parents, guardians and their spouses, or other relative caregivers and their spouses temporarily absent from the family in settings such as schools, military service, or rehabilitation programs. For information on how to determine CCAP Family, see §5.3 (Determining the CCAP Family).

FICA:

FULL CALENDAR MONTH:
From the first day of the month through the last day of the month.

HOUSEHOLD OF APPLICANT/PARTICIPANT/FAMILY:
The CCAP family as defined in §5.3 (Determining the CCAP Family).

HOUSEHOLD OF PROVIDER:
The provider and those people living with the provider or in the home during child care hours.

INCOME:
Earned or unearned income received by ALL FAMILY members, including public assistance cash benefits, at-home infant child care subsidy payments, and child support and maintenance distributed to or received by the family. See §6 (Income Eligibility).

INFANT:
Licensed Family Child Care:
A child is an infant up to 12 months of age.

Legal Non-Licensed Family Child Care:
Follow the Licensed Family Child Care definition.

Licensed Center Child Care:
A child is an infant up to 16 months of age. A child in center care may be considered to be an infant up to 18 months of age for purposes of staff ratios,
group size, and programming with agreement of parent, teacher, and director if this decision is in the best interest of the child.

License Exempt Centers:
Follow the Licensed Center Child Care definition.

Legal Authority:
Minnesota Statutes 245A.02, Subd.19
Minnesota Rules 9503.0005

IN-HOME CARE:
Care provided in the child’s own home.

LEGAL GUARDIAN:
A person or an agency that has been appointed or accepted as guardian by a court of jurisdiction or tribal law.

Legal Authority:
Minnesota Rules 3400.0020, Subp. 31b

The portion of a child care payment that is greater than the amount for which a participant or provider is eligible.

Legal Authority:
Minnesota Rules 3400.0020, Subp. 33

PARENT:
A child's natural, step, or adoptive mother or father.
PARTICIPANT:
A person with an active CCAP case. This includes suspended and reserved cases.

PRE-SCHOOL:
Licensed Family Child Care:
A child is a preschooler at 24 months of age up to being eligible to attend kindergarten within the next four months.

Legal Non-Licensed Family Child Care:
Follow the Licensed Family Child Care definition. *

Licensed Center Child Care:
A child is a preschooler at 33 months of age up to the age of being eligible to attend kindergarten within the next four months. A child in center care may be considered to be a preschooler at 31 months of age for purposes of staff ratios, group size, and programming with agreement of parent, teacher, and director if this decision is in the best interest of the child. *

Licensed Exempt Centers:
Follow the Licensed Center Child Care definition. *

*CCAP recommends that counties pay preschool rates for children until September 1st following the child’s 5th birthday, unless the parent informs the county that the child will not be starting school in September of that year. In this case, the child would be a preschooler until September 1st of the following year.

Legal Authority:
Minnesota Statutes 245A.02, Subd.19
Minnesota Rules 9503.0005

PROVIDER:
Individuals or centers licensed by a state or tribe, license-exempt centers, and legal non-licensed individuals providing legal child care services. For more information, see §11 (Providers).
Legal Authority: Minnesota Statutes 119B.011, Subd. 19

PROVIDER RATE:
The amount the provider charges for child care.
Legal Authority: Minnesota Rules 3400.0020, Subp. 35
PROVISIONAL AUTHORIZATION:
A temporary approval of a legal nonlicensed provider to provide care and receive payment for the care of a specific child or children receiving child care assistance when all the requested registration information/documentation, except the background check, is available to the county. See §9.3 (Payments to Providers).

Legal Authority:
- Minnesota Rules 3400.0110 Subp.2a and 2b.
- Minnesota Statutes 119B.125 Subd.5

PROVISIONAL PAYMENT:
A temporary payment paid to a legal nonlicensed (LNL) provider based on a provisional authorization. See §9.3 (Payments to Providers).

Legal Authority:
- Minnesota Rules 3400.0110 Subp.2a and 2b
- Minnesota Statutes 119B.125 Subd.5

RECOUPMENT OF OVERPAYMENTS:
The reduction of child care assistance payments to an eligible family or a child care provider in order to correct an overpayment of child care assistance.

Legal Authority:
- Minnesota Statutes 119B.011, Subd. 21

REDETERMINATION:
The process by which information is collected periodically by the county and used to determine whether a recipient is eligible for continued assistance under the child care fund. See §10 (Redetermination of Eligibility).

Legal Authority:
- Minnesota Rules 3400.0020, Subp. 37

REGISTRATION:
The process used by a county to determine whether the provider selected by a family applying for or receiving child care assistance to care for that family’s children meets the necessary requirements for payment of CCAP for child care provided by that provider.

Legal Authority:
- Minnesota Rules 3400.0120, Subp. 2
- Minnesota Statutes. 119B.011, Subd. 19A
**RESERVE:**
The case remains active when the family is temporarily ineligible for assistance for a maximum of 90 days one academic semester/quarter, or until deactivated if a family has been receiving child care assistance but is temporarily ineligible due to increased income from active military service. Payments can not be made while a family is temporarily ineligible.

**RESIDENCE:**
The primary place where the family lives as identified by the applicant or participant.

Legal Authority:
Minnesota Rules 3400.0020, Subp. 38A.

**RSDI:**
See RETIREMENT, SURVIVORS, AND DISABILITY INSURANCE.

**RETIREMENT, SURVIVORS, AND DISABILITY INSURANCE:**
A program operated by the Social Security Administration that provides a monthly income to retired people, survivors or dependents of insured people, and people with disabilities.

**SCHOOL AGE:**
Licensed Family Child Care:
A child is school age when they are at least of sufficient age to attend the first day of kindergarten within the next four months through age 12 or age 14 if disabled.**

Legal Non-Licensed Family Child Care:
Follow the Licensed Family Child Care definition.**

Licensed Center Child Care:
A child is school age when they are at least of sufficient age to attend the first day of kindergarten within the next four months through age 12 or age 14 if disabled. **

License Exempt Centers:
Follow the Licensed Center Child Care definition.**

**CCAP recommends that counties consider a child to be school age (for payment purposes) on September 1st following the child’s 5th birthday unless the parent
informs the county that the child will not be starting school in September of that year. In this case, the child would not be school age until September 1st of the following year. If a child starts school before the child’s 5th birthday, the child is considered school age on the day the child starts school.

Legal Authority:
Minnesota Statues 245A.02, Subd. 19
Minnesota Rules 9503.0005

SMI:
State Median Income.

SSI:
See SUPPLEMENTAL SECURITY INCOME.

STUDENT:
A person enrolled in an educational program as defined by the definition of EDUCATION PROGRAM. The following determines student status:

- A non-MFIP student is a full-time student if the student is enrolled in the minimum equivalent of 12 credits or 20 hours of classroom training per week.

- A non-MFIP student is a part-time student if the student is enrolled in a minimum equivalent of 6 credits or 10 hours of classroom training per week up to the minimum equivalent of full-time student status.

- An MFIP student is a student who is in compliance with the education or training requirements in the student’s Employment Plan.

Legal Authority:
Minnesota Rules 3400.0020, Subp. 40

SUPPLEMENTAL SECURITY INCOME:
A program operated by the Social Security Administration that provides monthly income to low income people who are AGED, BLIND, or have a DISABILITY.

SUSPENDED:
The family remains eligible up to 1 year if there are temporary breaks when child care assistance is not needed. See §8.9 (Suspending).
TEMPORARY ABSENCE:
A period of time a family member is physically absent from the family’s residence but still included in the household size as he/she intends to return to the residence. See §5.6 (CCAP Family – Temporary Absence).

Legal Authority:
Minnesota Rules 3400.0020, Subp. 40a

TODDLER:
Licensed Family Child Care:
A child is a toddler at 12 months of age up to 24 months of age.

Legal Non-Licensed Family Child Care:
Follow the Licensed Family Child Care definition.

Licensed Center Child Care:
A child is a toddler at 16 months of age up to 33 months of age. A child in center care may be considered to be a toddler up to 35 months of age for purposes of staff ratios, group size, and programming with agreement of parent, teacher, and director if this decision is in the best interest of the child.

License Exempt Centers:
Follow the Licensed Center Child Care definition.

Legal Authority:
Minnesota Statutes 245A.02, Subd. 19
Minnesota Rules 9503.0005

TRANSITION YEAR CHILD CARE:
Child care assistance used to support employment or job search for families who have received MFIP assistance or who were eligible to receive MFIP assistance after choosing to discontinue receipt of the cash portion of MFIP assistance or who have received DWP assistance for at least 3 of the last 6 months before losing eligibility for MFIP or DWP. Transition year child care is not available to families who have been disqualified from MFIP or DWP due to fraud.

Legal Authority:
Minnesota Statutes 119B.011, Subd. 20
TRANSITION YEAR EXTENSION CHILD CARE:
Child care assistance used to support employment or job search for families who have completed their transition year of child care assistance and who are eligible for, but on a waiting list for, basic sliding fee services, for the duration of time necessary for the families to be moved from the basic sliding fee waiting list into the basic sliding fee program.

Legal Authority:
Minnesota Statutes 119B.011, Subd. 20A

UNITARY RESIDENCE:
The 2-month period when a county remains financially responsible for child care assistance benefits after a participant moves from that one county to another county.
Before families can receive child care assistance, they must complete, sign an application, and meet eligibility requirements. Use the Minnesota Child Care Assistance Program Application [DHS-3550-ENG](#) or, if a family is also applying for MFIP, Food Support and/ or Health Care you may use the CAF - Child Care Application Addendum [DHS-5223D-ENG](#). See §3.9 (Combined Application - Child Care Addendum) in conjunction with the Worker Interview Form [DHS-5223A-ENG](#).

Do not require a new application for families moving from one child care sub-program to another without interruption in service. See §4.3 (CCAP – Sub-programs).

"Applicant household" means people who apply for assistance together. If you find 2 or more families living in the same applicant household, each family MUST apply separately.

Your agency must have staff available during office hours to answer program questions and advise people of their right to file an application. See §3.3 (Assistance Requests).

Encourage people to apply for assistance in their county of residence. However, accept applications from residents of other Minnesota counties. Follow the instructions in §3.6 (Accepting and Processing Applications) for handling applications from residents of other counties. Also see §8.12 (Moving Between Counties).

When a person contacts your agency:

Advise the person of his or her right to file an application, how and where to apply, and if necessary assist the person with the application.

Give or mail the person an application. See §3.3 (Assistance Requests).

Once an application is filed:

Request the necessary verification. See §7.3 (Verification – Initial Application).

Determine eligibility and the date it begins.

Notify the applicant of eligibility or ineligibility. See §12 (Notices).

The date of application is the date the application is signed. The application must be received by the agency within 15 calendar days after the date of signature. The application process and processing timetable start from the date the application is received by the agency. The beginning date of eligibility may not be the same as the date of application. For more specific information, see §4.12 (Date of Eligibility). Complete the application process
within designated time frames. See §3.6 (Accepting and Processing Applications).

Use forms developed by Department of Human Services (DHS) to inform and advise clients about their responsibilities and rights (this form is part of the application), the status of an application or redetermination, and ongoing eligibility for assistance.

When a family contacts you in person, by phone or in writing to ask for information about child care assistance:

- Tell people of the right to file an application, where to file it and the application process. See §3.6 (Accepting and Processing Applications).

- Give or send the family the “Do you need help paying for child care?” brochure DHS-3551-ENG supplied by the Department of Human Services (DHS).

Also inform the family of the following:

- Eligibility requirements.

- Verification needed.

- If it appears the family would be eligible for the Basic Sliding Fee (BSF) sub-program, whether a waiting list exists and if so the number of families on the waiting list or estimated time that they will spend on the waiting list before reaching the top.

- The procedure for applying for child care assistance.

- The family copayment fee schedule and how the fee is computed.

- How to choose a provider.

- The family’s responsibilities and rights when choosing a provider.

- The availability of special needs rates.

- The family’s responsibility for paying provider charges that exceed county maximum payments in addition to the copayment fee.

- The importance of promptly reporting a move to another county to avoid overpayments and increase the likelihood of continuing benefits.

When giving or mailing an application to a family, include at least the following in the application packet:

- The Minnesota Child Care Assistance Program Application DHS-3550-ENG

OR
• The CAF –Child Care Addendum DHS-5223D-ENG, if the family is also applying for other forms of assistance (for example, cash and or /food support).

• A cover letter that includes your agency’s address, office hours, and phone number.

Accept signed and dated applications that are submitted by mail or delivered to your agency within 15 calendar days after the date of the signature. Applications must be received within 15 days from the date the application was signed in order to be valid.

Encourage applicants who reside in another county to apply in their county of residence. However, accept an application from an applicant who does not reside in your county and immediately forward the application to the county where the applicant resides.

Process the application within 30 calendar days from the date of receipt and mail a notice of approval or denial of assistance to the applicant. With the consent of the applicant, you may extend the response time by 15 calendar days.

If it appears the family may be eligible for child care assistance but is unable to document eligibility, you must offer them the opportunity to sign a release of information allowing you to verify the necessary information.

When a family requests child care assistance and it appears they are eligible for Basic Sliding Fee (BSF) but funds are not available, inform the family of the waiting list, screen them for potential eligibility, and place them on the waiting list. As child care funds become available, inform the family at the head of the waiting list and ask them to complete an application.

You must offer the applicant the opportunity to sign a release of information allowing you to give the family’s child care provider the following information:

- The family name.
- When/if the application is approved.
- Hours of care authorized.
- Maximum rate that can be paid.
- How payments are made.
- Notification of termination of a case or an adverse action.

**NOTE:** Signing the informational release is optional for the applicant. It does not affect eligibility for the Child Care Assistance Program.

The Combined Application – Child Care Addendum DHS-5223D-ENG form is a tool designed to simplify the child care assistance process for families who are also applying for cash or food assistance and health care. The Combined Application DHS-5223-ENG (CAF), and the Worker Interview Form DHS-5223A-ENG (WIF) are needed in addition to the DHS-5223D.

The purpose of the Child Care Addendum is to avoid duplication of information and verification requested from parents, and to reduce the paperwork necessary to determine eligibility for these programs. Use of the Child Care Addendum is optional. You may choose to use the Minnesota Child Care Assistance Program Application DHS-3550-ENG.

Apply child care policy rules and verification requirements, and communicate reported changes in the Combined Application Forms (CAF) programs that apply to the CCAP case.

Use the Child Care Addendum when:

- A family completes the CAF and the WIF and requests child care assistance.
- The CAF and WIF are completed and the family is not eligible for cash assistance, but requests child care assistance.
- The CAF and WIF have been completed and approved within the past 30 days and the family is now requesting child care assistance.

This chapter describes the general eligibility requirements for the Child Care Assistance Program (CCAP). In order to be eligible for CCAP all applicants MUST:

- File an application. See §3 (Applications).
- Provide required verification. See §7.3 (Verification – Initial Application).
- Have children needing care who are of an appropriate age. See §2 (Glossary) for the definition of child.
- Cooperate with child support. See §4.9 (Cooperation with Child Support).
- Meet income limits. See §6.3 (Income Limits).
- Use a legal provider. See §11 (Provider Requirements).
- Participate in authorized activities. See §4.3 (CCAP Sub-Programs).
- Meet citizenship and immigration status requirements. See §4.15 (Citizenship and Immigration Status).
- Pay the required family copayment fee. See §6.21 (Family Copayment).

The Child Care Assistance Program (CCAP) has several sub-programs with differing eligibility criteria, and different allowable activities and authorized hours. This chapter provides information on each sub-program’s criteria, allowable activities and authorized hours.

MFIP/DWP, Transition Year (TY) and Transition Year Extension (TYE) are fully funded. This means all eligible families are served.

The Basic Sliding Fee (BSF) sub-program is a capped allocation program. This means that a specific amount of money is allocated to this program each year, and when all allocated funds have been spent or obligated, applicants are put on a waiting list rather than approved for receipt of child care assistance.

Participation in authorized activities is required for child care assistance eligibility. Authorized activities are, in general, employment and activities necessary for the family to prepare for, seek, and retain employment. See §4.6 (Employment and Training Requirements). Allowable activities and hours may vary by CCAP sub-program. Refer to the following sections of this chapter for specific information regarding each sub-program:

MFIP and DWP are Minnesota’s cash assistance programs for families with children. They differ in eligibility requirements and length of time a person can be on assistance. Persons receiving MFIP or DWP are eligible for the MFIP Sub-Program of Child Care Assistance if they are participating in appropriate activities. For payment purposes, retroactive eligibility cannot go back further than six months. See subsequent sub-sections for specific information on each.

MFIP OVERVIEW 4.3.3.3

MFIP is the Minnesota Family Investment Program. Its purpose is to provide temporary assistance to support needy families becoming economically stable. MFIP emphasizes and rewards work. Eligibility is limited to 60 months in a lifetime, with some exceptions.

The MFIP grant includes both a cash and food portion by combining federal or state family cash assistance and the Supplemental Nutrition Assistance Program (SNAP). It is the cash portion of the grant which is time-limited. See §4.3.3.6 (Opting Out of MFIP Cash) for its affect on CCAP eligibility.

LEGAL AUTHORITY:
   Minnesota Statute 119B.05
   Minnesota Rule 3400.0080
OPTING OUT OF MFIP CASH

Families may choose to “opt out” of the cash portion of MFIP to avoid using up their 60 months of lifetime eligibility. These families still receive the food portion of MFIP, and can return to receiving cash benefits if necessary.

Families which receive the food portion of MFIP only are still considered MFIP recipients, and therefore continue to be eligible for child care assistance under the MFIP sub-program.

Continue to authorize child care, see §4.3.3.3 (MFIP Overview).

LEGAL AUTHORITY:

Minnesota Statutes 119B.05
Minnesota Statutes 256J
Minnesota Rules 3400.0080
Counties apply MFIP sanctions when participants do not cooperate with employment services or with child support enforcement. Sanctioned participants are NOT removed from the MFIP assistance unit. Instead counties reduce the amount of the MFIP grant.

Whether the participant continues to be eligible for child care assistance depends on the type of non-cooperation and participation in authorized activities.

Do NOT approve child care assistance if the sanction is due to non-cooperation with child support. Cooperation with child support is a condition of eligibility for child care assistance. Reinstate assistance if the family subsequently cooperates with child support, effective the date of compliance.

If the participant is sanctioned for an activity in their Employment Plan (EP) but is complying with another part of their EP, authorize child care for the hours of the compliant activity.

You may, however, continue to authorize child care assistance if:

- The participant is seeking employment (up to 240 hours).
  AND/OR
- The participant is working an average of 20 hours per week, or 10 hours per week if they are a full-time student, receiving at least the applicable minimum wage for all hours worked.

Reinstate child care for all authorized activities if a participant subsequently complies with their full EP effective that date of compliance.

**LEGAL AUTHORITY:**

Minnesota Statutes 119B.011 to 119B.24
Minnesota Statutes 256J
Do not approve child care assistance under the MFIP sub-program for families disqualified from MFIP due to MFIP fraud. Allow them to apply for the Basic Sliding Fee (BSF) sub-program. Approve child care assistance for authorized activities if all BSF eligibility requirements are met.

If the family includes 2 parents and only 1 parent has been disqualified for MFIP fraud, you may still authorize child care assistance under the MFIP sub-program if:

- The MFIP parent continues to meet the eligibility requirements in §4.3.3.3 (MFIP Overview).
  AND
- The non-MFIP parent meets the eligibility requirements in §4.3.12 (Basic Sliding Fee (BSF)).

DWP is the Diversionary Work Program. It is a 4-month intensive program that focuses on immediate employment. All adults are considered job-seekers, and must develop an Employment Plan (EP) with a job counselor before any benefits are issued. DWP child care assistance is funded through MFIP child care assistance.

Because of the short duration of the program, and its intent to move people to employment as soon as possible, it is crucial to provide child care assistance as quickly as possible. To assist in this, financial workers obtain a child care application from DWP applicants during the intake interview if child care is needed. To make this process as easy and speedy for the applicant as possible, the Department of Human Services (DHS) developed a CAF – Child Care Addendum (DHS-5223D).

Apply the same child care eligibility requirements for DWP that you apply to MFIP child care assistance. See §4.3.3.3 (MFIP Overview).

Authorize child care for activities that are in the approved DWP Employment Plan (EP).

Encourage DWP participants to remain in DWP for at least 3 of the 4 allowable months, as it will affect their eligibility for the Transition Year (TY) and Transition Year Extension (TYE) child care assistance sub-program. See §4.3.6 (Transition Year (TY)) and §4.3.9 (Transition Year Extension (TYE)).

LEGAL AUTHORITY:
Minnesota Statutes 256J.95
Minnesota Statutes 119B.011 to 119B.24
DWP sanctions are imposed when participants do not cooperate with employment services or child support enforcement. Unlike MFIP, DWP sanctions result in total ineligibility. The 4 months of DWP eligibility continues to run while a sanction is in place.

**Do NOT approve or continue child care assistance if the sanction is due to non-cooperation with child support.** Cooperation with child support is a condition of eligibility for child care assistance. Reinstate assistance if the family cooperates with child support in the 4 month DWP eligibility period, effective with the date of compliance.

Allow DWP-sanctioned families to apply for Basic Sliding Fee (BSF) child care assistance. The parent(s) must be in an authorized activity and all other BSF eligibility requirements must be met. See §4.3.12 (Basic Sliding Fee (BSF)), §4.3.12.6 (BSF Authorized Activities & Hours) and 4.3.12.9 (BSF Priorities).

**LEGAL AUTHORITY:**
- Minnesota Statutes 256J.95
- Minnesota Statutes 119B.011 to 119B.24
Approve child care assistance for MFIP recipients in authorized activities in an Employment Plan (EP), based on the prescribed number of hours. If number of hours is not specified, do not authorize more hours than the activity requires and is needed for the child. Include travel time in the authorized hours. Never authorize more than 120 hours per 2 week period, per child. See §16.1 (CCAP Authorizations for Clients with an EP).

Treat the following activities outside of an EP as authorized activities:

- Job search up to 240 hours per calendar year per participant. There is no minimum amount of hours required for authorization. Job search includes locating and contacting potential employers, preparing for interviews, interviewing, and up to 2 hours travel time per day as needed.
- Financial and employment services orientations and assessments.
- Appeals and hearings for cash assistance.
- Employment at least for an average of 20 hours per week, or 10 hours per week if a full-time student, and earning at least the applicable minimum wage.
- Except For: Political activities done for political purposes: when the act is done to influence voting as a primary or other election. This applies to any paid, unpaid, or subsidized private sector or public sector position.
- If the person receives other than an hourly wage, divide the salary by the hours worked to determine if the applicable minimum wage requirement is met.

Education is NOT an authorized activity outside of an EP.

Treat the following activities in an approved EP as authorized activities:

- Employment services overviews and assessments.
- Social service and pre-employment activities
- Appeals and hearings.
- Job search as identified in the EP.
- Participation in work as identified in the EP.
• Participation in training, using actual time in class and study time, as identified in the Employment Plan.

Authorize child care assistance for any activity included in the EP of an MFIP/DWP participant.

• Except For: Political activities done for political purposes: when the act is done to influence voting as a primary or other election. This applies to any paid, unpaid, or subsidized private sector or public sector position.

• In some cases, MFIP allows for baccalaureate and advanced degrees to be included in an approved employment plan. If post baccalaureate education is included in the approved Employment Plan, child care assistance should be authorized for the post baccalaureate activity according to the approved plan.

Families may be involved in a combination of activities.

Families receiving Family Stabilization Services (FSS) are eligible for child care according to the same rules and guidelines as other DWP or MFIP recipients. Child care is available for activities included in an FSS plan.

LEGAL AUTHORITY:
Minnesota Statutes 119B.011, subd. 12, 13a, 17 and 119B.05 and 119B.10
Minnesota Statutes 256J
Minnesota Rules 3400.0040 and 3400.0080
Transition Year (TY) child care is available to families who MFIP or DWP closes and who meet other criteria below.

Families must have received MFIP or DWP for at least 3 of the 6 months prior to the closing of their cash assistance. For example, a family whose MFIP was closed effective December 1st would have to have received MFIP or DWP (or a combination of both) for at least 3 months in the period from June through November.

NOTE: Families who choose to “opt out” of the MFIP cash portion are still considered MFIP participants.

- In most TY cases, families were receiving MFIP child care assistance before their cash assistance closed and continue to need child care assistance after cash assistance closing. Move these families from MFIP child care assistance to TY child care assistance. When there is no break in receipt of child care assistance:
  - Do not require a new application.
  - Consider the family to have met the 47% or less of State Median Income (SMI) income limit in their 1st program of participation.
  - Former MFIP or DWP participants can apply for TY for up to 12 months after their cash assistance closes. In the example provided above, the family would be able to apply for TY through the following November, but their TY would end November 30th. IF THERE IS A BREAK IN ELIGIBILITY BETWEEN MFIP AND TY CHILD CARE ASSISTANCE, THE FAMILY’S INCOME MUST BE AT OR BELOW 47% OF SMI TO BE ELIGIBLE FOR TY. See §16.36 (Transition Year (TY) Eligibility Relative to 47% SMI).

For payment purposes, the retroactive eligibility cannot go back further than 6 months prior to the application signature date. Refer to the MEC² User Manual for instructions.

The family needs to cooperate with child support enforcement in order to approve eligibility for TY.

If a family begins receiving MFIP again, move the family to MFIP child care assistance and consider the following when the MFIP case closes again:

- Look at the previous 6 months. If the family received MFIP or MFIP and DWP for 3 of those previous 6 months, the family qualifies for a new 12 months Transition Year
TRANSITION YEAR (TY)  

4.3.6

Period.

- Look at the previous 6 months. If the family received MFIP or DWP for only 1 or 2 of those previous 6 months, the family is eligible for the remaining months of the original Transition Year period. Treat the month or months on MFIP as a suspension of the TY child care benefit but not the Transition Year period. The family may be eligible for MFIP child care during the time they receive MFIP or DWP.

Once families complete their 12 months of TY eligibility, move them to Basic Sliding Fee (BSF) child care if:

- They remain eligible.

- Your county has BSF funds available.

- Your county does not have any higher priority families on the waiting list.

TRANSITION YEAR AND WAITING LIST REQUIREMENTS

If your county does not have BSF funds available at the end of a family’s transition year, move the family to Transition Year Extension (TYE) and add them to your BSF waiting list as 2nd priority.

Transition Year families are placed on the waiting list the date their Transition Year period ends, their effective date for the waiting list is the date they 1st became eligible to apply for TY.

- If a TY family moves to a new county, the date that the family was place on the waiting list in the original county shall transfer with the family.

- If a TY family is eligible for TY child care but does not need child care at the time of TY eligibility, they retain their priority status on the waiting list.

TRANSITION YEAR STUDENTS

If a parent has an educational activity that meets the county requirements for an approved BSF education plan when their MFIP closes, and the county has no BSF waiting list, that family could be served in the BSF program as soon as possible. This family could go directly to BSF with an approved education plan when the MFIP case is closed.
A full-time student retains full-time status during school breaks, including summers, if the student is expected to return to school full time after the break.

TY AUTHORIZED ACTIVITIES

Approve Transition Year (TY) for employment activities. Require employment of at least an average of 20 hours per week and receipt of at least the applicable minimum wage for all hours worked.

If a TY participant is a full-time student and requests child care assistance for only the employment hours, require employment of at least an average of 10 hours per week and receipt of at least the applicable minimum wage for all hours worked. The training or education does not require approval by the county. The full-time student status needs to be verified.

Education is not an authorized activity for Transition Year participants.

Approve TY for up to 240 hours job search per calendar year.

LEGAL AUTHORITY:

Transition Year Extension (TYE) was designed to provide continuous child care assistance to families who complete their 12 months of Transition Year (TY), continue to be eligible, but cannot be moved into Basic Sliding Fee child care because your county lacks funds and has a waiting list. Approve TYE and retain the family on the Basic Sliding Fee (BSF) waiting list as 2nd priority.

There is no time limit on TYE.

If BSF funds become available and there are no 1st priority applicants, move TYE families into the regular BSF program. First serve families who have been in TYE the longest. See §4.3.12 (Basic Sliding Fee) for more information.

TYE AUTHORIZED ACTIVITIES

Approve Transition Year Extension (TYE) for employment activities. Require employment of at least an average of 20 hours per week and receipt of at least the applicable minimum wage for all hours worked.

If a TYE participant is a full-time student and requests child care assistance for only the employment hours, require employment of at least an average of 10 hours per week and receipt of at least the applicable minimum wage for all hours worked. The training or education does not require approval by the county. The full-time student status needs to be verified.

Education is not an authorized activity for Transition Year Extension participants.

Approve TYE for up to 240 hours job search per calendar year.

Minnesota Rules 3400.0040 – 3400.0090
Your county receives a yearly allocation for the Basic Sliding Fee (BSF) sub-program. When sufficient funding is available, approve BSF for non-MFIP/DWP families whose income is below or equal to 47% of the State Median Income (SMI), and who meet all other eligibility requirements specified in §4.3.12.6 (BSF Authorized Activities & Hours). If your allocation is insufficient to meet the demand for BSF child care services, establish waiting lists until funding again becomes available. See §4.3.12.9 (BSF Priorities), §4.3.12.12 (BSF Waiting List Management) and §4.3.12.15 (BSF Portability Pool).

Close BSF if a family meets any of the following conditions:

- The family begins receiving MFIP or DWP, and is therefore moved to another CCAP sub-program.
- Family income exceeds 67% of the SMI.
- An employed member of the family no longer works the required number of hours.
- A student has finished the approved education, or no longer has an approved education plan. See also §4.3.12.3 (BSF Students).

**LEGAL AUTHORITY:**

Minnesota Statute 119B.10
Minnesota Rules 3400.0060
Your county must approve a student’s education or training program prior to authorizing child care assistance for education under Basic Sliding Fee (BSF). Education or training programs must reasonably lead to full-time employment opportunities as determined by the county. Use the criteria in your Child Care Fund Plan to assess this.

Provide ways to expedite and streamline the child care assistance application process for minor parents participating in school-based adolescent parenting child care programs.

Students must meet the requirements of education or Employment Plans. They must also maintain satisfactory progress in the education or training program. Require the student to provide documentation of satisfactory progress from the institution.

Your county must approve any changes in education and training programs prior to the change being made, to continue to authorize BSF child care assistance for these activities.

**BASIC OR REMEDIAL EDUCATION**

You must approve basic or remedial education programs needed to prepare for post-secondary education or employment. Do not apply specific time limits if the student is maintaining satisfactory progress as determined by the institution.

If your county has a waiting list, require students who do not have a GED or high school diploma, or who need remedial and basic skill courses, to be participating in an education program in order to be considered a 1st priority. See §4.3.12.9 (BSF Priorities).

**ASSOCIATE OR BACCALAUREATE EDUCATION**

Do not establish time limits for BSF students more restrictive than those established by the educational institution. However, do not authorize BSF child care assistance for more than the time necessary for a part-time or full-time student to complete the requirements the institution determines necessary for an associate or baccalaureate degree. Require the student to provide documentation from the institution regarding credits and hours necessary to complete the program. If you question whether a student is actually attending part-time or full-time, refer to the institution for that determination.
POST BACCALAUREATE EDUCATION

Do not approve a training plan for a 2nd baccalaureate degree or for education beyond a baccalaureate degree except for continuing education units or certification or coursework necessary to update credentials to obtain or retain employment.

LEGAL AUTHORITY:
Minnesota Statutes 119B.07
Minnesota Rules 3400.0040 Subp. 10 through 15
Basic Sliding Fee (BSF) child care assistance can be authorized for:
- Job Search.
- Education.
- Employment.
- Any combination of the above.

Authorize no more than 240 hours of job search per calendar year.

See §4.3.12.3 (BSF Students) for policies regarding authorizing BSF for education.

To authorize BSF to cover employment hours, require employment of at least an average of 20 hours per week and receipt of at least the applicable minimum wage for all hours worked. If the compensation is other than an hourly wage, divide the earned income by the number of hours worked to determine if this requirement is met.

If a full-time student also requests child care assistance for employment hours, require employment of at least an average of 10 hours per week and receipt of at least the applicable minimum wage for all hours worked. The training or education may or may not be approved by the county. The full-time student status needs to be verified. A full time student retains full time status during school breaks, including summers if the student is expected to return to school full time after the break.

Each county receives an annual capped allocation for Basic Sliding Fee (BSF) child care assistance. When funding is not available, establish a written record of applicant families who would be eligible if funding was available. Sort the list by the priorities provided below.

1\textsuperscript{st} Priority
Non-MFIP/DWP applicants without a high school or general equivalency diploma, or who need remedial and basic skill courses in order to pursue employment or education leading to employment. Students must be participating in the education program. Within this group, give priority to:

- Parents under age 18.
- Parents 18-20.
- Parents 21 and older.

2\textsuperscript{nd} Priority
Transition Year families are placed on the waiting list effective the date their Transition Year (TY) period ends, however their effective date for the waiting list is the date they first became eligible to apply for TY. If the family moves, their waiting list date transfers with them. If their name reaches the top of the waiting list before TY ends, continue TY and encumber BSF funds for the months remaining in the allocation period. Use the encumbered funds when TY ends.

Move TY families into BSF child care as soon as possible after completion of TY. If the family’s name doesn’t reach the top of the waiting list by the end of TY, transfer the family to Transition Year Extension (TYE) until BSF funding becomes available. The family retains their TY waiting list date after moving to TYE.

Also give 2\textsuperscript{nd} priority to families who receive less than 3 months of DWP benefits. These families are not eligible to receive TY child care, but are 2\textsuperscript{nd} priority for BSF.

3\textsuperscript{rd} Priority
Families who are eligible for portability pool BSF assistance. Families remain in this priority even if their portability pool assistance ends. See §4.3.12.15 (BSF Portability Pool).

4\textsuperscript{th} Priority
Families in which at least 1 parent is a veteran. A veteran is a US citizen or resident non-citizen separated under honorable conditions from any branch of the US armed forces after:
BSF PRIORITIES 4.3.12.9

- Serving on active duty for 181 consecutive days.
  OR
- Incurring a disability while serving on active duty.
  OR
- Meeting the minimum active duty requirement.
  OR
- Has active military service certified a discharge under honorable conditions.

5th Priority
All other eligible families. Your county may set priorities within this category. Check your county’s Child Care Fund Plan. For the definition of Child Care Fund, See §2 (Glossary).

LEGAL AUTHORITY:
  Minnesota Statutes 119B.03 Subd. 2 & 4
  Minnesota Rules 3400.0060 Subp. 6 & 7
If you have determined that a family is or will be eligible for the Basic Sliding Fee (BSF) sub-program, but funds are not immediately available, put the family on the BSF waiting list. Perform a preliminary determination of eligibility based on family size, income, and authorized activity. Determine the highest priority group for which the family qualifies. See §4.3.12.9 (BSF Priorities).

When funding becomes available, go to the top of the list and authorize assistance for the number of eligible families the funding will cover.

If the family at the top of the list is temporarily ineligible for child care, leave the family at the top of the list of their priority group and authorize the next applicant on the list. Check your county’s Child Care Fund Plan to see if your county has established a different procedure for handling families who are temporarily ineligible and at the top of the waiting list.

Add families who inquire or apply while they are temporarily ineligible to the waiting list, if it appears they will be eligible.

Review and update the waiting list at least every 6 months. It is extremely important to keep the list up-to-date, as it can affect your county’s funding.

The Basic Sliding Fee (BSF) portability pool assists families who move from one county in which they were receiving BSF services to another county which has a waiting list.

Families who move are required to notify the new county within 60 days of the move, and apply for services there. The original county remains financially responsible for the family’s BSF child care for 2 full calendar months. A family who moves on or after the 1st day of a month is considered a participant in the original county for that month. The 2 calendar month period would start on the 1st day of the next month. See §8.12 (Moving Between Counties) for information regarding a second move after the initial move has been reported.

When a family notifies the new county of a move:

1. Determine if the family continues to meet income and eligibility criteria for BSF. As long as there has not been an interruption in eligibility, apply the 67% State Median Income (SMI) income exit criteria. (If there has been an interruption in eligibility, for example, the family does not report the move for several months, the family is not eligible for portability pool. The agency should treat the family as a new applicant.)

2. Add the family to the waiting list at the highest priority that applies, but no lower than the 3rd priority, effective the date of the move.

3. Continue BSF child care assistance for the lesser of:
   - 6 months funded through the portability pool (beginning at the end of the 2 full calendar months after the move).
   - Until date your county has the funding necessary to provide regular BSF to the family.

Allow students with post-secondary education plans to follow the original education plan during the portability pool time period. When the family is able to use your county’s regular BSF, apply your county’s criteria for education plans.

If the new county does not have funds available to continue BSF assistance at the end of the 6-month portability pool period, end child care assistance. If funds become available after the family’s child care assistance has been terminated due to the end of the portability pool period, the family must be treated as a new applicant and must have a household income that meets the income requirements in Chapter 6 (Income Eligibility). When funds become available to serve priority three families, serve the families who have been in the portability pool the longest first.

Head Start enrolled children are eligible for CCAP payments for child care hours outside of the Head Start hours. In some cases Head Start enrolled children may be eligible for full day CCAP payments that include the Head Start hours, when Head Start and Child Care programs operate a full day integrated model.

A Head Start and Child Care full day integrated program model may operate in a Head Start facility, a child care center, or a licensed family child care provider home that provides Head Start services for at least eight hours per day in one facility.

The Department of Human Services, in conjunction with the Department of Education, has developed an approval process for full day Head Start Programs. Programs that operate a full day integrated model may submit an application to determine if they meet the criteria of operating a full day integrated model. The programs that qualify for full day CCAP payment are kept on a list, posted on SIR in the MEC\textsuperscript{2} area and on countylink under child care program resources. This list is kept up to date and available to counties so that county staff knows which payment principles to apply when authorizing care to a CCAP eligible child who is also enrolled in Head Start. See § 9.9 (Determination of Payment Amounts) and § 16.38 (Head Start & Child Care Assistance Payment Examples).

**Steps to determine if a CCAP eligible child enrolled in Head Start is eligible for full day services**

1. Determine if the CCAP eligible child is also enrolled in Head Start. This may be based on information from the application, family or child care provider/program.

2. Determine which hours the child attends the Head Start Program.

3. Determine if the program is operating under Financial Service Model A or B.

   A. Check SIR/MEC\textsuperscript{2} Content Area under Worker Resources for a list of Head Start programs that are approved for full day CCAP payments.
   
   B. Apply Financial Service Model A, if the program is on this list (include the Head Start hours). See § 9.9 (Determination of Payment Amounts).
   
   C. Apply Financial Service Model B, if the child attends a Head Start program for less than 8 hours per day in addition to another child care provider or program. Deduct the Head Start hours from the CCAP payments. If this totals more than five hours per day, apply CCAP full day payment policies. See §
9.9 (Determination of Payment Amounts) and § 16.38 (Head Start & Child Care Assistance Payment Examples).

D. Contact your CCAP technical liaison and assistance will be provided to determine which payment principle applies, if the Head Start program is a full day program (at least 8 hours per day), but it is not on the list.
People must meet employment, (work study must be counted as employment), education, and training requirements as outlined below to be eligible for child care assistance.

- **SINGLE PARENT, UNMARRIED LEGAL GUARDIAN OR ELIGIBLE RELATIVE CAREGIVER:** The applicant or participant must meet employment, education, or training requirements and other eligibility requirements for the child care assistance program for which the family is applying or in which the family is participating.

- **TWO PARENTS, A PARENT AND STEPPARENT, A LEGAL GUARDIAN AND SPOUSE, OR AN ELIGIBLE RELATIVE CAREGIVER AND SPOUSE:** At least 1 parent, legal guardian, eligible relative caregiver, or spouse must meet employment, education, or training requirements and other eligibility requirements for the child care assistance program for which the family is applying or participating in. The other parent, legal guardian, eligible relative caregiver, or spouse must:
  
  - Meet employment, education, or training requirements and other eligibility requirements for the child care assistance sub-program for which the family is applying or participating in.

  **OR**
  
  - Be unable to care for the applicant’s child or dependent as determined by a licensed physician, licensed psychologist, or the local social services agency. The condition of the parent who is determined to be “unable to care” may be permanent or temporary.

Require all new applicants and current recipients to cooperate with child support for all minor children in the home with an absent parent. See §4.9.3 (Child Support Enforcement Referral Process).

Consider applicants to be cooperating when the Referral to Support and Collections form (DHS-3163B-ENG) is signed and filled out.

Cooperation with child support may include:

- Establishing paternity.
- Establishing a support order.
- Modifying a support order.
- Enforcing of an existing support order.

It also includes the following, as determined necessary by child support enforcement:

- Providing all known information relevant to the absent parent such as name, address, social security number, phone number, place of employment or school, and the names and addresses of any relatives.
- Appearing at interviews, hearings and legal proceedings.
- If under a judicial or administrative order, submitting to genetic tests including genetic testing of the child.
- Providing additional information necessary to cooperate in good faith with the child support agency.

If a court order establishes child care support for a child in care and subsidized by the Child Care Assistance Program, require the parent to assign this type of support to the State. Assignment of child care support is a condition of eligibility for child care. The Referral to Support and Collections form (DHS-3163B-ENG) is used for this purpose. If a client is receiving or has applied for MFIP, it is the financial worker’s responsibility to have an applicant complete and sign the Referral to Support and Collections form (DHS-3163B-ENG). Notify the applicant or recipient in writing of the right to claim a good cause exemption from cooperation with child support enforcement. If the client claims good cause, the Cooperation with Child Support Enforcement-Client Statement of Good Cause (DHS-

CCAP applicants and participants must cooperate with Child Support for all children in the CCAP family with an absent parent. If a family does not cooperate they are not eligible for CCAP unless the parent has claimed good cause.

MEC\(^2\) automatically sends some referrals to the Child Support agency through an interface with PRISM. However, because referrals are interfaced from MEC\(^2\) to PRISM only for children who have open Service Authorizations, the family must complete the Cooperation with Child Support Enforcement (DHS-2338) and, if the family is not claiming good cause, the Referral to Support and Collections (DHS-3163B) for all children in the family with an absent parent and the physical Cooperation with Child Support Enforcement (DHS-2338) and Referral to Support and Collections (DHS-3163B) forms must be sent to Child Support. Keep a copy of the physical Cooperation with Child Support Enforcement (DHS-2338) and Referral to Support and Collections (DHS-3163B) forms for the family’s CCAP file. If the forms are not completed, the CCAP case must be denied or closed. The Child Support filing fee charged to a NPA (non-public assistance) custodial parent is waived as Child Support cooperation is a CCAP requirement.

Beyond the initial forms completed at CCAP application, the local Child Support agency is responsible for determining if the family is cooperating with child support. If the family has completed the Cooperation with Child Support Enforcement (DHS-2338) and has an approved good cause claim, or has completed the Cooperation with Child Support Enforcement (DHS-2338) and the Referral to Support and Collections (DHS-3163B) for all children in the family with an absent parent, an open CCAP case should not be closed for Child Support noncooperation unless the CCAP worker is notified by Child Support that the client has failed to cooperate.

If an intact family applies for CCAP but the father does not have verification of parentage, refer the family to the county Child Support office to sign a Recognition of Parentage (ROP). A copy of the ROP can be used as the father’s verification of relationship. Also have the family complete the Cooperation with Child Support Enforcement (DHS-2338) and the Referral to Support and Collections (DHS-3163B). Complete the appropriate Child Support windows in MEC2.

A caregiver assigns all rights of the family to Child Care Support by completing the Child Care Assistance Program Application (DHS-3550) or the Combined Application - Child Care Addendum (DHS-5223D) in addition to the Combined Application Form (DHS-5223).

If a family applies for CCAP and already has an open MFIP or health care case on MAXIS the CCAP worker should not require that new Child Support forms be completed if all
children in the family are on the existing MFIP or health care case.

If a family applies for CCAP and had a prior CCAP, MFIP or health care case that has closed, the family must complete new forms.

If a child with an absent parent is added to the CCAP family or a parent is removed from the CCAP family, the family must complete the Cooperation with Child Support Enforcement (DHS-2338) and, if not claiming good cause, the Referral to Support and Collections (DHS-3163B). Allow 15 days for the parent to complete and return the forms. If the Cooperation with Child Support Enforcement (DHS-2338) and the Referral to Support and Collections (DHS-3163B) (if not claiming good cause) are not completed and returned within 15 days, close the CCAP case with a 15 day notice.

If a CCAP case closed due to noncooperation with Child Support the family must cooperate before a new CCAP case is opened. Because updates are interfaced from PRISM to MEC2 only for children who have open Service Authorizations, the CCAP worker will need to contact Child Support to determine that the family is cooperating before changing the “Cooperation Status” in MEC2 to “Yes.”

- Minnesota Statutes 119B.09, Subd. 1 (c)
- Minnesota Statutes 256.741, Subd. 5 & Subd. 2 (c)
If a family completes the Cooperation with Child Support Enforcement (DHS-2338) and claims good cause, the family does not need to complete the Referral to Support and Collections (DHS-3163B) and the CCAP worker does not need to wait to open child care until good cause is approved. The county’s Good Cause committee will approve or deny the family’s good cause claim. If the family’s good cause claim is denied, the family must complete the Referral to Support and Collections (DHS-3163B). Allow 15 days for the parent to complete and return the forms. If the Referral to Support and Collections (DHS-3163B) is not completed and returned within 15 days, close the CCAP case with a 15 day notice.

If a family’s good cause claim is approved it applies to all programs (eg. CCAP, MFIP, health care for 12 months). If a new CCAP application is submitted and the family has an approved good cause claim that was initiated for any program and was approved during the past 12 months a new Client Statement of Good Cause (part of the Cooperation with Child Support Enforcement) does not need to be completed. If a new CCAP application is submitted more than 12 months past the last good cause approval a new Client Statement of Good Cause should be completed.

For active CCAP cases where good cause has been approved and a good cause review exemption has not been granted, MEC2 will send the CCAP worker an alert 30 days prior to the next good cause review date. The Notice of Child Support Good Cause Redetermination (DHS-3630) must be sent by the worker.

When a good cause review exemption is granted, the Notice of Child Support Good Cause Redetermination (DHS-3630) is not sent to the family. Instead, at the beginning of the biweekly period in which the anniversary occurs, MEC2 will send the CCAP worker an alert to send a Notice of Child Support Good Cause Approval (DHS 3629). The Notice of Child Support Good Cause Approval must be sent manually by the worker.

CCAP WORKER TO CHILD SUPPORT ENFORCEMENT (CSE) WORKER

Tell the Child Support agency of all case openings, changes, or closings by entering the appropriate data on MEC2.

Case updates are only interfaced between MEC2 and PRISM for children who have open Service Authorizations.

For children without open Service Authorizations the updates must be sent to Child Support manually:

- Use the Child Care Status Transmittal Update to Child Support (DHS-4003) to send updates to Child Support for children who do not have open Service Authorizations in MEC2.

- Keep a copy of the physical Child Care Status Transmittal Updated to Child Support (DHS-4003) form for the family’s CCAP file.

An open CCAP case should not be closed for Child Support noncooperation unless the CCAP worker is notified by Child Support that the client has failed to cooperate.

DATE OF ELIGIBILITY

The date of eligibility begins depends on the sub-program the family is eligible for.

MFIP/DWP

Approve eligibility for employed persons beginning the later of:

- Date of employment or approved job search.
  OR
- Date of MFIP or DWP eligibility

Retroactive eligibility cannot go back further than 6 months prior to the application date.

Approve eligibility for participants in employment services beginning the later of:

- Date of commencement of the services.
  OR
- Date of MFIP or DWP eligibility

TRANSITION YEAR (TY)

Approve eligibility the 1st day of the month after the family loses eligibility for MFIP or DWP if the family is eligible. Make child care payments retroactive to this date if the family has maintained eligibility during the entire time period. Payments of child care assistance may only be made retroactive for a maximum of 6 months from the CCAP application date.

A family with verifiable continued CCAP eligibility does not need to meet the income entry requirement.

TRANSITION YEAR EXTENSION (TYE)

Approve eligibility the date the family completes their Transition Year child care and is eligible for but are on a waiting list for Basic Sliding Fee.

BASIC SLIDING FEE (BSF)

Approve child care assistance beginning the later of:

- Date the application was signed.
  OR
- Beginning date of employment, approved education or training, or approved job
search.

Approve eligibility for At Home Infant Child Care (AHIC) beginning the later of
• Date the application was signed.
  OR
• Date the child was born.
  OR
• Date the family comes to the top of your county’s BSF waiting list.

For information on provisional payments, see §2 (Glossary), §9.3 (Payments to Providers).

LEGAL AUTHORITY:
  Minnesota Rules 3400.0040, Subp. 6 (c)
  Minnesota Statutes 119B.0040, Subd.7
Citizenship or immigration status of the child seeking assistance can affect eligibility. United States citizens are always eligible if they meet other eligibility criteria. Eligibility of non-citizens depends on the setting where child care will be provided and their U.S. Citizenship and Immigration Services (USCIS) classification. See §4.15.3 (Non-Citizens – Eligibility Classification) to determine citizenship or immigration classification for child care assistance. Also, see §7.12 (Verifying Citizenship and Immigration Status) for information on how to verify immigration status.

Citizenship and immigration status do not affect a non-citizen’s eligibility to participate in Head Start or non-postsecondary educational programs. Consequently, when child care assistance will be used to pay for child care in a setting subject to public educational standards, such as Head Start or a pre-kindergarten or a school-age care program operated under public education standards, citizenship or immigration status does not have to be determined or verified.

The child is the beneficiary of child care assistance benefits. Therefore, when child care is provided in a setting not subject to public educational standards, the county must verify only the citizenship and immigration status of the child for whom child care assistance is sought. Do not ask for citizenship or immigration information from anyone in the family other than the child for whom child care assistance is sought.

Immigration status can change. Check with participants at appropriate intervals to see if the child’s status has changed. For example:

- Check when the citizenship waiting period is over.
- Check at the ending date for non-citizens who are granted status with an ending date.

Non-citizens are people present in the United States who have not attained United States citizenship by birth or naturalization. Non-citizen children who are lawfully residing in the United States meet the technical requirement for immigration status. Non-citizens fall into the following broad categories:

- **LAWFUL PERMANENT RESIDENTS (LPR):** LPRs are immigrants who have been granted permission to live and work in the United States on a permanent basis.
• **PEOPLE FLEEING PERSECUTION:** Includes refugees, people granted asylum or withholding of deportation (or removal), Cuban or Haitian entrants, and Amerasian immigrants from Vietnam.

• **LAWFULLY RESIDING NON-CITIZENS:** Includes people with permission to live and work in the United States on a temporary basis, such as people granted parole, temporary protected status (TPS), deferred enforced departure (DED), or other temporary status.

• **NON-IMMIGRANT:** People such as tourists, students, business visitors, diplomats, and others who have permission to enter the United States for a limited period of time, but have not abandoned their residence in their home country.

• **UNDOCUMENTED PEOPLE:** People who do not have permission to enter or stay in the United States.

Also see the following sections to determine whether children fall into eligible or ineligible classes of immigration status:

- §4.15.3 Non-Citizens - Eligibility Classification.
- §4.15.6 Non-Citizens - Lawful Permanent Residents.
- §4.15.6.3 Non-Citizens - Adjustment of Status.
- §4.15.9 Non-Citizens - People Fleeing Persecution.
- §4.15.12 Non-Citizens - Victims of Battery or Cruelty.
- §4.15.15 Non-Citizens - Lawfully Residing People.
- §4.15.18 Non-Immigrant and Undocumented People.

Deny assistance when:

- The setting where child care will be or is being provided is not subject to public educational standards (such as a Head Start or a pre-kindergarten or a school-age care program operated under public education standards).

AND

- The county cannot verify that any of the children for whom assistance is being sought or paid have a citizenship or immigration status that makes them eligible for child care assistance.

**LEGAL AUTHORITY:**

Minnesota Rules 3400.0040, subp. 3
Minnesota Statutes 119B.025, subd. 1
The Personal Responsibility and Work Opportunity Reconciliation Act (PRWORA) of 1996, limits the eligibility of non-citizens for federal public benefits. Child care assistance has been determined to be a federal public benefit. The federal government, however, determined that child care assistance is not a “federal means-tested public benefit.” Consequently, those non-citizens who are “qualified non-citizens” can receive child care assistance from federal funds. A “qualified non-citizen” is generally:

OR

- A non-citizen who is granted asylum under section 208 of such Act [8 U.S.C. 1158]. See §4.15.9 (Non-Citizens - People Fleeing Persecution).

OR

- A refugee who is admitted to the United States under section 207 of such Act [8 U.S.C. 1157]. See §4.15.9 (Non-Citizens - People Fleeing Persecution).

OR

- A non-citizen who is paroled into the United States under section 212(d)(5) of such Act [8 U.S.C. 1182 (d) (5)] for a period of at least 1 year. See §4.15.9 (Non-Citizens - People Fleeing Persecution).

OR

- A non-citizen whose deportation is being withheld under section 243(h) of such Act [8 U.S.C. 1253] (as in effect immediately before the effective date of section 307 of division C of Public Law 104-208) or section 241(b)(3) of such Act [8 U.S.C. 1231 (b) (3)] (as amended by section 305(a) of division C of Public Law 104-208). See §4.15.15 (Non-Citizens - Lawfully Residing People).

OR

- A non-citizen who is granted conditional entry pursuant to section 203(a)(7) of such Act [8 U.S.C. 1153(a)(7)] as effective prior to April 1, 1980. See §4.15.9 (Non-Citizens - People Fleeing Persecution).

OR

- A non-citizen who is a Cuban or Haitian entrant (as defined in section 501(e) of the Refugee Education Assistance Act of 1980) [8 U.S.C. 1644]. See §4.15.9 (Non-Citizens - People Fleeing Persecution).

OR

- A battered non-citizen (as defined in 8 U.S.C. 1641 (c)). See §4.15.12 (Non-Citizens - Victims of Battery or Cruelty).

The federal government has clarified that the child is the beneficiary of child care assistance benefits and, therefore, PRWORA requires that only the citizenship and immigration status of
the child be verified for child care assistance eligibility purposes. When determining whether a Minnesota family is eligible for child care assistance, the county therefore verifies only the citizenship and immigration status of the child or children for whom assistance is sought.

PRWORA specifically provides that its provisions do not apply to Head Start and non-postsecondary educational programs and that it does not have any effect on the right of non-citizen children to participate in these programs. Consequently, the federal government has determined that when child care assistance funds are used to pay for child care in settings subject to public educational standards, such as a Head Start or a pre-kindergarten or a school-age care program operated under public education standards, it is considered that the child is participating in a non-postsecondary educational program rather than receiving federal public benefits.

PRWORA also prohibits certain non-citizens from receiving state or local public benefits. Under federal law, only “qualified non-citizens” as listed above, non-immigrants under the Immigration and Nationality Act, and non-citizens paroled into the United States under 8 U.S.C. 1182 (d)(5) for less than 1 year, can receive state and local public benefits.

You must deny a family’s application for child care assistance or terminate a family’s child care assistance when:

- The setting where child care will be or is being provided is not subject to public educational standards (such as a Head Start or a pre-kindergarten or a school-age care program operated under public education standards)
- The county cannot verify that the child(ren) for whom assistance is being sought or paid meets immigration status requirements for child care assistance.

Refer to the Guide to Non-citizen Eligibility for Cash and Food Support (DHS-4864-ENG), available through e-Docs, for additional information and guidance on identifying immigration documents and determining immigration status.

**LEGAL AUTHORITY:**

Minnesota Rules 3400.0040, subp. 3
Minnesota Statutes 119B.025, subd. 1
Non-citizens who lawfully immigrated to the United States are called Lawful Permanent Residents (LPRs). LPRs have permission to live and work permanently in the United States. They can travel abroad and return to the United States as long as they have not abandoned their United States residence. Permission to enter as an LPR is usually granted to people living abroad, but under certain circumstances it may be granted to a person already present in the United States. See §4.15.6.3 (Non-Citizens - Adjustment of Status). An LPR can apply for naturalization to United States citizenship after living in the United States for 5 years (3 years if married to a United States citizen).

Most LPRs obtain permission to enter the United States through a petition from a family member. They may be immediate relatives (for example, spouses, minor children, or parents) of adult United States citizens, or receive family-sponsored preference. The number of family-sponsored immigrants has an annual cap, and the waiting list may be several years long. All petitions for family members must also include an affidavit of support.

People who receive LPR status through marriage to a United States citizen will be granted conditional permanent residence if they have been married less than 2 years. The purpose is so that U.S. Citizenship and Immigration Services (USCIS) can determine that the reason for the marriage was not for the purpose of gaining entry to the United States. At the end of 2 years, either the couple must file a joint petition with the USCIS to remove the condition, or, to keep his or her LPR status, the non-citizen spouse must qualify for a waiver of joint petition requirement. Conditional permanent residents have the same documents and rights as other LPRs, EXCEPT their I-551 card expires after 2 years and is coded "CR".

There are also provisions for employment-based immigrants with special skills or abilities, or for jobs in which there is a shortage of workers. Most require a petition from an employer. If the employer is related to the immigrant, an affidavit of support (I-834) may also be required.

There are also 55,000 visas per year awarded to people from countries from which few people have been admitted over the previous 5 years. These “diversity” visas are awarded on the basis of an annual lottery where names are submitted and randomly drawn. The I-551, passport, or I-94 will identify these non-citizens as DV1, DV2, or DV3.

Some LPRs may also have held a previous immigration status, such as refugee or asylee, that may impact eligibility. See §4.15.6.3 (Non-Citizens - Adjustment of Status).

Consider North American Indians born in Canada who have at least 50% North American Indian blood to be LPRs when they enter the United States from Canada.
LPRs are eligible for child care assistance if they meet all other eligibility criteria. See §4.15 (Citizenship and Immigration Status), §4.15.3 (Non-Citizens – Eligibility Classification).

LEGAL AUTHORITY:
- Minnesota Rules 3400.0040, subp. 3
- Minnesota Statutes 119B.025, subd. 1
Non-citizens already present in the United States who are not lawful permanent residents (LPRs) may apply for adjustment of status to LPR. This process relates to program eligibility in several ways. Only LPRs may become United States citizens.

Refugees normally adjust their status 1 year after arrival in the United States. The process is currently completed through a mailed application. If the person has no barrier to admission in the United States, the adjustment is automatic.

Asylees may also apply for adjustment 1 year after their asylee status is granted, but there is an annual limit of 10,000 people who may adjust to LPR.

Though refugees and asylees may have adjusted to LPR, their eligibility for child care assistance is still based on their original U.S. Citizenship and Immigration Services (USCIS) status. See §4.15.9 (Non-Citizens - People Fleeing Persecution).

Battered spouses and/or children of United States citizens or LPRs who are non-citizens may be eligible to self-petition for adjustment of status. They may be eligible for assistance while their application is pending. See §4.15.12 (Non-Citizens - Victims of Battery or Cruelty).

Under the Immigration Reform and Control Act of 1986 (IRCA), non-citizens who had resided unlawfully in the United States since before 1-1-82 (general amnesty, or section 245A) of the Immigration and Nationality Act and certain farmworkers (Special Agricultural Worker (SAW), or section 210 of the Immigration and Nationality Act) were allowed to legalize their status through a 3-stage process. Amnesty applicants whose applications were granted were then given lawful temporary resident (LTR) status. The majority of people who legalized under IRCA have become LPRs. However, general amnesty applicants were required to complete English language and United States civics requirements as a condition of adjustment. A few people were unable to complete the requirements and remain Lawful Temporary Resident (LTRs). See §4.15.15 (Non-Citizens - Lawfully Residing People). There were originally program restrictions on those that adjusted under IRCA but those restrictions are no longer in effect.

Some non-citizens are allowed to enter or remain in the United States because they are unable or unwilling to return to their country of residence for fear of persecution. There are several levels of immigration status that relate to this, most of which are temporary. However, people may adjust their status to lawful permanent residents. See §4.15.6.3 (Non-Citizens - Adjustment of Status).

- **REFUGEES:** People who have established that they have a well-founded fear of persecution as a condition of their entry to the United States. The U.S. Citizenship and Immigration Services (USCIS) has interviewed them outside this country, and they have met the processing priorities established by the State Department. The priorities have to do with need for protection or close ties to the United States through employment or relatives. Prior to 1981, some refugees entered the country under other immigration categories, such as conditional entrant or paroled as a refugee. Refugees are eligible.

- **ASYLEES:** People who are already present in the United States and have established a well-founded fear of persecution if returned to their home country, may be granted asylum status. The process for establishing a claim of asylum before an USCIS asylum officer or immigration judge may take some time, often a year or more. Applicants may be granted employment authorization after their case has been pending for a sufficient time, or when preliminary approval of the claim is granted prior to a background check. Some applicants who are not granted asylum may be given withholding of removal (or deportation) when it is decided that persecution is more likely than not. Asylees are eligible.

- **AMERASIANS:** The non-citizen children of Vietnamese mothers and American fathers may be admitted to the United States along with their immediate relatives. Though they are admitted as lawful permanent residents (LPR), they are generally eligible for the same benefits as refugees.

- **CUBAN OR HAITIAN ENTRANT:** In 1980 there was a massive boat lift of Cubans and Haitians to Florida. The immigration status of Cuban-Haitian Entrant was created to accord them a legal status while their cases were pending. Not all Cubans or Haitians would be considered Cuban-Haitian Entrants, as they may enter the United States under other circumstances. Those who enter the country as LPRs under preference categories would be treated as any other LPRs.

**LEGAL AUTHORITY:**
- Minnesota Rules 3400.0040, subp. 3
- Minnesota Statutes 119B.025, subd. 1
A non-citizen who is a victim of battery and/or cruelty and who is either married to or is the child of a United States citizen or lawful permanent resident may be able to "self-petition" for permanent residency if he or she does not already have this immigration status. The U.S. Citizenship and Immigration Services (USCIS) will determine the battery and/or cruelty.

The non-citizen may be eligible for child care assistance once the petition is accepted by USCIS.

The bottom section of the Family Violence Referral (DHS-3323) provides space for the county to make a referral to the local legal aid office or 1 of the following agencies for people in need of legal assistance under this provision:

- Centro Legal 651-642-1890 or 1-800-245-5753 (for Spanish speakers who need assistance with family violence and immigration matters).

- Immigration Law Center 651-291-0110 (for assistance with immigration matters).

LEGAL AUTHORITY:
Minnesota Rules 3400.0040, subp. 3
Minnesota Statutes 119B.025, subd. 1
Under certain circumstances people are permitted to enter and/or remain in the United States on a limited basis. Consider these people as lawfully residing non-citizens. In most cases, people will depart the United States when their status expires, or have a petition filed to adjust their status to Lawful Permanent Resident (LPR). Review their status to be sure it has not expired or changed.

- **PAROLE:** The United States Attorney General has authority to parole non-citizens into the United States when it is in the public interest or for humanitarian reasons. Parole is usually granted for a specific time period, but in some instances it may be indefinite. Humanitarian parole is usually for the purpose of medical treatment that is not available in a non-citizen’s home country. Parole may also be used while other applications are pending, such as asylum applications. Parole is often used for people from refugee-producing countries, such as Vietnam or the former Soviet Union, when they do not qualify as refugees but have family members already in the United States.

- **LAWFUL TEMPORARY RESIDENT (LTR):** Under the Immigration Reform and Control Act (IRCA) of 1986, certain undocumented non-citizens were allowed to legalize their status, first to Lawful Temporary Resident (LTR), and then to Lawful Permanent Resident (LPR). However, there is no current provision to allow undocumented non-citizens to apply for legalization to LTR. A small number of LTRs were unable to adjust to LPR, mostly because of the English language and civics testing requirements.

- **FAMILY UNITY:** A program resulting from problems that arose due to the Immigration Reform and Control Act (IRCA) of 1986, which allowed the spouses and children of people who legalized their status, to remain in the United States. Most Family Unity cases should be pending adjustment to LPR and the numbers should be decreasing.

- **TEMPORARY PROTECTED STATUS (TPS):** Certain countries may be designated as temporarily unsafe to return to because of armed conflict or natural disaster. Residents of those countries who are present in the United States at that time may apply for TPS. TPS is granted for a specified time (6 to 18 months). At the end of the specified time period, U.S. Citizenship and Immigration Services (USCIS) will conduct a review to determine if it is safe for the people to return or if TPS should be extended.
• OTHER DISCRETIONARY CLASSIFICATIONS: There are several classifications used to permit non-citizens to remain in the United States for humanitarian or other public policy reasons. These classifications include:
  - Deferred enforced departure (DED).
  - Deferred action.
  - Voluntary departure.
  - Stay of deportation.

• PEOPLE WITH PENDING IMMIGRATION STATUS: Under certain circumstances a person may be considered to be lawfully residing in the United States while his or her application is still being processed. This would specifically include:
  - The spouse or child of a United States citizen whose visa petition has been approved and who has a pending application for adjustment of status to LPR.
  - An applicant for asylum or withholding of deportation who has been granted employment authorization.

Lawfully residing non-citizens paroled for a period of 1 year or more may be eligible for child care assistance.

LEGAL AUTHORITY:
  Minnesota Rules 3400.0040, subp. 3
  Minnesota Statutes 119B.025, subd. 1
Non-immigrants are people allowed to enter the United States for a specific purpose and for a limited period of time. They maintain a residence in their home country that they have no intention of abandoning. They include tourists, students, business visitors, diplomats, and others who have permission to enter the United States for a limited period of time, but have not abandoned their residence in their home country.

When child care will be provided in a setting not subject to public educational standards, children who are undocumented and non-immigrant people are **NOT** eligible. Do **NOT** assume a child is undocumented because the applicant is unable or unwilling to verify immigration status. Such a child is ineligible, but not necessarily undocumented.

Undocumented people are those living in the United States without authorization. If the setting where child care will be provided is not subject to public educational standards, follow the normal verification procedures to determine if the child for whom child care assistance is being sought is an undocumented person. See §7.12.9 (Identify Non-Immigrant & Undocumented People).

When the setting where child care will be provided is not subject to public educational standards, applicants who are unable or unwilling to produce proof of the immigration status of the non-citizen children for whom they are applying for child care assistance are ineligible. Do **NOT** try to confirm the status of anyone in the applicant’s family with the U.S. Citizenship and Immigration Services (USCIS) without the person’s authorization.

Other family members not receiving child care assistance are not required to disclose their immigration status.

- Minnesota Statutes 119B.025, subd. 1
The CCAP family consists of people who live together whose needs and income you consider together, in determining child care assistance eligibility. See §2 (Glossary) for the definition of family.

To determine who to include in a child care family, see §5.3 (Determining the CCAP Family).

Some people may be members of the family while they temporarily live apart from the rest of the family members. See §5.6 (CCAP Family - Temporary Absence).

**LEGAL AUTHORITY:**

Minnesota Statutes 119B.011, Subd. 13
For information on what constitutes a family for the Child Care Assistance Program (CCAP), see the definition of FAMILY in §2 (Glossary).

People may remain in a Child Care Assistance Program (CCAP) family while temporarily absent under certain conditions, see §5.6 (CCAP Family - Temporary Absence).

An adult age 18 or older who meets the definition of family and is a full-time high school or post-secondary student may be considered a dependent member of the family if 50 percent or more of the adult student’s support is provided by the parents, stepparents, guardians, and their spouses or eligible relative caregivers and their spouses residing in the same family. To include the adult student as a dependent in the family, the family must verify that it provides 50 percent or more of the student’s support.

When a minor parent or parents and his/her, or their child or children are living with other relatives, and the minor parent or parents apply for a child care subsidy, “family” means only the minor parent or parents and their child or children.

Agencies may want to set up criteria for determining the level of support. Suggestions include determining household costs, for example, rent, utilities, and food. Divide the amount by the total number of family members. Assign a percent to each member, and then compare that to the adult student’s income. The adult student’s earned and unearned income must be included in determining the household income, if the adult student is included in the family, unless the adult student is under the age of 19 and has not earned a high school diploma or GED.

When a child resides in 2 homes, for example, mother’s and father’s, both families can apply for child care assistance. The child is considered to be temporarily absent from each home during the time the child is not in residence in that home. The child is included in the household size in both homes. Child care assistance can only be paid on each case during the time the child is residing with that parent. Both cases would have to cooperate with child support enforcement as there is an absent parent in each case. Eligibility, income, copayment, and household size are determined separately for each case.

The Department of Human Services (DHS) has developed a series of case examples to assist you in determining the CCAP family. See §5.9 (CCAP Family Composition Examples).

LEGAL AUTHORITY:
Minnesota Statutes 119B.011, Subd. 13
People may remain in a Child Care Assistance Program (CCAP) family while temporarily absent under certain conditions. There are no time frames attached to temporary absences under CCAP. To qualify for temporary absence, the person must intend to return to the family. For more information on a CCAP family, see §2 (Glossary), §5.3 (Determining the CCAP Family), §5.9 (CCAP Family Composition Examples).

Temporary absences may include, but are not limited to:

- Family members attending schools away from the home.
- Children in foster care.
- Family members in residential treatment facilities.
- Family members in military service.
- Family and/or children in rehabilitation programs.

The following are examples of Child Care Assistance Program (CCAP) family composition, authorized activities, and the child care funding source(s) (Basic Sliding Fee (BSF), MFIP or Transition Year (TY)).

2-PARENTS MARRIED FAMILIES

1st case scenario:

Mother: Working 35 hours per week.
Father: Going to school
Family Size: 4

2nd case scenario:

Mother: Working 35 hours per week.
Father: Unable to care as determined by licensed physician.
Family Size: 4

If the family meets general eligibility for CCAP, the following CCAP programs may be available to them:

BSF: Case 1: Eligible with county-approved education plan for father’s education.
     Case 2: Eligible for mom’s work activity.

MFIP: Case 1: Eligible with an approved Employment Plan for the father.
       Case 2: Eligible for mom’s work activity.

TY: Case 1: Father is considered available to provide care. Education is not an authorized activity under TY.
      Case 2: Eligible for mom’s work activity.
2-PARENT MARRIED FAMILY (1 TEMPORARY ABSENT)

Mother: Working 40 hours per week.
Father: Temporarily absent from home and intends to return.
Family Size: 5

If the family meets general eligibility for CCAP, the following CCAP programs may be available to them:

BSF: Eligible.
MFIP: Eligible.
TY: Eligible.
2-PARENT MARRIED BLENDED FAMILY

Mother: Attending School.
Father: Working 40 hours per week.
Family Size: 6

If the family meets general eligibility for CCAP, the following CCAP programs may be available to them:

BSF: Eligible with an approved education plan.
MFIP: Eligible with an approved Employment Plan.
TY: Not eligible. School is not an authorized activity for TY.
2-PARENT UNMARRIED BLENDED FAMILY

Mother: Working 35 hours per week.
Father: No authorized activity.
Family Size: 4

If the family meets general eligibility for CCAP, the following CCAP programs may be available to them:

**BSF:** Eligible for her child only. Father could **NOT** be paid to care for her child.

**MFIP:** Eligible for her child only. Father could **NOT** be paid to care for her child.

**TY:** Eligible for her child only. Father could **NOT** be paid to care for her child.
ELIGIBLE RELATIVE CAREGIVER OR LEGAL GUARDIAN FAMILY

Aunt: Working 35 hours per week.
Uncle: Working 40 hours per week.
Nephew: MFIP, child-only grant.
Family Size: 4

If the family meets general eligibility for CCAP, the following CCAP programs may be available to them:

BSF: Eligible.

MFIP: No. Would be eligible only if aunt and/or uncle (applicant for CCAP) are on the MFIP grant.

TY: No. Would be eligible only if aunt and/or uncle (applicant) had been on MFIP for 3 of the 6 months.
MINOR PARENT FAMILY LIVING WITH HIS OR HER PARENT

Grandmother: Working 40 hours per week.  
Minor Parent: Attending High School.  
Family Size: Two families of 2 or 1 family of 3 depending on whether minor parent applies for and receives CCAP:

If the family meets general eligibility for CCAP, the following CCAP programs may be available to them:

**Family A** = Grandmother, Minor Parent, and 10 Year old.  
**OR**  
**Family B** = Grandmother and 10 Year old.  
**AND**  
**Family C** = Minor Parent and Baby.

**BSF:**  
**Family A/B:** Family could apply for assistance for 10 year old while the grandmother works.  
**Family C:** Child care is available while minor parent attends school with an approved education plan.

**MFIP:**  
**Family A/B:** Grandmother could apply for assistance for 10 year old while she works.  
**Family C:** Minor parent must have an approved Employment Plan.

**TY:**  
**Family A/B:** Family would be eligible for child care for 10 year old while grandmother works if she has been on MFIP for 3 out of the previous 6
months.

**Family C:** Not eligible. School is not an authorized activity for Transition Year.

**UNMARRIED PARENT LIVING WITH BOYFRIEND**

Case Scenario 1:

Mother: Working days.

Boyfriend: Working intermittently, some days and some nights.

Family Size: 4 (boyfriend does NOT meet the definition of family and is not considered part of the CCAP family.)

If the family meets general eligibility for CCAP, the following CCAP programs may be available to them:

**BSF:** Eligible for mother’s work activity.

**MFIP:** Eligible for mother’s work activity.

**TY:** Eligible for mother’s work activity.

Case Scenario 2:

Mother and boyfriend get married.

Mother: Working days.

Husband: Working intermittently, some days and some nights.

Family Size: 5.
BSF: Eligible for times when both mother and her husband are simultaneously in authorized activities.

MFIP: Eligible if both have an approved Employment Plan.

TY: Eligible only if the mother was previously MFIP.

UNMARRIED PARENT WITH A CHILD ON SSI

Mother: Receives MFIP for herself and 2 out of her 3 children. The other child receives SSI.

Family Size: 4 (The child that receives SSI meets the definition of family and is considered a member of the CCAP family).

If the family meets general eligibility for CCAP, the following CCAP programs may be available to them:

BSF: Not eligible.

MFIP: Eligible (determined by the applicant’s status).

TY: Not eligible.
UNMARRIED MOTHER ON SSI

Mother: Receives SSI.
Children: Receive MFIP.
Family Size: 4. The mother receives SSI and meets the definition of family. She is considered a member of the CCAP family.

If the family meets general eligibility for CCAP, the following CCAP programs may be available to them:

BSF: Eligible to apply (determined by the applicant’s status). SSI is excluded income.

MFIP: Not Eligible.

TY: Not eligible.
**MOTHER DISQUALIFIED DUE TO FRAUD**

Mother:  Not on MFIP because of MFIP fraud disqualification (NOT a MFIP child care fraud.).

Children: 3 children receive MFIP.

Family Size:  4

If the family meets general eligibility for CCAP, the following CCAP programs may be available to them:

**BSF:**  Eligible to apply (determined by the applicant’s status). If MFIP closes, family would continue to be eligible for BSF.

**MFIP:**  Not Eligible.

**TY:**  Not eligible.

Minnesota Rules 3400.0040, Subp. 5
This chapter covers policies and procedures regarding income eligibility.

Count earned and unearned income received by all family members, unless specifically excluded. See §6.12 (Excluded Income).

To determine income eligibility:

- Collect information regarding income received by all family members.
- Verify all income.
- Allow specific exclusions.
- Annualize all counted income.
- Annualize all allowable deductions.
- Apply annualized income after deductions to the appropriate income limit. See §6.3 (Income Limits).
- Calculate the family copayment if eligible.

The Minnesota Child Care Assistance Program Application (DHS-3550) asks the applicant to list all income received by all family members. This includes earned income, self-employment income and unearned income. It also requests information on non-reimbursed expenses.

Applicants may also use the Combined Application Form (CAF) (DHS-5223) along with the Combined Application – Child Care Addendum (DHS-5223D) if they are applying for cash assistance, food support, and/or health care programs as well. The CAF requests the same income information as the CCAP Application.

Additional information is included in the following sub-sections:

INCOME LIMITS

Use annual gross income after allowable deductions to determine eligibility for child care assistance. Use the same income to determine copayment amount for eligible families. See §6.21 (Family Copayment) for current income limits and copayment amounts.

APPLICANTS

Compare an MFIP family’s income to 67% of the State Median Income (SMI). If income exceeds 67% of the SMI the family is not eligible for child care assistance.

For all other applicant families, compare income to 47% of SMI. Also see §6.21 (Family Copayment).

TRANSITION YEAR CHILD CARE ASSISTANCE

If there is no break between receiving MFIP child care assistance and Transition Year (TY) child care assistance, compare a TY family’s income to 67% of SMI.

If there is a break in eligibility between MFIP and TY child care assistance, compare a TY family’s income to 47% of SMI. If annual income exceeds 47% of SMI the family is not eligible for child care assistance.

If the family did not receive MFIP child care assistance and applied during their transition year, and their annual income exceeds 47% of SMI, the family is not eligible for child care assistance.

PARTICIPANT

Once determined eligible, compare a participant’s income to the exit level of 67% of SMI. When annual income exceeds 67% of SMI, the family is then ineligible.

LEGAL AUTHORITY:

Minnesota Statutes 119B.011 Subd. 15
Minnesota Rules 3400.0170
Earned income is a payment a family member had to expend individual effort or labor to receive. Examples are:

- Wages/salaries.
- Paid vacation or sick leave.
- Uniform, mileage and meal allowances if federal income tax is deducted from the allowance.
- Fair market value of housing if housing is provided as part of total work compensation.
- Tips/gratuities.
- Self-employment income.
- Commissions.
- Incentive payments from work or training programs.
- Jury duty pay.

Gross earned income is income from employment prior to any payroll deductions.

Unearned income is a payment a family member did not have to expend individual effort or labor to receive. Expenditures necessary to secure payment of unearned income are deducted from the unearned income. Examples of unearned income are:

- Cash portion of MFIP.
- Work Benefit (WB).
- DWP.
- Relative Custody Assistance.
- Interest or dividends.
EARNED/UNEARNED INCOME

- Unemployment Compensation.
- Disability insurance payments.
- Insurance payments or settlements.
- Veteran benefits.
- Pension payments.
- Child or spousal support, medical or child care support which is not assigned to the state.
- Retirement, Survivors, Disability Insurance (RSDI).
- Severance payments.
- Lump sums such as insurance settlements, court settlements and child support arrears.

Exclude the following types of income:

- Supplemental Security Income (SSI).
- Earnings and payments to individuals participating in programs under title 1 of the Workforce Investment Act.
- Scholarships, work study, income and grants that cover costs or reimburse for tuition, fees, books and educational supplies.
- Student loans for tuition, fees, books and living expenses.
- State and Federal earned income tax credits.
- In-kind income such as Food Support (including the food portion of MFIP), Energy Assistance, foster Care, Medical Assistance, and housing subsidies.
- Grants from the Family Subsidy Program.
- Non-reoccurring lump sum income to the extent that it is earmarked and used for the purpose for which it is intended.
- Earned income for full time or part time students up to the age of 19, who have not earned a high school diploma or GED high school equivalency diploma. This includes earnings from summer employment when the family is not actually attending school, as long as the student intends to return to school the following year.
- Child support and spousal maintenance, medical support and child care support which is assigned to the State.
- Assistance specially excluded income by other laws, including but not limited to Adoption Assistance and Americorps.
- Payments made by a source other than the family of part or all of the family’s child care expenses not payable under the CCAP if the funds are paid directly to the family’s child care provider on behalf of the family.

ANNUALIZING INCOME 6.15

Annualize income to determine eligibility for child care assistance. There may be several ways to calculate annual income. Use the method which provides the most accurate assessment of income available to the family. See §6.21 (Family Copayment) for current monthly copayment schedules and instructions.

You may:

- Use the income for the 12 months immediately preceding the date of application.
- Multiply an hourly wage by number of hours worked per week, then multiply by 52 weeks.
- Multiply a weekly wage by 52 weeks.
- Multiply a biweekly wage by 26 weeks.
- Multiply a semimonthly wage by 24.
- Multiply a monthly wage by 12.
- Multiply child support or spousal maintenance by 12 months, after checking records for current information and consistency of payments.
- Multiply RSDI by 12 months.
- For the calculation of the cash portion of MFIP multiply by 12. Also see §6.15.3 (Annualizing MFIP & Earned Income).
- Project annual income taking expected fluctuations into account. For example, if a Head Start teacher works 9 months each year, multiply the monthly Head Start salary by 9 to arrive at annual income. If the teacher obtains a summer job, the additional income should be reported as a change and annual income is redetermined.
- Add counted lump sum income to annual gross income, and calculate it forward for 12 months. See §6.15.15 (Annualizing Lump Sum Income).

If there is a change in income (for example, starting work or an increase in the average number of hours worked), begin a new 12-month annualization period.
LEGAL AUTHORITY:

   Minnesota Rules 3400.0170 Subp. 1 & 4
   Minnesota Statutes 119B.011 Subd. 15
ANNUALIZING MFIP & EARNED INCOME

The financial worker determines MFIP eligibility and grant amount prospectively for the 1st 2 months of participation, and retrospectively thereafter. This means that when an MFIP participant begins working, the earned income is not budgeted against the MFIP grant until 2 months later. For example, an MFIP participant who begins working in September sees a grant reduction in November based on September earnings.

To annualize income in this situation:

1. Establish the 12-month period.

2. Verify earned income.

3. Annualize earned income.

4. Verify the amount of current and projected cash grants with the financial worker.

5. Add the cash portion of the MFIP grant actually received in the 1st and 2nd months in the 12-month period.

6. Multiply the projected month’s cash portion of the MFIP grant by 10 for the remainder of the 12-month period.

7. Annualize any other countable income.

8. Add the amounts from 3, 5, 6 and 7 to arrive at total annual income.

The child care worker will need to multiply the MFIP grant received during the 1st month of the annualization period by 1 month, the 2nd month of the annualization period by 1 month, and the projected grant by 10 months to arrive at the annual MFIP cash income.

Example:

<table>
<thead>
<tr>
<th>Income</th>
<th>August</th>
<th>September</th>
<th>October</th>
<th>November</th>
</tr>
</thead>
<tbody>
<tr>
<td>Earned Income</td>
<td>0</td>
<td>$500</td>
<td>$500</td>
<td>$500</td>
</tr>
<tr>
<td>MFIP Cash Portion</td>
<td>$437</td>
<td>$437</td>
<td>$437</td>
<td>$350</td>
</tr>
</tbody>
</table>

The annualization period will begin in September when the earned income is received allowing for the 15 notice period.

Annualize earned income by multiplying the $500 monthly income by 12 ($6000).
Add September and October’s MFIP cash portion of $437 ($874) to the projected November through August MFIP cash portion of $3500 ($350x10).

For Example:
$6,000
+ 874
+3,500
$10,374

To annualize self-employment income and determine income eligibility, do the following:

1. Determine Gross Self Employment Receipts
2. Determine the Allowable Business Expenses.
4. The difference is the CCAP Gross Earned Income from Self Employment.

**NOTE:** You must annualize self-employment income **BEFORE** you determine the number of hours to authorize. For information on determining the number of hours to authorize, see §9.15.1 (Authorized Hours – Self-Employment).

Allow business expenses that are allowed by the Internal Revenue Service (IRS), unless specifically prohibited. The following expenses are **NOT** allowed:

- Purchases of capital assets.
- Payments on the principal of loans for capital assets.
- Depreciation.
- Amortization.
- The cost of building an inventory, until the time of the sale.
- Transportation costs exceeding the amount allowed by the IRS for use of a personal car (currently $ .585/mile).
- Transportation between home and the place of employment.
- Wages and salaries and other employment deductions paid to members of the family for whom the employer is legally responsible provided family income is only counted once.
- Monthly expenses for each roomer greater than the flat rate deduction listed in the Combined Manual issued by the Department of Human Services.
- Monthly expenses for each boarder greater than the flat rate deduction listed in the
Combined Manual issued by the Department of Human Services.

- Monthly expenses for each roomer-boarder greater than the flat rate deduction listed in the Combined Manual issued by the Department of Human Services.

- Annual expenses greater than 2% of the estimated market value on a county tax assessment form as a deduction for upkeep and repair against rental income.

- Federal, state and local income taxes.

- The employer’s own share of FICA.

- Contributions to the employer’s own retirement plan.

Receipts are budgeted in the month received. See §7.9 (Income Verification).

Expenses are budgeted against receipts in the month paid except:

- Purchase of inventory must be deducted at the time payment is received for the sale.

- Expenses paid at least annually, but less often than monthly must be prorated forward over the period in which they are intended to cover (cannot exceed 12 months). Examples of this would be unemployment taxes or insurances.

If the person does not work for an hourly wage, divide the CCAP gross earned income by the applicable minimum wage to determine if the person has met the average of at least 20 hours of work per week at applicable minimum wage. See §6.16 (Applicable Minimum Wage).

The federal minimum wage applies unless the applicant or participant can supply information to show that they are not subject to this standard. If a self-employed person believes that they should not be subject to the federal minimum wage, the county should work with the applicant or client to identify the correct applicable amount. If a self-employed person believes that they should not be subject to the federal minimum wage but verification is not available, accept a statement from the person that states that they are not subject to that amount. See §6.16 (Applicable Minimum Wage).

For information on annualization of income, see §6.15 (Annualizing Income).

Treat income from the rental property as earned income when the owner spends an average of at least 20 hours or more a week on maintaining or managing the rental property. Treat the income as unearned when the owner spends an average of less than 20 hours a week on maintaining the rental property.

Deduct the following expenses from gross rental receipts:

- Real estate taxes.
- Insurance.
- Utilities.
- Interest on principal payments.
- Annual expenses greater than 2% of the estimated market value on the county tax assessment form for upkeep and repairs.

Divide the expenses by the number of family members to determine the expense per unit when the family lives on the rental property. Do not deduct expenses for units not occupied by family members.

ANNUALIZING FARM INCOME  6.15.12

Farm income is gross receipts less operating expenses EXCEPT those listed in §6.15.6 (Annualizing Self-Employment Income).

Gross receipts from farming include:

- Sales.
- Rents.
- Subsidies.
- Soil conservation payments.
- Production derived from livestock.
- Income from the sale of home-produced foods.

Farm income MUST be determined for a 1-year period. For information on annualization of income, see §6.15 (Annualizing Income).

See §6.12 (Excluded Income) for information on excluded lump sum income.

Examples of lump sums can include child support arrears, an inheritance, an insurance payment, gambling winnings, etc.

Families are required to report receipt of lump sums timely (within 10 days of receipt). Once you are aware of the lump sum, divide the total amount by 12 months or 26 2-week periods and apply an equal amount throughout the entire year. Determine the new copay amount.

If there is another change in the family’s income during the year you count the remaining months/weeks of the lump sum. Include the remaining amount in the new annualization.

Count the annualized lump sum effective the date of receipt. Continue counting it for 12 months or 26 2-week periods from the date of receipt.

If lump sum income is received prior to CCAP participation the lump sum is NOT included in the CCAP household income. However, if a CCAP participant receives a lump sum income and chooses to close the case and reapply at a later date, the lump sum income is calculated from the date of receipt for what would have been the annualization period. If any amount is left within the annualization period, include it in the income when the applicant reapplyes.

When a lump sum income IS reported timely, resulting in an increased copayment, send an adverse action notice with an effective date beginning the next payment period following the 15-day notice requirement.

When lump sum income is NOT reported timely, cite an overpayment for child care assistance paid in excess of what should have been paid had the payment been reported timely. The overpayment would include the time period between the date of receipt of the lump sum and the end of the 15 day adverse action notice.

If the lump sum calculation results in an adverse action, send an adverse action notice, see §12.3.9 (Adverse Action Notices – Family).

NOTE: The Child Care Assistance program does NOT have an asset test. The liquidation of an asset does NOT count as lump sum income when determining a household’s income. However, during CCAP participation, any interest/dividend received as a result of investments must be included in the household’s income. See §6.6 (Earned/Unearned Income).

There are both state-minimum-wage laws and federal minimum wage laws. www.dli.mn.gov/LS/FedMinWage.asp in cases where an employee is subject to both the state and federal minimum wage laws, the employee is entitled to the higher of the two minimum wages.

The federal minimum wage should be applied to contracted, salaries, or self-employed applicants or participants unless the person can supply information to show that they are not subject to this standard. The county should work with the applicant or participant to identify the correct applicable amount if the person believes that they should not be subject to the Federal minimum wage but verification is not available. The above link provides the contact information for the MN Department of Labor and Industry.

If a worker receives an hourly wage from their employer, assume that the applicable minimum wage is being paid by the employer.

After determining annual gross income, annualize allowable deductions as well.

Allow the following verified deductions from annual gross income:

- Child support paid to or on behalf of someone living outside of the household.
- Spousal support paid to or on behalf of someone living outside of the household.
- Medical, dental and vision insurance premiums for family members, paid by family members.
- If the participant is on Medical Assistance, any portion of the insurance premium that the participant is not reimbursed for.
- Expenditures necessary to secure payment of unearned income, (for example, lawyers’ fees for an insurance settlement can be deducted from the unearned income).

Do NOT allow the following deductions:

- Pre-tax income accounts for anticipated medical expenses.
- Insurance premiums for other than medical, dental or vision insurance.
- Flexible work benefits received from an employer if the employee has the option of receiving the benefit or benefits in cash.

If medical support payments are received from the non-custodial parent (NCP), these amounts are considered income and are added to gross annual income. Client must then provide verification of medical insurance premiums to have any amount deducted.

Require verification of the amount and type of expense. The following are examples of acceptable verification:

- Payroll deductions as indicated on the check stub. Request consecutive check stubs to verify that the deduction is ongoing. You may already have this as verification of income.
- Copy of invoice and receipt of payment from an insurance company. You may also use a cancelled check and receipt, or cancelled check and invoice.
INCOME DEDUCTIONS

documentation provided must verify the amount and type of expense covered.

- Copy of check for premiums paid to MinnesotaCare.

Deduct annual allowable deductions from annual gross income. Also see §6.15 (Annualizing Income).

Child care assistance families are required to pay the family copayment fee. When a family fails to pay the required family copayment fee, the family is ineligible for child care assistance until:

- The fees are paid.
- OR
- The family reaches an agreement for payment with the provider and the county.
- AND
- The family continues to comply with the payment agreement.

The copayment amount is based on family size and annual income after allowable deductions. It is the provider’s obligation to collect or waive copayments.

Some providers apply the amount paid by the family to the oldest fees or to the amount that is more than the county maximum rate. In these cases, the provider considers the copayment not to have been paid and may indicate this on the billing voucher. Consider the family to have met their requirement if the family is able to document that an amount has been paid that is equal to or greater than their copayment.

If someone outside the family pays the copayment on behalf of the family, or the provider waives the copayment, the provider must keep a record of these transactions. Do not consider this as income for the family. Consider the family’s copayment requirement to have been met.

Copayments are graduated to provide movement of families to full payment of child care costs as their income increases.

During the 1st bi-weekly period of eligibility, prorate the copayment based on the number of calendar days left in the biweekly copayment period.

When family income increases, or the family receives a lump sum resulting in an increased copayment, provide a 15-day notice of adverse action to the family and provider. Make the increased copayment effective with the biweekly copayment period after the 15 day notice period.

The Child Care Assistance Program requires verification of certain information. Families have the primary responsibility to verify information.

Any form of verification is acceptable if it confirms the client’s statement. Do not demand a specific document or form of verification if another is more readily available. Sources of verification include:

- Written records or documents.
- Written or oral statements from people outside the family.
- Safe At Home Identification Card for participants in the Safe At Home (SAH) Program. For more information on the Safe At Home Program, see §7.21 (Verification – Safe At Home Program).

Providing proof is the responsibility of the client. However, you must help clients who have trouble getting proof. Clients must either provide necessary proof or give their written consent for you to get the information.

With the exception of income verification, when proof is not available despite the efforts of you and the client, get a signed statement from the client attesting to the correctness of the information.

If a family refuses to help or deliberately fails to cooperate to verify an eligibility factor, deny or terminate child care assistance. If the unverified eligibility factor affects only a family member (such as a child’s immigration status), deny or end the member’s eligibility. If the unverified factor affects the entire unit (such as income), deny or close the case.

See the following sections for more information:

Verify the following at ALL initial child care applications using the Minnesota Child Care Assistance Program Application **DHS-3550-ENG** form:

- Identity of all members of the household

- Presence of the minor child in the home, if questionable.

- Relationship of minor child(ren) to the parent, stepparent, legal guardian, eligible relative caretaker, or the spouse of any of the foregoing.

- Age of the child(ren) in the family

- Age of the applicant and whether he or she is under age 21.

- Citizenship and immigration status of all children for whom child care assistance is being sought. A child who is participating in the child care in a setting subject to public education standards, such as Head Start or a pre-kindergarten or school age program operated under public educational standards, is exempt from this requirement. See §7.12 (Verifying Citizenship and Immigration Status).

- Social security number, if given. The county MUST request social security numbers from all applicants for child care assistance. A county must NOT deny child care assistance solely on the basis of failure of an applicant to provide a social security number. Before asking for the social security number, the county must give the applicant the Minnesota Department of Human Services Notice of Privacy Practices **DHS-3979-ENG** which explains whether the disclosure is mandatory or voluntary; under what authority the number is being requested; and how the number will be used:

- Income. See §7.9 (Income Verification).

- Spousal support and child support payments made to persons outside the household.

- Residence. A forwarding address sticker received at the administering agency from the US Postal Service cannot be considered verification of residence for CCAP. When mail is returned with a yellow sticker, verification should be coded ‘no’ on MEC² and a request for verification should be sent to the family, using the address on the yellow sticker. The family must verify their address. Communication with other workers in the agency is essential to assure that the family has not already provided verification of their new address to the agency. If a family has provided verification to your agency, they have met their obligation to verify their new address.

- Inconsistent information, if related to eligibility.
- Employment and/or education status of adult family members.

LEGAL AUTHORITY:
Minnesota Rules 3400.0040
Minnesota Statutes 119B.025
Verify the following at the time of eligibility redetermination:

- Income.
- Residence.
- Employment and Education/Training Status.
- Family Status and Family Size.
- Continued Cooperation with Child Support Enforcement and Assignment.

LEGAL AUTHORITY:
Minnesota Rules 3400.0040
Minnesota Statutes 119B.025, subd. 1
Verify all sources of income prior to approving or denying eligibility, or continuing to pay for child care assistance. Request documentary evidence from the applicant that proves when, what type and amount of income a family member receives.

If the applicant or recipient cannot provide an actual document, ask him or her to provide a release of information signed by the family member receiving the income allowing you to contact the source of the income directly. A client statement cannot be used to verify income.

**EARNED INCOME**

Ask first if the applicant or recipient has paycheck stubs that specifically identify number of hours worked, gross income based on those hours, payroll period covered, client and employer names. If the person with earned income has some but not all of the paycheck stubs for a particular period (for example, a month’s first, third and fourth stubs are available but not the second), look at the available stubs to see if there are year to date totals you can use to gather the necessary information for that second pay date.

If paycheck stubs are not available, or do not contain all the necessary information, ask the applicant or recipient to provide a letter from the employer on company letterhead with the necessary information.

Ask for books and tax statements, if available, providing gross receipts and expenses from self-employment income. If the family has combined self-employment monies with personal checking and savings, require the family to maintain the business apart from personal finances.

**SELF-EMPLOYMENT INCOME**

Documentation of self-employment income must meet the following criteria:

- Self-employment business income records must be kept separate from the family’s personal income records.

- At application, ask the parent to separate income records and resubmit according to CCAP requirements.

- When child care is authorized based on estimated income, inform the parent of possible overpayments if the estimated income used does not reflect the actual income earned.

- When the federal income tax return has been filed, which reflects the current self-employment activity, review the tax records and compare with the income amount
used for calculating child care eligibility in the corresponding tax year. If the current self-employment activity is not reflective of the previous year’s tax statement, adjustments must be made in the amount used for future authorizations.

- If a self-employed person believes that they should not be subject to the federal minimum wage, the county should work with the applicant or client to identify the correct applicable amount. If a self-employed person believes that they should not be subject to the federal minimum wage but verification is not available, accept a statement from the person that states that they are not subject to that amount and the reason why.

UNEARNED INCOME

Examples of acceptable documentation of unearned income include but are not limited to:

- Court documents providing child support and/or spousal maintenance amounts.

- Documentation from the Child Support and Collections office.

- Award letters from the Social Security Administration, the Veterans’ Administration, etc.

- Documentation from the MAXIS system or the financial worker.

- Bank statements indicating periodic payments of interest or similar income.

- Copies of checks for pensions, trust funds, annuities, unemployment compensation, etc.

- Cash settlements/awards/winnings may be verified through copies of the “letters of award” or court order or other applicable items.

- Financial aid award letters.

LEGAL AUTHORITY:
Minnesota Statutes 119B.025
Minnesota Rules 3400.0170 Subp. 1
People who report that they are not United States citizens may have several factors that require verification. Non-citizens will generally have 1 of 2 forms (I-551 or I-94) that indicate current immigration status and the date it was attained. See §7.15 (Verification - I-94 Cards), §7.18 (Verification - I-551 Cards).

Only citizenship and immigration status of the children for whom child care assistance is being sought is relevant for determining eligibility for child care assistance. When child care is provided in a setting subject to public educational standards, such as Head Start or a pre-kindergarten or a school-age care program operated under public educational standards, do NOT verify citizenship and immigration status.

You must verify the child’s immigration status if the child care is provided in a setting that is not subject to public educational standards. See §4.18.3 (Non-Citizens - Lawful Permanent Residents), §4.18.12 (Non-Citizens - Lawfully Residing People), §4.18.15 (Non-Immigrant and Undocumented People), §7.12.6 (Verifying Lawful Permanent Residence), §7.12.6.3 (Lawful Permanent Resident: USCIS Class Codes).

NOTE: An expired immigration document is NOT acceptable verification of current status. Do not assume that an expired document is an indication that the immigration status has changed or that the person should be considered undocumented. Verification of current immigration status for the children for whom child care assistance is sought is mandatory when child care is not provided in a setting subject to public educational standards and eligibility does not exist until it is received. Obtain a signed release of information to contact U.S. Citizenship and Immigration Services (USCIS) to verify the child’s immigration status.

Deny a family’s application for child care assistance or terminate a family’s child care assistance when:

- The setting where child care will be or is being provided is not subject to public educational standards (such as a Head Start or a pre-kindergarten or a school-age care program operated under public education standards).
  
  AND

- The county cannot verify that the child(ren) for whom assistance is being sought or paid meets immigration status requirements for child care assistance.

Refer to the Guide to Non-citizen Eligibility for Cash and Food Support (DHS-4864-ENG) for further guidance on identifying immigration documents and determining immigration status.
LEGAL AUTHORITY:

Minnesota Statutes 119B.025, subd. 1
For eligibility purposes, see §4.15.15 (Non-Citizens - Lawfully Residing People).

The following documents indicate an immigrant is a Lawful Temporary Resident (LTR):

- An unexpired Temporary Resident Card - form I-688.

- An unexpired Employment Authorization Card - form I-688A. This card is issued to people applying for temporary resident status.

- Receipt for application for temporary resident status - form I-689.

- Correspondence from U.S. Citizenship and Immigration Services (USCIS) documenting that the person is an LTR. USCIS documentation does not necessarily use the term "Lawful Temporary Resident" (LTR).

  - A non-citizen entering as a Special Agricultural Worker (SAW) under section 210 of the Immigration and Nationality Act is an LTR. The class code will be S16 or S26.

  - A non-citizen entering under the legalization program under section 245(a) of the Immigration and Nationality Act is an LTR.

LEGAL AUTHORITY:
Minnesota Rules 3400.0040, subp. 3
Minnesota Statutes 119B.025, subd. 1
The following documents indicate a non-citizen is a Lawful Permanent Resident (LPR):

- I-94 cards or a foreign passport endorsed with "Processed for I-551 as Temporary Evidence of Admission for Lawful Permanent Residency" or the term "Resident Alien". The LPR will only have an I-94 card until U.S. Citizenship and Immigration Services (USCIS) processes the I-551 card (4-6 months after application).

- An unexpired Permanent Resident Card (formerly known as a "green card") form I-551.

- An unexpired Re-Entry Permit - form I-327.

Inform immigrants without documentation, who say they are not undocumented, that they must provide USCIS documentation for the children for whom they seek child care assistance. Failure to provide verification for a child for whom child care assistance is sought results in ineligibility for that non-citizen child only.

Children who are LPRs, under age 18 automatically acquire naturalization through their parents by meeting 1 of the following categories:

- Both parents become naturalized.

- The naturalization of the surviving parent, if 1 of the parents is dead.

- The naturalization of the parent having legal custody of the child, when there has been a legal separation of the parents.

- The naturalization of the mother, if the child was born out of wedlock and the paternity of the child has not been established by adjudication.

Children deriving citizenship automatically through their parents do not necessarily have documents verifying their status. Do not require verification of naturalization for the children if you have the parent's documents.

Identify LPRs whose sole entrance reason is because someone petitioned for their entry into the United States. The name of the sponsor will not be on the immigrant's I-94, or temporary or permanent I-551. However, most codes on the card beginning with an I, C, or P indicate
Verify the status of LPRs who were originally admitted as refugees or asylees. The I-551 card will show the following codes denoting their status before the adjustment: AS6, 7, 8; IC6, 7; RE6, 7, 8 or RE86; Y1-16 and Y64. See §7.12.6.3 (Lawful Permanent Resident - USCIS Class Codes) for more information. The I-551 card will have the date of admission to the United States.

Verify tribal membership for non-citizen American Indians who declare tribal membership in a tribe whose members are eligible for programs provided by the United States. This includes those who were born in Canada or Mexico and are entitled to freely cross the United States borders into Canada or Mexico. Use a tribal membership card that shows membership in a specific tribe. If no card is available, contact the specific tribal offices to verify the membership. If it is uncertain that a specific tribe is eligible for programs provided by the United States, contact either the tribal office or the United States Bureau of Indian Affairs (BIA) for verification. Obtain a signed authorization from the client before making the contact.

Verify the birth of American Indians born in Canada. They should have an unexpired I-551 with code S-13, an unexpired I-551 stamp in a Canadian passport or an I-94 with code S-13, or a letter or tribal document certifying 50% Indian blood along with a birth certificate or other satisfactory evidence of birth in Canada.

Verify tribal membership, date of birth, and relationship of an individual, spouse, unremarried surviving spouse (must not be divorced from the individual), or a minor child of a Hmong or Highland Laotian tribe member who is lawfully residing in the United States and was a member of that tribe at the time the tribe rendered assistance to United States personnel by taking part in a military or rescue operation during the Vietnam war era (8-5-64 through 5-7-75). Acceptable documentation may consist of unexpired I-551 or other USCIS documentation. The USCIS documentation will be coded as 1 of the following: RE1, RE2, RE3, RE6, RE7, RE8, RE86, IC6, or IC7. A Refugee Data Center (RDC) list contains information on eligible Hmong and Highland Laotian refugees who entered the United States after 1979. Exclusion from the list is not reason for denial. If you are unable to verify, have client sign an affidavit. An applicant is ineligible as a tribal member if his/her birth date is AFTER 5-7-75, unless he/she is a spouse, unremarried spouse, or minor child of an eligible tribal member.

The U.S. Citizenship and Immigration Services (USCIS) class code may be stamped on an I-551, a passport, or any other correspondence USCIS gives an immigrant. The class codes listed below are those given to immigrants applying for Lawful Permanent Resident (LPR) status.

The alphabetical letter(s) in the class codes represent the latest revision of the various classes while the numerical figure reflects the order and relationship within the class. Therefore agencies should not be concerned if the numerical figure is not listed. Listed below is the most current class code.

The section numbers are the sections of the immigration law which authorize the immigrant's entrance into the United States. Refer to the sections listed in §4.15 (Citizenship and Immigration Status) to determine if an immigrant entering under a particular section of law is eligible for child care assistance. This list is **NOT** all-inclusive.

LEGAL AUTHORITY:
Minnesota Rules 3400.0040, subp. 3
Minnesota Statutes 119B.025, subd. 1
For eligibility purposes, see §4.15.18 (Non-Immigrant and Undocumented People).

Undocumented people are non-citizens who do not have legal documentation authorizing their entry into the United States. Do not assume a non-citizen is here without U.S. Citizenship and Immigration Services (USCIS) authorization just because the person does not have documentation.

Non-Immigrants are visitors, tourists, some temporary or agricultural workers, diplomats, and students. Forms of verification for non-immigrants are:

- Student visa.
- An I-94 card not labeled "Temporary I-551" and whose class code indicates a non-Immigrant. The class codes begin with letters (A) through (R). See §7.12.9.3 (Non-Immigrant People - USCIS Class Codes).
- Form I-185: Canadian Border Crossing Card. However, if the person is a Canadian Indian, the non-citizen is an Lawful Permanent Resident (LPR), not a non-immigrant. See §7.12.6 (Verifying Lawful Permanent Residence).
- Form SW-434: Mexican Border Visitor Permit.
- Form I-95A: Crewman's Landing Permit.
- Form I-688B or I-766: Employment Authorization Document (EAD). These are the usual documents issued to non-citizens granted permission to work in the United States. Check the Code of Federal Regulations (CFR) citation stamped or printed on the form to determine the person's immigration status.

If a child is not receiving child care in a setting subject to public educational standards and the county cannot verify that the child for whom child care is being sought has an immigration status that makes the child eligible for child care assistance, deny child care assistance for that child. See § 4.18.15 (Non-Immigrant and Undocumented People).

LEGAL AUTHORITY:
Minnesota Rules 3400.0040, subp. 3
Minnesota Statutes 119B.025, subd. 1
The following codes indicate non-immigrant status. The codes may be printed on the I-94, passport, visa, or other U.S. Citizenship and Immigration Services (USCIS) correspondence. The codes begin with (A) through (R) and are followed by a dash and single digit number. To determine whether a non-immigrant is eligible for assistance, refer to §4.15.18 (Non-Immigrant and Undocumented People).

A-# Foreign government officials on business and their families.
B-# Visitor for business or pleasure - not accepting employment.
C-# Non-citizens in travel status while traveling through the U.S.A.

The U.S. Citizenship and Immigration Services (USCIS) issues "Form I-94 (Arrival-Departure Record)" or "Form I-94 (Arrival-Departure Record) (Parole Edition)" to the following people when they enter the United States:

- **PAROLEES**: Parolees are people who normally would not be admitted to enter the United States, but are allowed to enter temporarily for humanitarian, medical, and legal reasons. Parolees are not on a predetermined path to permanent resident status.

- **REFUGEES**: Refugees are people who have permission to enter and live in the United States because they have a well-founded fear of persecution in their home country. They will have an I-94 card stamped "Admitted as a Refugee pursuant to section 207 of the Act." The I-688B or I-766 will be coded 274a.12(a)(3).

- **PAROLED AS REFUGEES**: People who fear persecution are "paroled" into the United States as refugees when the number of refugees allowed to enter has been exceeded. These parolees are given an I-94 with "paroled as a refugee" or "207" stamped on it.

- **ASYLEES**: People already in the United States who satisfy the requirements for refugee status because they fear persecution in their home country can apply for asylum or withholding of deportation. These people do not have refugee status because there is not a well-founded fear of persecution in their home country. People granted asylum may have an I-94 stamped "Asylum status granted pursuant to section 208 of the INA valid to (date)". An asylee may have a written decision from the USCIS or immigration judge in addition to an I-94, I-688B, or I-766. Asylees with an I-688B or I-766 Employment Authorization Document (EAD) will be coded as 274a.12(a)(5).

- **NON-IMMIGRANT PEOPLE**: Non-immigrants are non-citizens admitted to the United States temporarily for specific purposes and periods of time. USCIS does NOT issue I-94 cards to all non-immigrants. For example, tourists and students might not receive I-94 cards.

- **PEOPLE APPLYING FOR IMMIGRANT STATUS**: USCIS does NOT issue I-94 cards to all people applying for immigrant status. Some people are issued a temporary I-551 card.
If USCIS issues the "Parole Edition" of the I-94, the section of the Immigration and Nationality Act (INA) the person enters under is printed on the front of the card. For all other I-94s, the class code stamped on the front of the card indicates what the person's entrance reason is. Use the class code on an adult’s card only if necessary to help determine the immigration status of the child for whom child care assistance is sought. See §7.12.6.3 (Lawful Permanent Resident - USCIS Class Codes), §7.12.9.3 (Non-Immigrant People - USCIS Class Codes).

LEGAL AUTHORITY:
   Minnesota Rules 3400.0040, subp. 3
   Minnesota Statutes 119B.025, subd. 1
An I-551 card is issued to immigrants admitted to the United States for Lawful Permanent Residence (LPR). When a non-citizen marries a United States citizen, the I-551 will have a 2-year expiration date. Consider these people to have permanent residency status during the 2 years. The U.S. Citizenship and Immigration Services (USCIS) may give the person permanent residence status at the end of the 2-year period if the non-citizen is still married to the citizen.

The I-551 replaces a person's I-94 card or the endorsement “Processed for I-551 as Temporary Evidence of Admission for Lawful Permanent Residency” on a foreign passport.

The class code stamped on the front of the I-551 card indicates the immigrant's entrance reason. Use the class code on an adult’s care only if necessary to help determine the immigration status of the child for whom child care assistance is sought. See §7.12.6.3 (Lawful Permanent Residents - USCIS Class Codes), §4.18 (Citizenship and Immigration Status).

- Minnesota Statutes 119B.025, subd. 1
Participants in the Safe At Home (SAH) Program must provide the county with a Safe At Home Identification Card that verifies that they are participating in the program. Participants use the Safe At Home P.O Box along with a unique Lot number assigned to them by the Secretary of State’s office as their actual address of their residence and employment.

Safe At Home participants only need to tell the county agency the county where they actually live as verification.

Because there may be a delay in the mail forwarding process, public assistance program notices may not be received by the participants when anticipated and the ability of the participant to respond timely will be affected. County workers will need to make exceptions in these situations.

For more information about the Safe At Home Program, call 651-201-1399 or 1-866-723-3035 or TTY 1-800-627-3529 or 711.

LEGAL AUTHORITY:

Minnesota Statutes 5B
You may become aware of changes through various sources:

- Family reporting. See §8.3 (Reporting Requirements) for family reporting responsibilities, timeliness, and methods.

- Information reported by other people or agencies.

- Upcoming or potential changes the agency has been tracking through MEC² or other tracking methods.

When you become aware that a change in circumstances has occurred or will occur, follow these steps:

1. Determine if you need more information.

2. Determine if the change affects eligibility. See §5 (CCAP Family Composition), §6 (Income Eligibility).

3. Determine if the change affects the family’s copayment amount. See §6.21 (Family Copayment).

4. Determine if the change affects the payment amount. See §9 (Payments).

County agencies must take prompt action on changes reported regardless of the method used by the family to report the change, and must determine or redetermine eligibility without requiring verification of any eligibility factor that did not change. See §4 (Eligibility Requirements).

When a change resulted in families moving from 1 child care sub-program to another, do not require a new application. See §3 (Applications).

If you become aware of a future change which may affect eligibility, track the expected change. Request that the family provide documentation of the change.

Notify families of the effect of changes. See §7 (Verification), §12 (Notices).

When you become aware of a change, you may need to ask the family for more information or verification before you can determine if the change affects the case.
CHANGES IN CIRCUMSTANCES

- For changes which families report on a CCAP Change Report Form (DHS-4794), follow Change Report Form processing requirements. See §8.3.3 (Agency Responsibilities for Family Reporting).

- For changes reported or discovered by a method other than on a Change Report Form for which you need more information or verification, give clients at least 10 days to provide the information or verification. See §8.3 (Reporting Requirements), §7 (Verification).

LEGAL AUTHORITY:
Minnesota Statutes 119B
Minnesota Rules 3400
Families must report the following changes within 10 calendar days after they occurred:

- Income.

  NOTE: A change in income occurs on the day the participant receives the first payment reflecting the change in income.

- Residence.

  NOTE: Includes the county the family lived in (in non-excluded time status) immediately before entering an excluded time facility. See §8.12 (Moving Between Counties) for further information.

- Employment status.

- Education or training status.

- Family status.

- Family size.

  Families must report changes in provider to the county and the provider at least 15 days prior to the change.

  NOTE:

  - A 15-day notice period is not required, when:
    - A MN licensed provider’s license has been temporarily, immediately suspended OR
    - There is imminent risk of harm to the health, safety, or rights of a child in the care of a legal nonlicensed provider, license exempt center, or a provider licensed by an entity other than the State of Minnesota.

Failure to meet this requirement may result in overpayments.

Changes may be reported:

- In person.

- By telephone.
• By facsimile.

• By mail, including electronic mail.

Minnesota Statutes 245A.07.
Minnesota Rules 3400.0040 Subp. 4
Give the Child Care Assistance Program - Change Report Form (DHS-4794) to eligible families. Use of this form is optional.

- At application and redetermination, so they have it readily available.
- When the family reports a change in a different way and more information or verification of change is needed.
- When the county sends notification to the family of the effect of a reported change, so the family has it to report their next change.

Assist families who need help to complete the report form.

Counties must take prompt action on all changes to determine if the change affects the household’s eligibility or family copayment amount without requiring verification of any eligibility factors that did not change.

If the reported change resulted in an adverse action to the family and/or the child care provider, the agency must send a 15 calendar day notice of adverse action to the family, and/or to child care provider. See §12 (Notices).

There is no overpayment if the family reported the change timely and the agency acted on the change timely.

**LEGAL AUTHORITY:**
- Minnesota Statutes 119B.025
- Minnesota Rules 3400.0040, subp. A and B
When a family has been receiving child care assistance and a change makes them ineligible, AND you believe the ineligibility to be temporary and do not know when the temporary ineligibility will end, reserve the family’s position in CCAP. Such situations include:

- Participants who quit or have been laid off from employment, and have not yet found new employment. Temporary ineligibility status for this reason cannot exceed 90 days.

- Students during breaks between sessions who do not have documentation verifying continued school registration. Temporary ineligibility status for this reason cannot exceed 1 academic quarter or semester as determined by the educational institution.

- Families whose increased income from active military service makes them ineligible. Continue temporary ineligibility status until the person is deactivated from military service.

In addition, your county may reserve a family’s position in CCAP if the family:

- Reaches the top of the Basic Sliding Fee (BSF) waiting list.
  AND
- Is temporarily ineligible.

Check your county’s child care fund plan to determine whether your county has chosen this option. Follow the time periods established above for those families you reserve a position for, if your county has chosen this option.

For the definition of suspended, see §2 (Glossary).

Suspend a case for a period of time up to 1 year when ALL of the following conditions exist:

- There is a temporary break during which child care is not needed.

- The family remains eligible for child care assistance.

Some suspension examples include:

- School age children not needing care during the school year.

- Cost of care is less than the family’s copayment for a temporary period of time.

- A student is on break between quarters or semesters including summer breaks, but is registered for the next quarter or semester.

- A participant is temporarily laid off from his/her job, but provides documentation that he/she is still considered an employee.

- The family has not identified a provider.

- A family whose only child receiving child care assistance has been placed in foster care and is expected to return to the home within 1 year.

MOVING BETWEEN COUNTIES

8.12

MOVING FROM YOUR COUNTY

A family that moves from your county to a new county must notify you within 10 days after the move. Your county remains responsible for child care funding for 2 full calendar months after the move. If the family moves on or after the 1st day of the month, the full calendar month period begins the 1st of the following month.

If after the initial reported move, the family moves again to a new county during the 2-month unitary residency period, the first county is also responsible for the 2nd 2 month residency period. See the MEC² user manual for further information.

If the family is on MFIP or DWP, your county remains financially responsible while still responsible for the employment services plan. Your county and the new county may transfer the responsibility earlier, if you are both in agreement.

See Inter Agency Case Transfer Form DHS-3195-ENG for a sample status transfer form. For transferring county information see the MEC² User Manual, Physical Transfer of a CCAP File in the Case Transfer procedures section.

MOVING TO YOUR COUNTY

A family that was receiving child care assistance in another county and moves to your county must apply in your county within 60 days of moving in order to qualify for continued funding.

Redetermine the family’s eligibility. The family must continue to meet all eligibility guidelines to remain eligible.

If the family was in the Basic Sliding Fee (BSF) program in the previous county, the family must let your county know of the move within 60 days of the move in order to receive Portability Pool funding. See §4.3.12.15 (BSF Portability Pool).

If the family was not receiving child care assistance but was on the BSF waiting list in the previous county, do not cover them with Portability Pool funding. Treat the family as a new applicant in your county.

When a transition year family moves to a new county their transition year continues for the remainder of their 12-month period.
EXCLUDED TIME FACILITIES

The financially responsible county for a person who lives in an excluded time facility or receives excluded time services, is the county in which he/she lived, in non-excluded time status, immediately before entering an excluded time facility. For example, a person lives in County A, directly enters a facility in County B, then transfers to a facility in County C. County A remains financially responsible. For the definition of EXCLUDED TIME FACILITY, see §2 (Glossary).

If a person enters an excluded time facility or begins to receive excluded time services during the 2-month transfer period, do not transfer responsibility until the person is in non-excluded time status for 2 full calendar months. Transfer responsibility on the 1st of the month after the 2nd full calendar month the person is in non-excluded time status.

If a person leaves an excluded time facility and remains in the facility's county, delay transfer of responsibility until the person lives in non-excluded time status for 2 full calendar months.

If a person who is not a Minnesota resident, moves to Minnesota and directly enters an excluded time facility, the county of financial responsibility is the county where he/she signed the Minnesota Child Care Assistance Program Application DHS-3550-ENG if:

- They have lived only in excluded time facilities in Minnesota.
  AND
- They left an excluded time facility to live in Minnesota.

Make payments to child care providers, unless the provider cares for children in the children's own home. Payment must be made directly to the family when care is provided in the child home. See §9.6 (Payments to Families) and §11.27 (In Home Child Care Information) for further information. CCAP prohibits child care assistance payments to be made to providers who reside in the same household or occupy the same residence as the child. This applies whether the provider is licensed or legal nonlicensed.

CCAP is unable to pay two providers for the same period of time.

Make payments in a way that allows the family to choose legal child care providers that best meet the needs of the family.

You must:

- Make payments at least monthly.

- Make payment no later than 30 days after receipt of the bill when the provider submits a bill for services within 10 days after the month of service.

- Give providers the forms necessary to bill for payment on or before the beginning of the billing cycle.

- Provide notice to both the family and provider of the payment amount, and how and when the payment will be made.

- Payments may be made after a licensed provider or legal nonlicensed (LNL) provider is authorized by the county, retroactive to the later of the date that, the family signed the application, see §4.12 (Date of Eligibility).

  OR

- The family began using the licensed provider or the legal nonlicensed provider. OR

- If a provider provided care for a time period before receiving an authorization of care and/or a billing form for an eligible family, payment of child care assistance may only be made retroactively for a maximum of six months.

Providers must submit bills within 60 days of the last date of service on the bill. You may pay a bill submitted more than 60 days from the last date of service (but less than 1 year) if the provider shows good cause for the delay. Good cause is defined in your Child Care Fund Plan, and it must include county error. Do NOT pay a bill submitted more than a year after the last date of service on the bill.

Do NOT require participants to pay providers in advance of receiving payment from the child care fund as a condition for receiving child care assistance.

Licensed family child care providers and their employees and legal nonlicensed child care providers and their employees are NOT eligible to receive child care subsidies for their own children or children.
in their family during the hours they are providing child care or being paid to provide child care. They are eligible to receive child care assistance subsidies for their children when they are engaged in other authorized activities, as long as the hours do not overlap with the hours they provide or are being paid for providing child care services. This includes the full 10 hours paid in a daily block when the child is in care for more than 5 hours.

You may stop payment issued to a provider or refuse to pay a bill submitted by the provider if:
- The provider admits to intentionally giving materially false information on the billing forms.
  OR
- Your agency finds by a preponderance of evidence that the provider intentionally gave materially false information on the billing forms.

Receipt of federal, state or local funds by a child care provider either directly or through a child care assistance recipient does NOT establish an employee-employer relationship between the provider and the county or state.

**PROVISIONAL PAYMENTS**

After a county receives a completed application from a legal nonlicensed (LNL) provider, the county may choose to issue provisional authorization and payments to the provider during the time needed to determine whether to give a final authorization to the provider. See §2 (Glossary) for the definition of provisional authorization and provisional payments. Check your county Child Care Fund Plan to see if your county has chosen this option.

If a provisionally authorized LNL provider does not receive final authorization by the county:
- Send notice to terminate provisional authorization and payment to the provider.
  AND
- Send a notice of adverse action to notify the family using the ineligible provider that they must choose a new provider to continue to receive child care assistance.

A provider failure to receive final authorization does not cause payments made during the provisional authorization to be overpayments.

PAYMENT TO PROVIDERS

Minnesota Statutes 119.125 Subd 5
Minnesota Rules 3400.0110 Subpart 2 and 2a
Minnesota Rules 3400.0120 Subpart 2
Minnesota Rules 3400.0140 Subpart 5a
Make payments directly to the family when a provider cares for children in the children’s own home. This applies whether the provider is licensed or legal nonlicensed (LNL).

CCAP prohibits child care assistance to be paid to a provider that resides in the same household or occupies the same residence as the child.

CCAP only allows child care assistance for care authorized in the child’s home if the child’s parents have authorized activities outside of the home and if one or more of the following circumstances are met:

1. The parents’ qualifying activity occurs during times when out-of-home care is not available. If the child care is needed during any period when out-of-home care is not available, in-home care can be approved for the entire time care is needed AND
2. The family lives in an area where out-of-home care is not available OR
3. A child has a verified illness or disability that would place the child or other children in an out-of-home facility at risk or creates a headship for the child and the family to take the child out of the home to a child care home or center.

See §11.27 for in home child care request instructions.

If the provider is licensed at an address where the child does not live, but the provider provides care for a child in the child’s home, the provider is providing LNL care for that child and, for that care, should be paid up to the maximum LNL rate when the parent meets the above listed criteria for authorized activities and is approved by DHS.

When your county pays the parent(s) and he/she fails to pay the provider the family is ineligible for child care assistance until:

• The payment is made. OR
• The family reaches an agreement for payment with the provider and the county. AND
• The family continues to comply with the payment agreement.

Do NOT require the family to pay providers in advance of receiving payment from the child care fund as a condition for receiving these payments.

Monitor these payments to ensure funds are used for child care, following your county’s established process.
The family is responsible for meeting any employer-related requirements when the care is provided in the child’s home.

A 1099 form is issued by DHS to the in-home provider at the end of the year.

Minnesota Statutes 119B.13, Subd. 5 and 6
Minnesota Rules 3400.0110, Subp. 1 and 7 Minnesota Rules 3400.0040, subp. 6a
The payment amount is the provider’s rate minus the family copayment not to exceed the identified county maximum rate. See DHS-6441A-ENG.

Base the payment rates on the county where child care is provided. Pay out-of-state providers based on the participant’s county of residence.

Do not exceed the county maximum rate or the rate the provider charges to private pay parents, whichever is lower. Do not place other limits on the payment amount. See Minnesota CCAP Copayment Schedules DHS-6413-ENG.

When the provider charge is greater than the maximum allowed, the parent must pay the difference in addition to any copayment fee.

When a family receives a post-secondary child care grant that is earmarked to cover the same child care expense’s that could be paid by the child care assistance program, the entire grant must be used before CCAP can make payments.

If the county receives notification from the IRS, Minnesota Department of Revenue, or other public authority or court requiring the county to reduce a payment or payments, send the appropriate notice to the provider. See §12.6.12 (Payment Deduction Required By Law Notices) to determine which notice to send.

**LEGAL NONLICENSED PROVIDER RATE**

Make payments for care of children by a legal nonlicensed provider at the lesser of 68% of the maximum payment rate for licensed family child care in the same category of care or their provider charge. Pay legal non-licensed family child care providers on an hourly basis only. See §9.24.3. (Child Care Rates)

**LICENSE EXEMPT PROGRAM RATE**

Make payments for care of children in license exempt programs (such as school based school-age programs, summer camps, etc.) at the same rate as licensed centers in the same age category.
SPECIAL NEEDS RATE
Payment rates for care of children with special needs may exceed your agency’s maximum rates. These rates are based on the provider’s actual charges for services beyond reasonable accommodation necessary to meet the child’s needs, and are included in your agency’s Child Care Fund Plan. Do not exceed the provider charge to private pay families receiving the same services. Providers are responsible for compliance with the Americans with Disabilities Act (ADA). When there are 4 or more rates for a specific special need, determine the 75th percentile to establish a special needs rate. You may have several different rates for special needs care, based on the individual special needs of the children being cared for.

CHILD CARE SUPPORT ORDER
A CCAP applicant or participant may have a Child Care Support Order that indicates that the noncustodial parent pay a percentage or a set amount of the child care expenses. If the noncustodial parent is making payments directly to the provider and the amount only covers the copayment or another part of the child care expenses that CCAP would not pay it would not affect the CCAP case. The provider would need to indicate on the billing form that the copay was paid or that there was a payment agreement. If the noncustodial parent is making the payment directly to the provider and the amount covers part of the child care expenses that CCAP would pay the provider should be directed not to bill CCAP for that part of the child care expense. In both of these situations the provider must keep records of the payments received and the payment sources. If the noncustodial parent is making the payment to the custodial parent the payment would be considered income to the custodial parent.
CO – PAYMENTS

Child care providers are responsible for collecting family copayment fees and must inform your agency if the copayment was or was not received. Most billing statements provide a declaration of receipt of the family’s copayment. Your agency may stop payment, or refuse to pay a submitted bill if the provider falsely declares receipt of the family’s copayment. When a family is unable to pay their copayment, a payment arrangement can be established between the provider and the parent. If the family receives partial or full reimbursement for child care expenses from sources other than child care assistance funds, reduce the amount of the child care assistance by the amount or reimbursement earmarked for the same child care expenses. For example some sources of financial aid for students specify an amount to cover child care expenses.

RATE DIFFERENTIAL FOR ACCREDITATION

A provider or center holding a current early childhood development credential or accreditation may submit a request for payment of an additional 15% differential rate above the maximum rate, up to the actual provider charge. Pay the differential rate to both licensed and legal nonlicensed providers. See §9.24.3 (Child Care Rates)

LEGAL AUTHORITY:
Minnesota Statutes 119B.13 and 119B.231
Minnesota Rules 3400.0130
Do not authorize more than 120 hours per child every 2 weeks.

Authorize only the time necessary to complete the credit requirements for an associate or baccalaureate degree as determined by the educational institution. Require the student to provide documentation from the school on the credit requirements for the approved program.

A student must be in good standing and making satisfactory progress toward completion of the program. Require the student to provide documentation from the school.

Full Time***
Enrollment in a minimum of 12 credits, or credits equivalent to full-time students.
OR
Participation in 20 hours of classroom training per week.

Part Time***
MFIP student who is less than a full-time student but is in compliance with the education or training requirements of the EP.
OR
A non MFIP student who is less than a full-time student but is in compliance with the education or training requirements of the county’s education plan.

Child Care Assistance Allowed:
1. On a full-day basis for the days of class and on non-class days, if needed for study, as determined by your agency. *
OR
2. Child care on a weekly basis.
OR
3. Child care calculated according to standards identified for part-time students.

** Do not allow less than the standard calculated for part-time students and do not exceed 120 hours per child per 2 weeks.

***Because schools have differing definitions of full-time and part-time students, rely on the terminology of the specific school for the determination. If you have questions about a student’s status, contact the school or ask the student to do so for more information.
OTHER CIRCUMSTANCES WHEN DETERMINING AUTHORIZED CARE:

- Students in basic or remedial education needed to prepare for post-secondary education or employment. Authorize child care assistance for remedial classes as needed for the student to attend class and complete class assignments.

- MFIP or DWP students whose Employment Plan (EP) specifies a different time frame.

- Basic Sliding Fee (BSF) students whose Education Plan has been approved by the county.

Authorize child care assistance for a student with a baccalaureate degree for continuing education units or certification or coursework necessary to update credentials to obtain or retain employment.

LEGAL AUTHORITY:

Minnesota Statutes 119B.07
Minnesota Rules 3400.0040 Subp. 10 thru 15
Authorize no more than 120 hours per child every 2 weeks.

**EMPLOYMENT**
Child care assistance during employment should be authorized for the number of hours scheduled to be worked, including break and meal time during the employment, and up to two hours per day for travel time. If a MFIP/DWP family has an approved employment service plan with an employment activity, authorize the hours approved in the plan.

**CHILD CARE IN SUPPORT OF EMPLOYMENT**
If a MFIP/DWP family has an approved employment service plan, authorize the hours approved in the plan.

**STUDENTS AND EMPLOYMENT**
Students are not required to work. If a full-time student chooses to work and requests child care during their employment time, they are required to average 10 hours per week of employment. If a part-time student chooses to work and requests child care during their employment time, they are required to average 20 hours per week of employment. If a MFIP/DWP family has an approved employment plan with education and employment, authorize the hours approved in the plan.

Authorize child care assistance in support of employment for non-work hours if necessary if the following conditions are met:

- The child care in support of employment or in combination with the employment activity. Does not exceed the amount of child care that would normally be granted for child care during employment.

- The family must meet all eligibility requirements and be participating in an authorized activity.

- The employed person cannot reasonably modify the non-work schedule to provide child care.

**LEGAL AUTHORITY:**
Minnesota Statutes 119B.10
Minnesota Rules 3400.0040 Subp. 8 & 9
To determine authorized self-employment hours:

- Divide the gross earned income by the applicable minimum wage (if income is less than applicable minimum wage for all hours worked). See 6.16 (Applicable Minimum Wage).

OR
- Use the actual amount of child care needed during employment (if income is at least the applicable minimum wage for all hours worked).

AND
- Add up to 1 hour for every 8 hours worked for meals and break time.

AND
- Add up to 2 hours per day for travel time, if needed.

Parents may choose in-home child care arrangements or place their children in care outside of the home.

**NOTE:** You must annualize self-employment income BEFORE you determine the number of hours to authorize. See §6.15.6 (Annualizing Self-Employment).

**LEGAL AUTHORITY:**
- Minnesota Rule 3400.0040, subp. 8
Authorize assistance with child care costs for participants who are participating in job search or related activities up to a maximum of 240 hours per calendar year, not to exceed 120 hours per child every 2 weeks. At the option of the individual in job search and with prior approval from your agency, you may authorize child care assistance less than full time.

EXCEPTION: Exempt MFIP or DWP participants with an approved Employment Plan (EP) which includes job search from the 240 hours per calendar year maximum.

You may authorize employed MFIP or DWP participants without an approved EP for up to 240 hours per calendar year of child care assistance for job search activities in addition to child care assistance that you may authorize for work.

Job search activities include locating, contacting, preparing for interviews and interviewing with potential employers, and travel time associated with these activities.

Job search hours should be counted using only the hours of job search activities (including travel time, if needed). For example, if the parent is job searching six hours per day and the provider charges a daily rate, count only six hours of job search toward the 240 hours allowed per year.

If the amount of child care is being reduced, count only the hours used for job search during a notice period toward the 240 hours allowed per year. For example, if full-time care was previously authorized and care is being decreased, pay the full-time care through the required notice period (50 hours per week). Only the actual hours used for job search would count toward the 240 hours allowed per year.

LEGAL AUTHORITY:
Minnesota Statutes 119B.10 Subd. 1(a)
Minnesota Rules 3400.0040 Subp. 15a
Authorize no more than 120 hours per child every 2 weeks.

Authorize hours necessary to support an approved MFIP or DWP Employment Plan (EP).

You may authorize hours necessary to support an approved MFIP or DWP EP plus up to 240 hours per calendar year for job search activities, even if the EP does not include job search hours.

MFIP, DWP and Basic Sliding Fee (BSF) participants only need to work at least an average of 10 hours per week receiving at least the applicable minimum wage, IF they:

- Are full-time students attending a full-time education or training program. A full-time student retains full-time student status during school breaks, including summer breaks, if the student is expected to return to full-time school after the break.
  AND
- Request additional child care assistance for work.

These participants do not need to be in a county approved Employment or Education Plan to receive child care for employment hours.

When an approved MFIP or DWP Employment Plan (EP) does not include employment hours, and the participant does NOT attend a full-time education or training program, authorize hours for work only if the participant works at least an average of 20 hours per week and receives at least the applicable minimum wage.

Authorize hours for a BSF student with a baccalaureate degree only to complete continuing education units or certification or coursework for credentials necessary to obtain or retain employment.

BSF students are not required to work. Authorize hours for education or training programs only as approved in the BSF Education Plan approved by the county.

Authorize up to 240 hours per calendar year for job search activities for employed BSF, Transition Year (TY) and TY Extension participants in addition to hours authorized for work.

The Department of Human Services conducts a statewide child care provider rate survey annually. All licensed family child care providers and licensed child care centers and licensed school age care programs are included in the survey. The resulting information is compiled and used by the Department of Human Services (DHS) and legislators to consider changes to the maximum rates.

Rates are county specific and determined by type of provider and age of child. See §9.24.3 for a link to the hourly, full-day, weekly child care rates. See §9.51 (Non-Standard Hour Care), §9.24.42 (Counties with NSH Rates) for counties with non-standard hourly child care rates.

Authorize payment at the provider’s rate, up to your county’s maximum, for all hours of child care authorized in the participant’s case. The maximum rate may be based on provider responses within a county or other geographic grouping including region-based and statewide-based groupings.

All changes to maximum provider rates must be implemented the Monday following the effective date of the new rate.

Apply the age categories for children in family child care (Licensed/Legal Non-Licensed) and child care centers (Licensed/License Exempt Centers). See §2 (Glossary) under infant, toddler, preschool and school age for these age categories.

Use the maximum rates in the provider’s county of residence. If the provider lives outside of the State of Minnesota, use the maximum rate in the participant’s county of residence.

The family must pay for any provider charges that exceed the maximum rates, in addition to the family copayment fee.

See §9.27 (Rate Differential for Accreditation).

**EXTENDED KINDERGARTEN PROGRAMS:** The program must be:

- An optional program.
  
  AND
- Operated in conjunction with a free kindergarten program.
  
  AND
- Part of the community education program.
  
  AND
- Charging a sliding fee to all families, based on family income.
CCAP funds may be considered for extended kindergarten programs that meet the above criteria.

Use child care assistance funds for payment of the extended kindergarten programs if it is accounted for within the district’s Community Service Fund. If the district provides full-day kindergarten that is not part of community education and there is no fee charged to the family, they cannot charge a fee to CCAP. Request a copy of the school’s sliding fee scale and a statement from the school district that they are not waiving fees for non-CCAP families that have children in the optional extended kindergarten program.

Child Care assistance can pay 15% above the maximum rate, up to the actual provider charge, if a provider requests the differential and submits verification showing that they hold a certain current early childhood development credential or is accredited by certain organizations.

A licensed family child care provider or legal non licensed provider is ONLY eligible for the rate differential for accreditation if they hold one of the following early childhood development credentials or accreditations:

- A Child Development Associate credential (CDA), or degree.
- A diploma in child development from a Minnesota state technical college.
- A bachelor’s degree or post-baccalaureate degree in early childhood education from an accredited college or university.
- Accreditation by the National Association for Family Child Care
- Competency Based Training and Assessment Program Certificate.

Each adult on a licensed family child care license must have one of the credentials listed above to get the rate differential for accreditation. Licensed family child care providers and legal non licensed providers that do not hold one of the above credentials are NOT eligible for the rate differential for accreditation. Licensed family child care providers and legal non licensed providers that hold a credential other than the ones listed above are NOT eligible for the rate differential for accreditation.

A child care center is ONLY eligible for the rate differential for accreditation if it is accredited by one of the following accrediting agencies:

- National Association for the Education of Young Children (NAEYC)
- Council on Accreditation (COA)
- National Early Childhood Program Accreditation (NECPA)
- National After School Association (NAA)
- National Head Start Association Program of Excellence.

Montessori programs accredited by one of the following accrediting agencies are also eligible for the rate differential for accreditation:

- American Montessori Society (AMS)
- Association of Montessori International – USA (AMI/USA).
- National Center for Montessori Education.

Centers that are not accredited by one of the above organizations are NOT eligible for the rate differential.
differential for accreditation. Centers that are accredited by an organization other than the ones listed above are NOT eligible for the rate differential for accreditation.

The rate differential can be paid to both licensed and legal non licensed providers.

The accreditation/credential rate becomes the maximum rate that can be paid to an accredited or credentialed provider. Pay the maximum accreditation/credential rate or the provider rate whichever is less. See DHS-6442A-ENG, Accreditation/Credential maximum rate schedule.

If a county discovers that a provider was incorrectly entered into MEC\(^2\) as being eligible for the rate differential for accreditation, the information must be corrected in MEC\(^2\) and the county who discovered the error should contact all other counties where the provider is registered. If the provider received payment at a higher rate than allowable, over payments must be assessed according to CCAP overpayment policies See §14 (Overpayments)

The Department of Human Services (DHS) has developed an Accreditation Rate Request Form (DHS-4795) that providers may use when requesting a rate differential for accreditation.

Reimburse the differential for providers who submit valid credentials as of the first day of the bi-weekly period following the date you received the request.

**LEGAL AUTHORITY:**
Minnesota Statutes 119B.13, Subd. 3a
To determine the payment amount you need to know:

- Number of hours authorized to support parent activity.
- How and how much the provider charges.
- Age of the child.
- Your county’s maximum rates.

If the child is authorized to be in care:

- More than 35 hours per week with a single provider to authorize payment on a weekly basis.
  OR
- More than 5 hours per day with a single provider to authorize payment on a full-day basis. Legal nonlicensed providers are paid only on an hourly basis.

<td>50 hours</td>
</tr>
</tbody>
</table>

Payments may use combinations of hourly, full day or weekly rates when:

- More than 10 hours of child care are authorized in a 24 hour period.
  OR
- More than 50 hours are authorized in a week.
  OR
- A child is in care with more than 1 provider.

Do **NOT** authorize more than the 120 hour maximum in a bi-weekly period.

Payment is the lesser of:

- your county’s maximum rate
  OR
- The provider charge
Some providers charge in ways other than the hourly, full-day or weekly. For example, school age care using “session rates”. In these cases, the hours of care authorized will determine if a daily or weekly rate may be paid. Payment will again be the lesser of the county maximum rate or the provider charge.

When Authorizing Care for School Age Children:

In many cases, school age children need care authorized for before and after school sessions. Often the care needed is such a small amount that it will be difficult for families to find providers that are willing to care for their children.

If the amount of care needed is in increments of less than a full hour, the care should be rounded up during each separate session and added together to obtain a daily total of hours to be authorized.

Example: Child needs the following care 5 days per week.

Minnesota Rules 3400.0110 Subp. 3 & 4a
Sick child care is a child care service provided to children who cannot attend the family’s regular child care provider, as a result of illness. The county agency may make payments for sick child care, in addition to making payments to the regular child care provider during illness.

Your agency has the option of assisting participants with sick child care. Sick child care payments must be at a rate comparable to like care arrangements in your county.

Your agency’s Child Care Fund Plan will indicate if this option is available. The county’s sick child care policy and rate shall be included in the county’s Child Care Fund Plan.

Your agency may complete a survey of all providers who care for sick children in the county to determine the appropriate rate.

**LEGAL AUTHORITY:**
Minnesota Rules 3400.0110 Subp. 8
You must authorize child care assistance during a participant’s medical leave of absence from employment or education, if the following conditions are met:

- The participant is incapable of providing child care during the medical leave of absence.

  AND

- The participant is expected to return to employment or an approved education or training program within 90 calendar days after leaving the activity.

  AND

- The inability of the participant to provide child care and the necessity of the medical leave is documented by a physician or licensed psychologist.

  AND

- The amount of child care during the medical leave does not exceed the equivalent of 1 month of full-time care (50 hours x 4.3 weeks = 215 hours).

A single parent working less than 20 hours per week due to temporary illness, and meets the criteria listed above is eligible for child care during the medical leave.

Care can be authorized for limited work availability and also for parent medical leave. Child care would be authorized during employment hours. This care would not apply toward the 215 hours of care allowed for parent medical leave.

Care would also be authorized for time that the child is in care while the parent is unable to work or provide care and would be applied toward the 215 hours of care allowed during the parental medical leave.

**LEGAL AUTHORITY:**

Minnesota Rules 3400.0110 Subp. 10
This page intentionally left blank.
An absent day is any day that the child is authorized and scheduled to be in care based on the participant’s activity and care needed, and the child is absent from care, even if the participant notifies the provider prior to the day the child will be absent. Child absences may occur for a variety of reasons including, but not limited to, child illness, vacation, participant illness or school break. The reason for the child’s absence does not affect payment.

Pay for child absences that do not exceed 10 consecutive days, up to a total of 25 absent days in a calendar year, per child. This extends across all providers used during the year. If child care absences exceed this amount, the charges are the financial responsibility of the CCAP family.

**EXCEPTIONS:** You may exceed these limits if the child or the child’s sibling or parent who lives in the child’s household, have an illness verified by a “Child Care Assistance Program Medical Condition Documentation Form” (DHS-4602) signed by a qualified medical professional. A qualified medical professional is defined as a Physician, Physician Assistant, Nurse Practitioner, Psychiatrist, Psychologist, Chiropractor, public health nurse, school nurse or child care center director or lead teacher if the provider sends a child home early due to a medical reason.

Children may be exempt from the absent day limits upon request of the child care provider and approval of the county if they are in a family where:

- At least 1 parent is under the age of 21 and does not have a high school or general equivalency diploma.

AND

- This parent is a student in a school district or another similar program that provides or arranges for ALL of the following to achieve high school graduation:
  - Child care.
  - Parenting support.
  - Social services support.
  - Career and employment supports.
  - Academic support.

Absent day payment limits do not apply to children for care paid through the School Readiness Connections (SRC) Project program, provided the family remains eligible.
Pay the provider’s charge for a child absence when all the following conditions are met:

- The provider has a written policy for child absences, charges all other families in care for similar absence, and is charging the family for this day.

- The payment is not more than the provider charges private pay families for the same absence period.

- The charge is not being paid by a non-CCAP source.

- The provider’s service is available.

- The child is scheduled to be in child care based on hours of care you authorized.

Do not charge an overpayment for the absent day unless:

- You made an error in the amount of care authorized.

- This absence exceeded the 10 consecutive or 25 cumulative absent day limits.

- The family or provider did not report a change timely.

If you are concerned that the amount or time of care authorized does not fit the current or future needs of the family, reassess the authorization. If the family is found to be not eligible and an overpayment is assessed for the absent day payment, do not count the absent day against the 25 cumulative day limit.

Providers and families will be notified of the number of absent days used upon initial provider authorization for a family and will receive ongoing notification of the number of absent days used as of the date of the notification through the Service Authorization and the Remittance Advice in MEC2.

Only days in which a child is absent for the entire time authorized count against the child’s 10 consecutive or 25 cumulative absent day calendar year payment limits. If a child attends child care for any part of a day, but is absent for part of the day, the full amount of care authorized for that day will be paid but the payment will not count towards the ten consecutive or 25 cumulative absent day payment limits. Payment to the provider must be for the full amount of care authorized for that day. The amount of care paid should not exceed the amount of care the child was scheduled for.

If a child does not attend child care during a notice period when care is ending, the notice
CARE DURING CHILD ABSENCES

9.39

period can be paid using absent days. The absent day limits continue to apply during this period. If the child does not have enough absent days to cover the full notice period, payment may end before the end of the notice period.

A county may pay for more absent days than the statewide absent day policy if current market practice in the county justifies payment for those additional days. County policies for payment of absent days in excess of the statewide absent day policy and justification for these county policies must be included in the county's child care fund plan.

See §9.42 (Holidays) for information on payment for holidays, and the impact of holidays on absent days.

Pay a provider’s charge for up to 10 federal or state holidays per year if:

- The provider is closed and not providing care.
- AND
- The provider charges all families for these days.
- AND
- The holiday falls on a day when the child is authorized and scheduled to be in attendance.

The 10 recognized state and federal holidays are:

- New Year’s Day (January 1).
- Martin Luther King’s Birthday (3rd Monday in January).
- Washington and Lincoln’s Birthdays (3rd Monday in February).
- Memorial Day (last Monday in May).
- Independence Day (July 4).
- Labor Day (1st Monday in September).
- Christopher Columbus Day (2nd Monday in October).*
- Veterans Day (November 11).
- Thanksgiving (4th Thursday in November).
- Christmas Day (December 25).

*The day after Thanksgiving is sometimes substituted for Christopher Columbus Day.

If a holiday falls on a Saturday, the preceding day shall be a holiday. If a holiday falls on a Sunday, the following day shall be a holiday.

Allow participants to substitute other cultural or religious holidays for the 10 recognized state and federal holidays when they provide you with prior notice.

Christmas Eve, New Year’s Eve, and Good Friday are some of the days that may be
considered cultural or religious holidays and may be substituted for a federal or state recognized holiday. These days are not the only days that may be substituted for the recognized holidays.

If care is available on the holiday, but the child is absent, make payment under the basic absence policy. See §9.39 (Care During Child Absences).

If the provider’s service is not available on the holiday for which payment is charged, and the family needs care from another provider on that day, you may only pay 1 provider. The family must pay the 2nd provider.

If a CCAP paid holiday occurs during the midst of other child absent days, the holiday interrupts but does not stop the absent day count. The absent day following the holiday will continue the 10 consecutive day count. Here’s an example:

Minnesota Statutes 119B.13, subd. 7
Minnesota Statutes 645.44, subd. 5
Pay for registration fees when the provider charges registration fees to all families.

If a licensed family child care provider, a licensed center, or license exempt center charges a registration fee to enroll children in the child care program and the registration fee is not included in the provider’s rate, pay the provider registration fee up to your agency’s maximum registration fee. The maximum registration fee may be based on provider responses within a county or other geographic grouping including region-based and statewide-based groupings. A superscript R or S denotes a regional or statewide rate. See DHS-6443-ENG for maximum registration fee schedule.

If the registration fee exceeds your agency’s maximum, the participant must pay for the excess.

You may only pay for 2 registration fees per child in a 12 month period. The participant must pay any additional registration fees.

If a provider registration fee is a refundable registration deposit, maintain a record of this payment and deduct it from the final payment to the provider at the time the family discontinues service.

Do not pay registration fees to legal nonlicensed (LNL) providers.

**LEGAL AUTHORITY:**
- Minnesota Rules 3400.0130 Subp. 7
- Minnesota Statutes 119B.13 Subd. 1a, (d)
Activity fees are additional fees charged to a family to cover the cost of activities provided to the children in child care.

Required fees must be incorporated into the provider’s base rate. This means that the provider’s rate may be higher for the period of time the fee is included. Pay the provider up to your county maximum.

When the combined base rate and the activity fee exceed the county maximum for like care arrangements, the family must pay the excess amount.

The family must pay for any optional activity fees.

LEGAL AUTHORITY:
Minnesota Rules 3400.0130 Subp. 8
Call or e-mail your county technical liaison to determine your NSH maximum rate differential.

In using the NSH rate differential, consider the following:

- The differential is the difference between the maximum hourly rate and the NSH maximum rate. Differentials have been calculated for both licensed and legal non-licensed family child care providers.

- Apply the appropriate differential to care provided between the hours of 6 p.m. and 6 a.m. Monday through Thursday, and from 6 p.m. on Friday until 6 a.m. on Monday.

- If the billing includes both standard and NSH, add the differential only to the NSH of care.

- Your payment to a single provider may exceed the weekly rate if NSH are included.

**LEGAL AUTHORITY:**

Minnesota Statutes 119B.13
Minnesota Rules 3400.0130
Pay special needs rates to providers for the care of children who have special needs due to a disability requiring specialized training, services or environmental adaptations necessary to provide care for the child. The county may pay special needs rate for a child with a documented disability through the child’s 14th year of age. A disability is a functional limitation or health condition that interferes with a child’s ability to walk, talk, see, hear, breathe or learn. Special needs may be any special medical, developmental and/or atypical behavior or condition requiring additional support measures to help the child successfully grow and develop to his or her full potential.

Children who are ages 13 through age 14 who are disabled and receiving CCAP services are not required to have a special needs rate approved if the provider rate is less than or equal to the county maximum rate of care. Documentation of the disability such as an IEP or medical/psychological must be submitted and keep in the county CCAP case file in order to be approved. The county can indicate on the disability window of MEC2 that the child has a disability. If the county maximum is less than what the provider charges the family, the full special needs process must be completed.

Reimburse providers for the care of children with disabilities or special needs at a special rate approved by your agency, subject to approval from the Department of Human Services (DHS). These payments may exceed your county’s maximum rate, but must never be greater than what the provider charges the private sector for the same service.

You may also pay special needs rates for sick children cared for by a 2nd provider when, as a result of illness, the child cannot attend the family’s regular provider and the 2nd provider’s rate exceeds the county maximum rate. The county must have the approval of the Department of Human Services (DHS) for this rate to be paid.

Your county may also choose to pay special needs rates to certain populations defined as at-risk in your Child Care Fund Plan. The county must have the approval of the Department of Human Services (DHS) for these rates to be paid. At-risk means environmental or familial factors exist that create barriers to a child’s optimal achievement. This could include, but is not limited to:

- A federal or state disaster.
- Limited English proficiency in a family.
- History of abuse or neglect.
- A determination that the children are at risk of abuse or neglect.
• Family violence.

• Homelessness.

• Age of the mother.

• Level of maternal education.

• Mental illness.
• Developmental disability.

• Parental chemical dependency or history of other substance use.

A special needs rate may be requested/approved when:

• The provider charges more for a child with special needs.

OR

• The provider spreads the cost of caring for a child with special needs across all children in care. You may only pay the higher rate for the child with special needs. Do not exceed your agency’s maximum rate for all other CCAP children in care.

FOR AN INDIVIDUAL CHILD WITH SPECIAL NEEDS

Take the following steps to establish a special needs rate:

1. Require the parent and provider to complete the CCAP Special Needs Rate Variance Request – Parent and Provider Request (DHS-4194) together and ensure that documentation of the child’s special needs due to a disability is included.

2. Require the provider to sign the Notice of Privacy Practices for Child Care Providers (DHS-3985). The county retains this document.

3. Complete the CCAP Special Needs Rate Variance Request – County Recommendation Form (DHS-4195), recommending approval or denial of the rate requested by the provider. If you believe there should be a different rate than what the provider is requesting, include that in the county recommendation and explain. Remember each child’s special need may have variations to what may be defined in a diagnosis, and there are various degrees of severity in a diagnosis. The intervention, support and rate must reflect the personalized needs of the child.
4. Submit the parent and provider request form, documentation of the child's special needs, and county recommendation form to your agency’s Technical Assistance Liaison at DHS, Child Care Assistance Program, PO Box 64962, St. Paul, MN 55164-0962, or by fax to: 651-431-7483.

If approved by DHS, notify the provider and parent of the decision and pay the approved special needs rate retroactive to the effective date of approval on the official letter from DHS. If denied, notify the provider and parent of the decision and notify the parent of the right to appeal.

When the county has received the approval or denial letter from DHS, a resource referral document may also be included. Based on the information submitted, DHS is suggesting that the child may benefit from one or more of the services or resources checked on the referral document. When notifying the parent and provider of the approval or denial, counties should also send a copy of the referral for resources.

FOR CHILDREN IN THE AT-RISK POPULATION

- If there are 4 or more providers offering child care for children in a specific at-risk category pay the lesser of the 75% rate, the rate negotiated with the provider by the county or the provider’s rate.

- If there are fewer than 4 such providers, pay the lesser of the rate negotiated with the provider or the provider’s rate.

It is the provider’s responsibility to assure compliance with the Americans with Disabilities Act (ADA).

Explore other funding sources within your region for the specialized service or environmental adaptations to assure parents are linked to important community services, and that child care funds do not supplant other resources. However, CCAP eligibility for a child with special needs is not contingent upon participation or eligibility in other support programs (for example, SSI).

For additional information and resources, see §16.30 (Special Needs Resource Contacts).

Minnesota Rules 3400.0130 Subp. 3
Minnesota Rules 3400.0020 Subp. 9a. and 17a.
For corrective payment on appeal decisions, see §15.18 (Effect of Appeal Decision).

Clients are underpaid if they do not receive the benefits for which they are eligible.

The county may decide to correct an underpayment. If the county decides to correct the underpayment the county must do so for all cases with similar circumstances.
You must redetermine child care assistance on a regular basis, see §10.3 (When to
Redetermine Eligibility).

Redeterminations MUST include verification of changes in:

- Income.
- Residence.
- Employment and Education/Training Status.
- Continued Cooperation with Child Support Enforcement and Assignment.
- Family status and family size.

Terminate the family from the Child Care Assistance Program if a family fails to comply with eligibility redetermination requirements. Follow all notice requirements.

Do NOT treat a redetermination of eligibility as a new application.

Counties must continue to mail out the Notice of Privacy Practices (DHS-3979) for the purposes of informing and advising clients about their responsibilities and rights until the family is converted to MEC². After the family is converted, the redetermination form will be automatically mailed by MEC² to families at the time of required redetermination. The county is also required to notify the family of the status of an application or redetermination, and ongoing eligibility for assistance. See §10.6 (Redetermination Process) for the process and forms available.

The redetermination process must be completed within set time frames. See §10.6.3 (Redetermination Processing Standards).

All families must complete a redetermination form and provide required verifications to be eligible for continued benefits.

See the following sections for additional information on redeterminations:

- §10.3.3 When to Adjust the Length of Redetermination.
- §10.6 Redetermination Process.
- §10.6.3 Redetermination Processing Standards.
LEGAL AUTHORITY:
Minnesota Rules 3400.0180
Redetermine eligibility for families who are eligible for ongoing assistance at least every 6 months. The time between initial eligibility and the date an agency must review the case, or the time between required reviews, is the redetermination period. Assign a six month redetermination period unless the client’s circumstances require an earlier redetermination.

Use DHS-5274-ENG Child Care Assistance Program Redetermination Form Form used to determine ongoing eligibility for households that are currently open on the Child Care Assistance Program.

Redetermine eligibility more frequently than once every 6 months when the family’s eligibility is in the start-up phase of self-employment without an approved Employment Plan and existing documentation is insufficient to accurately predict the self-employment income.

For a family where at least one parent under the age of 21, does not have a high school or general equivalency diploma (GED) and is a student in a school district or another similar program that provides or arranges childcare as well as parenting, social services, career and employment supports and academic support to achieve high school graduation, the redetermination of eligibility shall be deferred beyond six months but not to exceed twelve months, to the end of the student’s school year.

If a family reports a change in an eligibility factor before the family’s next regularly scheduled redetermination, the county must recalculate eligibility without requiring verification of any eligibility factor that did not change. These changes include income, residence, employment status, education or training status, family status, or family size. See §8 (Changes in Circumstances). See §10.3.3 (When to Adjust the Length of Redetermination).

Minnesota Rules 3400.0180
Minnesota Rules 3400.0040 Subp. 4
See §10.3 (When to Redetermine Eligibility) for setting the redetermination period and the maximum length of time between reviews.

County agencies may increase or decrease the redetermination period to coincide with expected changes or another program's review date. The adjusted date must not exceed the 6-month maximum time limits allowed between reviews.

Adjust the length of the redetermination period to reduce the number of times to request information and review eligibility factors.

- Minnesota Rules 3400.0180
- Minnesota Rules 3400.0040 Subp. 4
See information on the length of redetermination in § 10.3 (When to re-determine eligibility) The families and the agency must follow the redetermination process. See §10.6.3(Redetermination Processing Standards)

MEC² generates a cover letter and mails the following forms 45 days prior to the end of the certification period:

- Child Care Assistance Program Redetermination Form (DHS-5274).
- Child Care Assistance Program – Change Report Form (DHS-4794).

The redetermination process is complete when the family submits the completed DHS-5274 and all supporting documentation.

MEC² will send a 15-day notice before terminating benefits if the family fails to comply with the redetermination process. See §10.6.3 (Redetermination Processing Standards).

If you fail to send a 15-day notice, continue benefits until you have given 15-day notice of adverse action. This applies even if the family’s current eligibility period has ended. This may cause the family to have an overpayment if the family does not meet eligibility factors such as income or other eligibility requirements.

If the family is ineligible for continued benefits or will receive reduced benefits based on information in the redetermination form, or if the information requires a reduction or suspension of the family’s benefits, the family must receive a notice 15 calendar days before the effective date of the adverse action or termination. If the change in the family’s benefit level was not reported timely, there may be an overpayment.

Complete the review process by the end of the redetermination period. See §10.3 (When to Redetermine Eligibility), §10.6 (Redetermination Process).

Terminate benefits if a family fails to return or complete the redetermination form.

Give the family a notice of termination at least 15 days before the end of the family’s eligibility period. See §12.3.12 (Termination Notices - Family).

A termination notice must be sent 15 calendar days before the end of the redetermination period. If the redetermination is received after the case is closed the family must reapply.

**DHS-5260-ENG CCAP Child Care Provider Guide - English - 5-10**

This is a guide that explains what child care providers need to know to get payment from the Department of Human Services (DHS) for families who get benefits from the Child Care Assistance Program (CCAP).

A licensed individual or a licensed center must have a valid child care license issued by a state or a tribe and provide child care services in the licensing state or in the area under the tribe’s jurisdiction.

A legally unlicensed family child care provider must be at least 18 years of age and not a member of the MFIP assistance unit or a member of the family receiving child care assistance.

CCAP parents have a right to choose their child care provider

There are 4 different types of providers:

- Licensed family child care providers. See §11.3
- Licensed centers. See §11.3
- License exempt centers. See §11.6
- Legal non-licensed providers. See §11.9

For additional specific information regarding child care assistance provider requirements, see:

- §11.3 Licensed Child Care Providers

Minnesota Rules 3400.0035 Subp. 7 & 8
These are providers licensed by the State of Minnesota, another state or a tribe and providing child care services in the licensing state or in the area under the licensing tribe’s jurisdiction.

They include:

- Licensed family providers.
- Licensed group family providers.
- Licensed center providers.

Require a licensed provider to register with your county. See §11.12 (Provider Registration), §11.21 (Provider Authorization).

**LEGAL AUTHORITY:**
Minnesota Statutes 119B.011, subd. 19, 119B.09  
Minnesota Statutes 119B.125  
Minnesota Rules 3400.0035 Subp. 7
License exempt centers include:

- Recreation programs for children operated or approved by a park and recreation board whose primary purpose is to provide social and recreational activities.

- Programs operated by a school whose primary purpose is to provide child care to school age children.

- Day camps licensed by the Department of Health under Minnesota Rules, chapter 4630.

- A program serving only children who are age 33 months or older, that is operated by a nonpublic school, for no more than four hours per day per child, with no more than 20 children at any one time, and that is accredited by:
  (i) an accrediting agency that is formally recognized by the commissioner of education as a nonpublic school accrediting organization; or
  (ii) an accrediting agency that requires background studies and that receives and investigates complaints about the services provided.

Pay license exempt centers at the same rate as licensed centers in the same age category.

Require a license exempt center to register with your county. See §11.12 (Provider Registration), §11.21 (Provider Authorization).

**LEGAL AUTHORITY:**
Minnesota Statutes 245A.03, Subd. 2
Apply the following criteria to determine if a provider can be a Legal Nonlicensed (LNL) Provider:

- At least 18 years of age.
  
  AND

- Not a member of the MFIP assistance unit, or a member of the family applying for or receiving child care assistance.
  
  AND

- Provides child care only to related children, and/or provides child care to children from a single unrelated family at one time. Related refers to the provider being a sibling, a step-sibling, a niece, a nephew, a grandparent, an aunt, or an uncle.

Require a signed Parent Acknowledgment When Choosing a Legal Nonlicensed Provider (DHS-5367) when a family chooses a legal nonlicensed provider. Require a separate form for each Legal Nonlicensed Provider the family chooses. Inform applicants who select a LNL provider of the following information:

- Description of the registration process for LNLs.

- Description of the participant’s responsibilities and rights when choosing a provider.

- Acknowledgment that the participant and LNL provider have reviewed the health and safety information provided by your county.

- Assurance that the participant will provide an immunization record for each child to the LNL family child care provider within 90 days of the date that care begins, and will update the information as necessary.

Require a new LNL provider to register with your county. See §11.12 (Provider Registration) for specifics. In addition, LNL providers must be authorized by your county after a criminal background check. LNL providers must complete the criminal background process and be authorized by your county. See §11.21 (Provider Authorization).
As of January 1, 2012 all new or renewing LNL providers must provide a certificate of completion of First Aid and CPR courses that were provided by individuals approved to provide such training. This is the same language that is in the licensing statute and counties should consult with county licensing staff about how to determine valid training. The training must be effective as of the date the provider registration is approved. See §11.12 (Provider Registration)

DHS-6419-ENG CCAP Training Requirements for Legal Nonlicensed Family Providers
Question and answer information sheet explaining the training requirements for Legal Nonlicensed Family Providers.

After one registration period, if a provider still serves children receiving CCAP, the provider must take an additional 8 hours of additional training in topics listed by the Minnesota Center for Professional Development Registry. CCR&R agencies coordinate and offer training that is listed in the Registry.

Your county may choose to make provisional payments to LNL providers when all the requested information/documentation except the background check is available. These payments are temporary and end if your county denies the authorization request. Check your county’s Child Care Fund Plan to see if your county has chosen this option. For additional information on payments to providers, see §9.03 (Payments to Providers).

Included in the registration packet for LNL providers is the Child Care Assistance Program Authorization for Release of Background Study (DHS-5193). The LNL provider must return a signed DHS-5193 to the county for the provider and each household member age 13 and older. Conduct a background study that includes findings from the Bureau of Criminal Apprehension, juvenile courts, and social service agencies.

A county agency may charge a fee to a legal non licensed provider or applicant for authorization to recover the actual cost of the background studies completed under section 119B.125, but in any case not to exceed $100 annually.

Counties may elect to reduce or waive the background check fees:
- In cases of financial hardship
- If the county has a shortage of providers in the county’s area
- For new providers or
- For providers who have attained at least 16 hours of training before seeking initial licensure.

Counties may allow providers to pay the applicant fees on an installment basis for up to one year. A CCAP provider may have the fees deducted from the child care assistance payments
for up to one year and the state shall reimburse the county for the county fees collected in this manner.

If your local juvenile courts and social service agency do not maintain statewide records, contact the county where the provider currently resides and any counties where the provider resided in the past year. A finding that a delinquency petition is proven in juvenile court must be considered a conviction in state district court.

When the reports are returned, review (or have reviewed) for conviction, admission of guilt or a preponderance of evidence indicating that the person has committed a criminal act. Minnesota Statutes 119B.125 is very specific as to the types of crimes, the degree of crimes and the length of time since the crime occurred which prohibit authorization of an LNL.

Additional actions which prohibit authorization of an LNL are:

- Identification of the person by the child protection agency in the county where the provider resides or has resided, or by the statewide child protection database as the person allegedly responsible for physical or sexual abuse of a child within the last 7 years.
- Identification of the person by the adult protection agency in the county where the provider resides or has resided, or by the statewide adult protection database as the person responsible for abuse or neglect of a vulnerable adult within the last 7 years.
- Refusal to give written consent for disclosure of criminal history records.
- Denial of a family child care license or a fine or sanction as a licensed child care provider that was not reversed on appeal.
- Disqualification of family child care licensing that was not set aside.
- Admission or a preponderance of evidence that fraudulent information was given to the county on the child care assistance application or in submitting child care assistance bills for payment.
- Persons who have been found guilty of theft by wrongfully obtaining public assistance by a court conviction or through an administrative court process or other judicial administrative process.
- Presence of a child age 13 or older who has access to children when care is provided, and who meets 1 of the conditions listed above (including criminal
offenses as listed in Minnesota Statutes 119B.125, Subdivision 2 (b)-(e)).

- Presence of a child 10-12 years old who has access to children when care is provided:
  AND
  - Information or circumstances exist which provide the agency with reasonable cause to believe that further investigation may show that the child meets 1 of the conditions listed above (including criminal offenses as listed in Minnesota Statutes 119B.125, Subdivision 2 (b)-(e)).
  AND
  - The child meets 1 of the conditions listed above (including criminal offenses as listed in Minnesota Statutes 119B.125, Subdivision 2 (b)-(e)).

You may later authorize a previously denied LNL applicant if the person:

- Applies for and obtains a valid child care license issued by a tribe or another state.
  AND
- Maintains the valid child care license.
  AND
- Provides child care in the area under the jurisdiction of the licensing tribe or in the state of licensure.

An LNL provider may be authorized to provide care only in the child’s home if the LNL provider is not able to be authorized to provide care in the provider’s home because a household member of the provider has a factor that prohibits authorization. The family and provider should be informed of this option, but the family and provider must document that the care will be provided in the child’s home before the provider can be authorized. If the child and the provider live in the same home, this is not an option.

Counties shall provide each registered LNL provider with information about immunization and nutrition, health and safety, early childhood development, and school readiness material identified by the Department of Human Services (DHS) or materials that are available locally that meet the requirements. Also, refer the provider to the child care resource and referral agency in their area.

When an LNL is authorized in more than 1 county at the time reauthorization is required, the county with the longest current authorization must complete the reauthorization process.

If a family in one county selects an LNL already authorized in another county, a background investigation is not required unless 1 of the following exists:
• 2 years have passed since the 1st authorization.

• Another person age 13 or older has joined the provider’s household since the last authorization.
• A current household member has turned 13 since the last authorization.

• Your county has reason to believe that a household member has a factor prohibiting authorization.

• The county’s provisions for unsafe care differ from those established by the county responsible for the first authorization.

For information on the hourly rate to pay LNL providers, see §9.3 (Payments to Providers).

For information on registration fees paid to LNL providers, see §9.45 (Registration Fees).

LEGAL NONLICENSED (LNL) PROVIDERS

This page intentionally left blank
Report immediately but no longer than 24 hours after receiving a complaint from a participant concerning the health or safety of children under the care of a Legal Non-licensed (LNL) provider.

Report the complaint to:

- Your county’s child protection agency if the participant alleges child maltreatment. Maltreatment is:
  - Physical abuse.
  - Neglect.
  - Sexual abuse.
  - Mental injury.
  - Threatened injury.

- Your county’s public health agency if the participant alleges danger to public health due to:
  - Communicable disease.
  - Unsafe water supply.
  - Sewage or waste disposal.
  - Building structures.

- Your local law enforcement if the participant alleges criminal activity that may endanger the health or safety of children under care.

- Other agencies with jurisdiction to investigate complaints relating to the health and safety of a child.

Refer to Minnesota Statutes §626.556 for more specific information, definitions and procedures regarding alleged maltreatment.

If the allegations of child maltreatment are substantiated, keep a record of the complaint for
10 years.

If the other types of allegations are substantiated, keep a record of the complaint for 3 years.

When you are notified that a complaint has been substantiated, do not pay Child Care Assistance to that provider unless the conditions underlying the complaint have been corrected. Send the provider a notice of termination. See §12.6.9 (Termination Notices – Provider).

Contact your county data privacy official for advice on how to proceed if you receive a request for any Child Care Assistance Program (CCAP) data.

When someone requests public information about Legal Non-License (LNL) providers, give the person the requested information on ALL LNL providers currently authorized by your county. DO NOT identify which LNL providers on the authorized list are currently serving CCAP families or currently getting paid with CCAP funds.

Before you can approve payment to any provider, that provider must register with your county. Registration is the process you use to determine whether the provider chosen by a family meets the requirements necessary for payment of child care assistance.

Authorize the provider chosen by an applicant or a participant before making payment, see §11.9 (Legal Non-Licensed (LNL) Providers), §11.21 (Provider Authorization), §11.24 (Provider Reauthorization).

The county will send a provider registration and acknowledgement packet explaining the registration process, including a request for basic information regarding the provider, the provider’s payment policies, and the provider acknowledgment to all providers.

Use the following letters/notices for all provider types listed below. The templates of letters/notices are on eDocs.

Include the following attachments with all packets:

- Child Care Provider’s Responsibilities and Rights (DHS-4079).
- Notice of Privacy Practices for Child Care Providers (DHS-3985).
- Direct Deposit Form for the Minnesota Child Care Assistance Program (DHS-3552).
- Child Care Assistance Program Financial Tracking Form Instructions (DHS-5318).
- Request for Taxpayer Identification Number and Certification (IRS W-9). The IRS W-9 needs to be sent to providers when they are being authorized for the 1st time on MEC² or when being reactivated in the system. If the provider is currently authorized and active on MEC², a IRS W-9 form does not need to be included with the packet.

Send the appropriate Provider Registration and Acknowledgement form based on the provider type:

- CCAP Licensed Provider Registration and Acknowledgement (DHS-5190).
- CCAP Licensed Exempt Provider Registration and Acknowledgement (DHS-5191).
- CCAP LNL Provider Registration and Acknowledgement (DHS-5192).
• Child Care Assistance Program Authorization for Release of Background Study (DHS-5193) and Health and Safety Information and Immunization Information, in addition to the forms listed above, if a provider is a legal nonlicensed (LNL) provider.

• DHS-6419-ENG CCAP Training Requirements for legal nonlicensed family Providers, if a provider is a legal nonlicensed provider (LNL).

It is advisable to include the following:

• Your county’s payment policies.

• Absent Day Policy.

Require all providers to report IMMEDIATELY to CCAP:

- Child absence days when the child has been absent more than 7 consecutive days.
- End of care for a child covered by child care assistance.
- Any changes in initial information in the provider acknowledgment including the provider’s rate, charges for absences and holidays, any notice days required before a child discontinues care, and any required registration or activity fees.
- Suspected maltreatment of minors, to the appropriate authority.

In addition, require legal non-licensed providers to report all changes that require reauthorization. See 11.24 (Provider Reauthorization).

**LEGAL AUTHORITY:**
Minnesota Statutes 119B.125
For the definition of Authorized Provider, see §2 (Glossary). You must authorize the provider chosen by an applicant or a participant before you can approve payment for care provided by that provider. The criteria for authorization of providers include:

- Requirements that the provider meets the definition of provider as outlined in §2 (Glossary).

- The provider signing a provider acknowledgment, which includes the following information (DHS-5192-ENG contains this information):

  - The provider's rate, charges for child absences and holidays, any notice days required before a child discontinues care, and any required registration or activity fees.

  - Documentation of the provider's license status and, if the provider is seeking the provider accreditation rate bonus, any accreditation or credential held by the provider.

  - Statement acknowledging that charging child care assistance participants more than families not receiving child care assistance for like services or wrongfully obtaining child care assistance may be a crime.

  - Statement acknowledging that parents must be given unlimited access to their children and to the provider caring for the children during all hours that the children are in the provider's care.

  - Statement acknowledging that the provider is responsible for notifying the county as provided in part Minnesota Rules 3400.0120, subpart 5, of child absence days and the end of care.

  - Statement acknowledging that the provider is responsible for immediately notifying the county of any changes to the information supplied by the provider in the provider's acknowledgment.

  - Statement acknowledging that the provider is a mandated reporter of maltreatment of minors under Minnesota Statutes §626.556.

  - Statement acknowledging that when the county knows that a particular provider or child care arrangement is unsafe, the county may deny child care assistance payments to that provider.

  - Statement acknowledging that CCAP payments for child care provided by someone who resides in the same household or occupies the same residence as
the child(ren) are prohibited.

All providers must register with the county. See §11.12 (Provider Registration).

There are additional requirements for authorization of Legal Non-Licensed Providers. See §11.9 (Legal Non-Licensed Providers). Also, see §11.12 (Provider Registration) for Child Care Assistance Program Authorization for Release of Background Study.

You must reauthorize the providers at least every 2 years. See §11.24 (Provider Reauthorization).

LEGAL AUTHORITY:
Minnesota Statutes 119B.125
Minnesota Rules 3400.0120
Providers must report all family changes that require reauthorization. When a Legal Non-licensed Provider (LNL) is authorized in more than one county at the time reauthorization is required, the county with the longest current authorization must complete the reauthorization process.

Reauthorize all providers at least every 2 years.

Upon initial authorization, legal nonlicensed (LNL) providers must provide documentation of First Aid and CPR training. The training must have current effective dates as of the date the reauthorization is approved and must have been provided by individuals approved to provide this training. Counties should align standards for acceptable training with standards used for approving licensed family child care provider First Aid and CPR training.

Upon each reauthorization after initial authorization, a provider must provide proof of 8 hours additional training. Only training listed in the Minnesota Center for Professional Development Registry (including those offered by the Child Care Resource and Referral agencies) meets the requirements for approvable training.

In addition, reauthorize Legal Non-Licensed providers (LNL) and require a background study on the provider and/or all household members 13 years and older when:

- A current household member becomes 13 years of age since last authorization.
  OR
- A person over age 13 or older joins the household since the last authorization.
  OR
- You believe a household member has a factor that prevents the provider from being authorized.

**LEGAL AUTHORITY:**
Minnesota Statutes 119B.125, subd. 1 & 2
CCAP will only allow child care assistance for care authorized in the child’s home if the child’s parents have authorized activities outside of the home and if one or more of the following circumstances are met:

1. The parents qualifying activity occurs during the times when out-of-home care is not available. If the child care is needed during any period when out-of-home care is not available, in-home care can be approved for the entire time care is needed AND

2. The family lives in an area where out-of-home care is not available OR

3. A child has a verified illness or disability that would place the child or other children in an out-of-home facility at risk or creates a headship for the child and the family to take the child out of the home to a child care home or center.

Only cases approved by DHS for an exception can be authorized. See Chapter 9.6 (payment to families) for further information.

The following provides labor law information for families who hire a child care provider to provide care for a child in the family’s home.

The U.S. Department of Labor, Wage and Hour Division, enforces the Fair Labor Standards Act of 1938, as amended (FLSA). This law requires that employees be paid at a rate not less than the federal minimum wage for all hours worked and that hours worked over 40 be compensated at one and one-half times an employee’s regular rate of pay. This law covers most domestic service workers. The federal-minimum wage and overtime provisions apply to any persons providing babysitting services in private homes for more than 20 hours a week, on a regular basis.

To ensure that all persons employed as child in-home care providers under the conditions described above receive the wages they are legally entitled to; The U.S. Department of Labor, Wage and Hour Division, is asking your assistance in distributing information to parents or guardians who may be receiving assistance under the Child Care Assistance, Foster Care Assistance, Child Welfare, or any other state funded program. The information provided alerts them to their legal obligations to pay minimum wage and overtime to such care providers.

Fact Sheets are available at www.wagehour.dol.gov which summarizes minimum wage and overtime provisions of the FLSA. Provide these guides to all people who employ in-home providers.

Make copies of these sheets as needed or contact the U.S. Department of Labor, Wage and
Hour Division for additional copies.

This chapter discusses when notices are required, what they must contain and how much advance notification must be given.

Notify families and providers regarding initial eligibility and subsequent changes in eligibility.

For counties using MEC², the system generates some of these notices. The county must generate others.

For non-automated counties, templates of these notices are on the Resources page of MEC².

Child Care Assistance Program requires a 15 day notice for adverse actions. MEC² uses the following rules to calculate the 15 day notice period.

**Calculation Rules:**
- The 1st day of the 15-day notice period is the day after the day the notice leaves IOC.
- Mail is only sent on work days and will not be sent on Saturdays, Sundays or holidays.
- The 15th day cannot fall on a Saturday, Sunday or holiday. If it does, continue counting after the Saturday, Sunday or holiday.

These rules are built into the 15-day Notice logic on the MEC² system.

**Examples:**

1. No holiday or weekend – Worker approves adverse action on the case on Monday. The notice will be printed Monday night and mailed on Tuesday. The 1st day to start the 15-day count is Wednesday. Count 15 days, beginning with Wednesday as the 1st day. The 15th day would be Wednesday.

2. Holiday – Worker approves adverse action on the case on Monday. The notice will be printed Monday night. However, Tuesday is a holiday so the notice will not be mailed until Wednesday. The 1st day to start the 15-day count is Thursday. Counting 15 days from Thursday would be another Thursday. Thursday is a holiday, so the 15th day would be Friday.

Weekend – Worker approves adverse action on the case on Friday. The notice will be printed Friday night, but the notice will not be mailed until Monday, so the 1st day to start the 15-day count would be Tuesday. Counting 15 days from Tuesday would be another Tuesday. This would be the last day of the notice period.

3. MEC2 uses the State and Federal holiday schedules listed below for dates the system IS NOT available to process cases, send out notices, and determine non-mail delivery dates.

**Federal Holidays:**
- New Year’s Day
- Martin Luther King Jr Day
- President’s Day
- Memorial Day
- Independence Day

**State Holidays:**

NOTICES TO FAMILIES

12.3

Notify applicants of approval or denial of eligibility for child care assistance. See §12.3.3 (Approval Notices), §12.3.6 (Denial Notices - Family).

Notify participants of changes in their eligibility based on changes in their circumstances. Send a notice of adverse action when there is a reduction in hours of service, an increase in copayment amount, a denial of an education plan, an adverse determination of provider eligibility, the agency’s intent to recoup an overpayment, and a termination of eligibility.

Non-adverse actions, such as an increase in hours of service or a reduction in copayment amount, require a notice but should be changed as soon as possible.

Minnesota Rules 3400.0035, Subp 2, 4, & 5
If you determine the applicant family is eligible for child care assistance, send a notice approving the application. The agency must mail the notice of approval to the applicant within 30 calendar days after receiving the application. With the consent of the applicant, the agency may extend the response time by 15 days. Include the following information in the notice:

- The date eligibility begins.
- The number of hours of care authorized, the maximum rate that can be paid and how the payments will be made.
- The family’s copayment amount, how and when the copayment must be made.
- The family’s obligation to report within 10 calendar days from the date of the change, changes in:
  - Income.
  - Residence.
  - Family size.
  - Family status.
  - Employment.
  - Education or training status.
- The family’s obligation to report a change in provider at least 15 calendar days before the change occurs, unless the case involves alleged child abuse by a provider or a complaint that the health and safety of a child in care is in imminent danger.
- The importance of prompt reporting of a move to another county.
- The overpayment implications if required reporting does not occur timely.
- The family’s responsibility for paying provider charges in excess of your county’s maximum payments.
- That when child care assistance is terminated, the family will be informed of the reason for the termination and the family’s appeal rights and the provider will be informed that, unless the family asks to continue to receive assistance pending an appeal, child care payments will no longer be made.
APPROVAL NOTICES - FAMILY

LEGAL AUTHORITY:
   Minnesota Rules 3400.0035, Subp 5
Document the reason(s) for ineligibility and notify the client in writing if you determine an applicant family is not eligible for child care assistance. The agency must mail a notice of denial of assistance to the applicant within 30 calendar days after receiving the application. You may extend the response time by 15 calendar days with the consent of the applicant.

Include the following in the denial notice:

- The reason for denial.
- The basis for denial in statute, rule or your county’s child care fund plan.
- The applicant’s right to appeal and receive a fair hearing.

LEGAL AUTHORITY:
Minnesota Rules 3400.0035, Subp 4
Provide at least 15 calendar days notice to families before taking an adverse action on their case. See §12.1 (15-Day Notice Requirements).

Include the following in the written notice:

- A description of the action you’re taking on the case.
- The effective date of the action.
- The reason for the action.
- The basis for your action in statute, rule or your county’s child care fund plan.
- The right to appeal and receive a fair hearing and the procedure for doing so.
- The choices available if they choose to appeal:
  - Continue to receive child care assistance at the previous level while the appeal is pending, and be responsible for any overpayments that may result.
  OR
  - Accept the adverse action being taken, and potentially receive reimbursement for child care expenses incurred while the appeal is pending, if the family wins the appeal.

If the family corrects the condition requiring the adverse action before the effective date of the adverse action, the adverse action must not take effect.

A 15-day notice period is not required when:

- A Minnesota licensed provider’s license has been temporarily, immediately suspended under Minnesota Statutes, section 245A.07.
OR
- There is imminent risk of harm to the health, safety or rights of a child in the care of a legal nonlicensed provider, license exempt center, or a provider licensed by an entity other than the State of Minnesota.

When the action is not adverse a notice must be sent effective the date of the change. A 15-day notice is NOT required. Reasons can include increased authorized hours, decreased copayment, and continuation of payment awaiting appeal decision.
LEGAL AUTHORITY:
   Minnesota Rules 3400.0185, Subp 3
Provide at least 15 calendar days notice to families before terminating child care assistance. See §12.1 (15-Day Notice Requirements).

Include the following in the written notice:

- The effective date.
- The reason for the termination.
- The basis for your action in statute, rule or your county’s child care fund plan.
- The right to appeal, receive a fair hearing and the procedure for doing so.
- Choices available if they choose to appeal:
  - Continue to receive child care assistance at the previous level while the appeal is pending, and be responsible for any overpayments that may result.
  - Do not receive child care assistance, and potentially receive reimbursement for child care expenses incurred while the appeal is pending, if the family wins the appeal.

Do not terminate the case if the family appeals and chooses to continue to receive child care assistance.

If the reason for termination is the family’s move to another county, also include in the notice that the family may continue to receive child care assistance from the new county if they contact that county within 60 days of the move.

If the family’s case is being terminated because the family requested their case to be closed and the family changes their mind before the effective date of the termination, the termination must not take effect.

If the family’s case is being terminated because the family is no longer eligible for child care assistance and the family re-establishes eligibility before the effective date of the termination, the termination must not take effect.

LEGAL AUTHORITY:
Minnesota Rules 3400.0185, Subp 1
In cases of family or provider overpayments, notify the party subject to the overpayment of the following:

- The reason for the overpayment.
- The time period in which it occurred.
- The amount overpaid.
- The right to appeal.

Once you approve an application for child care assistance, send a notice of approval to the provider. Include only the following information:

- Family’s name.
- Family’s request for child care assistance has been approved.
- Authorized hours of care.
- County maximum rate that may be paid.
- How payments will be made.

LEGAL AUTHORITY:
Minnesota Rules 3400.0035, Subp 2
Give the affected provider at least 15 calendar days advance notice. See §12.1 (15-Day Notice Requirements). Adverse actions include but are not limited to:

- A reduction in the hours of authorized care.
- An increase in the family’s copayment.
- An adverse determination of the provider’s eligibility.

Include the following in the written notice:

- The family’s name.
- A description of the adverse action that does NOT contain any information about why the action was taken.
- The effective date.
- A statement that unless the family appeals the adverse action prior to the effective date, the action will occur on the effective date.

When the action is not adverse, a notice still must be sent. The effective date is the date of the change. Reasons can include increased authorized hours, decreased copayment, and continuation of payment awaiting appeal decision.

**LEGAL AUTHORITY:**

Minnesota Rules 3400.0185, Subp 4
Providers must be given a 15-Day Notice when terminating a family’s benefits. See §12.1 (15-Day Notice Requirements).

Include ONLY the following information in the termination notice to the provider:

- The family’s name.
- That child care assistance for the family has been terminated. Do NOT give any indication of the reason for termination.
- The effective date.
- That child care assistance payments will not be made as of the effective date unless the family asks to continue receiving assistance pending an appeal.

This chapter gives information on overpayments and helps you determine how to pursue overpayment recoupment or recovery.

An overpayment occurs whenever a family and/or provider receives more child care assistance than they were actually eligible for, even when caused by agency error or circumstances outside the responsibility and control of the family or provider.

When you become aware of an overpayment, review the case for accuracy.

Recoup or recover overpayments from participants and/or providers. The method of recovery varies depending on whether the person responsible for the overpayment is a current or former participant and/or provider. See the sections below for more information:

§14.3 Responsibility for Overpayment

Responsibility for Overpayment

Determine who benefited from the overpayment.

If the family paid less for child care than the actual circumstances warranted, the family benefited. Assign the overpayment to the family.

When the family did not benefit from an overpayment, but the provider received more child care assistance than was correct, assign the overpayment to the provider.

If both the family and the provider benefited, assign an overpayment to both parties.

Recoup or recover from the party who benefited. See §14.9.6 (Recoupment – Families), §14.9.9 (Recoupment – Providers).

If both the family and the provider acted together to intentionally cause the overpayment, both are jointly liable for the overpayment, regardless of who benefited from it. Recover the overpayment as provided in §14.9 (Recovery Methods). When the family or the provider is in compliance with a repayment agreement, the party in compliance is eligible to receive child care assistance or to care for children receiving child care assistance even if the other party’s noncompliance with repayment arrangements.

AMOUNT OF OVERPAYMENT

Determine the amount of child care assistance the family and/or provider were actually eligible to receive.

The amount of the overpayment is the difference between what the family and/or provider received and what they were actually eligible to receive.

When a family reports changes in their circumstance timely there will be no overpayment. An exception to this would be when the county is unable to respond to a change in a timely manner. There may be an overpayment due to agency error. An overpayment would be calculated allowing for a notice period.

If an employment plan is modified, the Employment Services (ES) worker should notify the CCAP worker of the change within 10 days of the date of the modified plan. If the CCAP worker is NOT notified of the modified plan timely, an agency error overpayment would be calculated allowing for a notice period.

When the family does not report changes in their circumstance timely there may be an overpayment. The overpayment would be calculated beginning on the date the change occurred. If the change is due to increased income the overpayment would be calculated from the date the increased income was first received.

The county agency may not charge interest on overpayments of child care assistance benefits.

Methods of recovery vary depending on whether the overpaid family or provider is a current participant or is no longer participating in the Child Care Assistance Program.

The recovery method for collecting overpayments from participant families and current CCAP providers is recoupment. See §14.9.6 (Recoupment - Families), §14.9.9 (Recoupment - Providers)

Common methods for recovering overpayments from non-participant families and former CCAP providers:

- Criminal restitution. See §14.12 (Fraudulently Obtaining Child Care Assistance).

A voluntary repayment agreement is a payment plan a family or a provider and the county agency agree to as a method of repaying an overpayment.

Use repayment agreements when participants or providers wish to make voluntarily repayment in excess of the recoupment amount.

Use repayment agreements with non-participants when the family is no longer eligible to receive child care assistance or if the provider no longer cares for children receiving child care assistance.

Clients or providers may voluntarily repay the overpayment before you start other methods of recovery. The Notice of Overpayment explains this option.

Overpayment repayment agreements include a written agreement between the county agency and the client or provider or both.

**LEGAL AUTHORITY:**
Minnesota Statutes 119B.11, Subd. 2a
When the family remains eligible for child care assistance, recoup the overpayment by reducing the amount of assistance paid at the following rates:

- If the overpayment is due to agency or provider error, recoup the greater of ¼ of the family’s copayment or $10.

- If the overpayment is due to the family’s 1st failure to report changes, recoup the greater of ½ of the family’s copayment or $10.

- If the overpayment is due to the family’s failure to provide accurate information at application or redetermination.
  OR
  The family’s 2nd or subsequent failure to report changes, recoup the greater of ½ of the family’s copayment or $50.

- When the overpayment is due to wrongfully obtaining public assistance as established by court conviction, court-ordered stay of conviction with probationary or other terms, a disqualification agreement, a pretrial diversion, or an administrative disqualification hearing or waiver, recoup the greater of the family’s copayment, 10% of the overpayment or $100.

The overpayments must be calculated and collected on a service period basis. The family is responsible for the cost of care that is related to the reduction of the payment.

If an ineligible family later reapplies for child care assistance and is determined eligible, begin recouping the overpayment following the above rates, unless a different repayment schedule has been specified in a court order.

**LEGAL AUTHORITY:**

If the provider continues to receive child care assistance payments, the county must recoup the overpayment by reducing the amount of assistance paid to the provider for every payment at the rates indicated below until the overpayment debt is paid in full.

- When a provider has an overpayment due to agency or family error, the recoupment amount is one-tenth the provider's payment or $20, whichever is greater.

- When a provider has an overpayment due to the provider's failure to provide accurate information, the recoupment amount is one-fourth the provider's payment or $50, whichever is greater.

- When a provider has an overpayment due to wrongfully obtaining child care assistance as established by a court conviction, a court-ordered stay of conviction with probationary or other terms, a disqualification agreement, a pretrial diversion, or an administrative disqualification hearing or waiver, the recoupment amount equals the greater of:
  - One-half the provider's payment.
  OR
  - 10 percent of the overpayment.
  OR
  - $100.

If the provider no longer cares for children receiving child care assistance, follow the instructions in §14.9 (Recovery Methods). If the provider later resumes caring for children receiving child care assistance, begin recouping the overpayment following the above rates, unless a different repayment schedule has been specified in a court order.

For information related to provider overpayment recovery, see §14.9.15 (Civil Recovery – Providers).

If the family no longer receives child care assistance, use voluntary repayment or go through civil court to recover the overpayment.

If the overpayment is less than $50 you may, but are not required to, recover the overpayment.

If the overpayment is $50 or more, seek voluntary repayment from the family. If the family does not cooperate with voluntary repayment, initiate civil court proceedings to recover the overpayment unless the costs of recovery exceed the amount of the overpayment.

If you do not recover, keep a record of the overpayment in case the family reapply and is eligible in the future.

A family who has an outstanding debt due to an overpayment is not eligible for child care assistance until either the debt is paid or satisfactory arrangements have been made with your agency and the family is complying with the arrangements.

Your agency is entitled to keep 25% of recovered overpayments.

Use voluntary repayment or go through civil court to recover the overpayment if the provider no longer cares for children receiving child care assistance.

You may, but are not required to, recover the overpayment if the overpayment is less than $50.

Seek voluntary repayment from the provider if the overpayment is $50 or more. Initiate civil court proceedings to recover the overpayment, if the provider does not cooperate with voluntary repayment, unless the costs of recovery exceed the amount of the overpayment.

Keep a record of the overpayment in case the provider begins to care for a child receiving assistance in the future, if you do not recover the overpayment.

A provider who has an overpayment is not eligible to care for children receiving child care assistance until the overpayment is paid in full or the provider is in compliance with a payment plan to repay the debt.

Your agency is entitled to keep 25% of recovered overpayments.

Compromising a claim consists of accepting a partial payment as full satisfaction of a claim on the condition that the payment is received promptly. Provider claims may not be compromised.

This policy applies to all FAMILY claims when the overpayment occurred due to fraud for which the initial notification of overpayment was issued through MEC2. The text of all MEC2 family overpayment notices include language that advises the debtor of:

The right to have their claim compromised
AND
The conditions that must be met to have their claim compromised.

The time limit for a debtor to make the compromise payment is 90 days from the initial notification of the claim. If the initial overpayment notice is sent by 1st class mail, the 90-day period begins with the date the notice is issued. If the initial notice is returned to the local agency by the postal service, the right to an overpayment notice and compromise is renewed. If the initial overpayment notice is sent by certified mail and accepted by the household, the 90-day period begins with the date a household member signs for receipt of the notice.

The right to compromise does not apply when the overpayment occurred due to fraud. In fraud situations, the agency should suppress the MEC2 overpayment notice and mail their own overpayment notice without the compromise language. If an overpayment notice precedes the determination of fraud and a timely compromise payment is received, the local agency is bound by the compromise. Consequently, a local agency that pursues criminal action would not be able to seek monetary restitution for the full amount of a previously compromised claim. This does not, however, prevent a local agency from charging the full amount of a compromised claim or from requesting additional fines, penalties, interest, or non-monetary restitution in the sentencing phase of the criminal proceeding.

If the family chooses to compromise the debt after recoupment has begun, but before the 90-day time limit, the amount of the overpayment already collected through recoupment would be returned to the family through a manual payment once the compromise payment has been received. The manual payment would be issued to the provider, who would be responsible for refunding that amount to the parent, unless the child care was provided in the child’s home.

Claims may be compromised by 25% if the remaining 75% is repaid within the 90-day time limit. Compromise amounts must be in the form of direct voluntary payment by a debtor. Recovery received by tax offset, recoupment, or restored benefits cannot be applied toward a compromise.
A compromise payment is considered a collection. The county deposits the money they collect then reports the full 75% in MEC². DHS bills the county for 75% of the amount collected. The county can retain 25% of the compromise payment amount.

   Minnesota Statutes 16D.15
TERMINATION

A claim may be terminated and the claim balance adjusted to $0 when there is no realistic prospect for future recovery. This practice differs from a write-off which is an accounting mechanism to remove a claim as an accounts receivable asset even though the claim is retained against the possibility of future recovery. All terminated claims are automatically written off, but claims that are written off are not necessarily terminated.

Terminate claims when:

- The only responsible debtor for a claim has died and no future recovery actions are available.
  
  OR

- The only responsible debtor for a claim has had that debt discharged by federal bankruptcy court.
  
  OR

- When a claim is the sole responsibility of a debtor who resides in a Long Term Care Facility, there is no prognosis for a return to residential living in the community and there is no estate to repay the claim or there are existing commitments to repay higher priority obligations.
  
  OR

- When initial notification on a claim occurred at least 10 years previous, there has been no recovery on any of the claims in the preceding 6 years, criminal restitution is no longer required by district court, there is no docketed judgment and the debt is not certified for Revenue Recapture.

UNCOLLECTIBLE DEBT

Uncollectible debts are defined as debts older than six years with no collection activity. Uncollectible debts are not removed from MEC2 (the claims are not adjusted to zero and the balance due remains).

LEGAL AUTHORITY:

  Minnesota Statutes 16D.09
Fraud exists when:

- A family has willfully or intentionally withheld, concealed, or misrepresented information to receive or to attempt to receive more benefits than they are eligible to receive or to help another person to receive or to attempt to receive more benefits than the person is entitled to receive.

- A provider has willfully or intentionally withheld, concealed, or misrepresented information to be authorized by CCAP; to receive or to attempt to receive payments to which the provider was not entitled; or to help another person to receive child care assistance to which that person is not entitled.

Refer anyone you suspect of fraud for investigation. If you think fraud has occurred, immediately refer the case to the county's investigator or investigative unit. Continue benefits if current eligibility exists. Do not close a case or deny benefits to people under investigation for fraud if they are otherwise eligible.

You may delay notifying a client of an overpayment if the county attorney or investigator believes that it would hinder the fraud investigation.

Disqualify people found guilty of fraud through an Administrative Disqualification Hearing (ADH), an Administrative Disqualification Waiver, a court approved pre-trial diversion plan, a disqualification consent agreement, or a conviction by a court action. See §14.12.3 (Disqualification for Fraud - Families), §14.12.6 (Disqualification for Fraud - Providers) for information on disqualification procedures, §14.12.9 (Administrative Disqualification Hearing).

LEGAL AUTHORITY:
- Minnesota Statutes 119B.13
- Minnesota Statutes 119B.16
- Minnesota Statutes 119B.125
- Minnesota Statutes 256.98
- Minnesota Rules 3400.0183
Disqualify families who have committed an Intentional Program Violation (IPV). An IPV disqualification can be established by any of the following:

- Court conviction.
- Disqualification consent agreement (DCA).
- Pre-trial diversion.
- Administrative Disqualification Hearing (ADH).
- Waiver of an ADH.

Disqualify the entire family from receiving benefits for the following lengths of time when a member or members of a family receiving child care assistance is found to have committed an IPV:

- 3 months for the 1st offense.
- 6 months for the 2nd offense.
- 2 years for the 3rd offense.
- Permanently for the 4th offense.

When you receive notification of an IPV determination, send the Notice of Disqualification for Intentional Program Violation (DHS-3134) to disqualify the family, and a CCAP termination notice to end assistance. The disqualification period for any child care assistance program must extend to all child care assistance programs and must be immediately applied allowing for a 15-day notice. See §12 (Notices). This disqualification is not appealable through an administrative hearing. The disqualification is appealable only through district or appellate court action. Once imposed, the disqualifications remains in effect, without possibility of administrative stay, unless and until the findings upon which the penalty was based are subsequently reversed by a court of appropriate jurisdiction.

The effective date of the disqualification period is the date of the IPV determination (if signed DCA or ADH Waiver, court/ADH decision) or the effective date of the CCAP termination notice, whichever is later.
An IPV determination through any of the prescribed administrative or judicial options settles all prior disclosed and undisclosed violations from the standpoint of imposing disqualification penalties and is effective with the date of determination of the IPV. There still may be claims established against the family for any overpayments that are cited for the prior time period(s).

Record conviction and disqualification information and copies of supporting documents (including conviction information) in the case file. If a disqualified family moves from one county to another, include disqualification information in the case referral. See §8.12 (Moving Between Counties).

Families disqualified from MFIP due to an IPV are **NOT** barred from receiving child care assistance. When an MFIP recipient is disqualified from MFIP due to fraud, the family is no longer eligible for MFIP child care assistance. The family may be eligible for Basic Sliding Fee (BSF) and the worker will need to recover any overpayment that may have resulted while the family was on MFIP child care assistance.

The disqualified family may be placed on a child care waiting list if all factors used to determine eligibility for the waiting list are met. If the family’s name rises to the top of the waiting list during the period of disqualification, they should receive the same treatment as other participants who are deemed temporarily ineligible at the time that they rise to the top of the waiting list.

Families disqualified for fraud in another state remain disqualified in Minnesota.

**LEGAL AUTHORITY:**
Minnesota Rule 3400.0183
Disqualify child care providers who have committed an Intentional Program Violation (IPV). An IPV disqualification can be established by any of the following:

- Court conviction.
- Disqualification consent agreement (DCA).
- Pre-trial diversion.
- Administrative Disqualification Hearing (ADH).
- Waiver of an ADH.

Disqualify the provider from receiving payments from any child care assistance program for the following lengths of time when the provider is found to have committed an IPV:

- 12 months for the 1st offense.
- 24 months for the 2nd offense.
- Permanently for the 3rd offense.

You must inform the child care provider of their responsibilities and rights and of the penalties for intentional program violations. Failure to give a provider this Penalty Warning will lead to the dismissal of any ADH. The Child Care Provider Responsibilities and Rights DHS-4079-ENG includes the Penalty Warning required for the ADH process.

If your county chooses to use a county form for provider acknowledgement or authorization, you must include the penalty warning, and the responsibilities and rights listed in Child Care Provider Responsibilities and Rights. DHS-4079-ENG You must send any revised county form to the Department of Human Services (DHS) for approval as part of your county’s Child Care Fund Plan. Failure to include the penalty warning and the provider’s responsibilities and rights on the county form will lead to the dismissal of any ADH process that your county brings against child care providers accused of intentional program violation in your county.

When you receive notification of an IPV determination, send the participant a 15-day notice of provider deactivation and send the provider the Child Care Assistance Program (CCAP) Notice of Disqualification for Intentional Program Violation DHS-3134A-ENG to disqualify the provider and end child care assistance payments. See §12 (Notices).
This disqualification is not appealable through an administrative hearing. The disqualification is only appealable through district or appellate court. The effective date of the disqualification period is the date of the IPV determination (a signed DCA or ADH Waiver or court/ADH decision) or the effective date of the CCAP termination notices, whichever is later. The disqualification period for any child care assistance program must extend to all child care assistance programs and must be immediately applied.

Record conviction and disqualification information and have copies of supporting documents (including conviction information) in the provider file.

LEGAL AUTHORITY:
Minnesota Statutes 256.98
An Administrative Disqualification Hearing (ADH) is a formal, impartial review by a human Services Judge for the purposes of rendering a decision as to whether or not an individual committed an intentional program violation (IPV).

An IPV is any action by an individual which is a willful or intentional false statement, a concealment of a fact, or misrepresentation, whether or not it did or could have resulted in receipt of additional benefits.

Misrepresentation or a failure to report on a timely basis does not necessarily constitute an IPV. The criteria for establishing the IPV requires an intentional act of deception, or one taken with an appreciation or understanding of its consequences or wrongfulness, and must be proven by a clear and convincing legal standard of proof. To establish an IPV in an ADH, there must be a finding of intentional concealment or misrepresentation of a material fact by the legal standard of “clear and convincing evidence”. Clear and convincing proof requires more than a preponderance of the evidence but less than proof beyond a reasonable doubt. Legally, clear and convincing proof is where it is highly probable that the matter asserted is true.

An ADH must be initiated for individuals accused of committing an IPV when criminal charges are not being pursued. ADH procedures and requirements, EXCEPT for the notice of hearing as explained below, are the same as for administrative appeal hearings. See §0015 (Appeals).

REFERRAL OF IPV

Resolve cases of suspected IPVs through either the criminal or ADH process, not both. Do not make concurrent referrals for prosecution and ADH. The practice of resolving an IPV first through the ADH process and then referring the same IPV for prosecution is prohibited.

If a case is dismissed in court, an ADH may be pursued because the burden of proof in establishing an IPV in an ADH action is the lower “clear and convincing” test as opposed to the “any reasonable doubt” standard required in a criminal prosecution.

ADH WAIVERS AND REQUESTS FOR ADH

Upon identifying an IPV and determining that the ADH process will be pursued, the accused individual must be offered the opportunity to waive the appearance before a Human Services Judge and simply agree to the prescribed disqualification penalties.

Initiate the ADH process by completing the Notice of Intentional Program Violation – Waiver of Administrative Disqualification Hearing (DHS-3131) for families, or the Notice of Provider Intentional Program Violation – Waiver of Administrative Disqualification Hearing
(DHS-3131A) for providers, whichever is appropriate. Prepare a narrative summary of the allegations, investigative findings, and the evidence to support the findings. Someone other than the assigned case worker must also review and sign the form and find that the case facts, if proven, would justify a finding of fraud. A county contact person must also be listed for the accused person to contact for reviewing the agency’s proof. The back page of the ADH waiver form has instructions to accused person as to how to waive the hearing, or request an ADH hearing. The waiver allows the accused person to admit to the facts or not, with the understanding that the disqualification penalty will be imposed in either case. Present or mail the ADH Waiver to the accused person. In either case, allow the person up to 10 days to return the form.

When the ADH involves a provider, complete one ADH Waiver for each individual or business that you propose to disqualify from receiving CCAP payments. Only the person or entity named on the ADH Waiver will be disqualified as a provider due to the ADH process. If you have questions about whether to bring an ADH against an individual provider, the provider’s business or both, consult with your county attorney’s office for guidance or contact the Program Assessment and Integrity Division (PAID) staff at the Department of Human Services (DHS). The provider must have received a copy of the Child Care Provider Responsibilities and Rights (DHS-4079) which includes the Penalty warning, before the ADH can be successful.

Waivers should not be offered when there is only a suspicion of guilt but the evidence is not convincing. If a county agency determines that it has sufficient evidence to hold a hearing and has offered the individual an opportunity to waive the hearing, the agency must then schedule a hearing if the individual requests a hearing or does not sign the waiver. Do not offer an ADH waiver if the case is being referred for prosecution nor should prosecution be suggested as a threat if the waiver is not signed. If an ADH waiver is offered it should be because the county has already determined that an ADH is appropriate and is merely offering the individual the opportunity to opt out of the actual hearing.

If the accused person waives their right to a hearing, disqualify the person. See §14.12.3 (Disqualification for Fraud - Families), §14.12.6 (Disqualification for Fraud - Providers).

People have the right to revoke a signed waiver and to request that an ADH be held. This revocation must be in writing and be received by the county agency prior to the effective date of the proposed disqualification or within 30 days of the date the waiver was signed, whichever is earlier.

If the accused person refuses to sign the waiver, requests to have a hearing, or fails to return the waiver, refer the case for an ADH. Complete the Request for Administrative Disqualification Hearing (DHS-3132), for families, or the Request for Provider
Administrative Disqualification Hearing (DHS-3132A), for providers, whichever is appropriate, and send to:

Minnesota Department of Human Services
Appeals Office
P.O. Box 64941
St. Paul, MN 55164-0941

Upon receipt of the Request for Administrative Disqualification Hearing (DHS-3132), the State Appeals Office will either accept or deny the request. If denied, the county agency will receive a notice indicating the reason for the denial. Denied requests may be resubmitted to the State Appeals Office for reevaluation. ADH requests may be withdrawn any time before the scheduled hearing date with written notice to both the accused person and the State Appeals Office.

If the State Appeals Office accepts a request it will schedule a hearing date and send accused person and county agency a notice of hearing. The notice will include a copy of the summary prepared by the county agency. Federal regulations require the State Appeals Office to give notice of an ADH hearing at least 30 days in advance (unless the accused person waives the hearing), rather than the 5-day notice for a regular fair hearing.

A Human Services Judge may combine a fair hearing and ADH into a single hearing if the factual issues arise out of the same or related circumstances. The accused person must receive 30 days advance notice (unless waived) that the hearings will be combined.

Within 90 days of client notification of an ADH or a combined hearing, the State Appeals Office must conduct the hearing, reach a decision, and notify the accused person and county agency of the decision.

Unlike fair hearings, asking the State Appeals Office to reconsider their decision is not an option. If either party disagrees with the Human Services Judge’s decision, that party may start an appeal in district court. This is a separate legal proceeding that must start within 30 days of the date of the decision.

People found guilty of fraud by an ADH determination are subject to the disqualification procedures in §14.12.6 (Disqualification for Fraud - Providers), §14.12.3 (Disqualification for Fraud - Families).

**ADH INVESTIGATIVE SUBPOENA**

Subpoena authority is available to county agencies to gather information relevant to the
investigation of a potential IPV that will be pursued through the ADH process. Consider using an investigative subpoena when a third party refuses to provide information. Complete the Request for Investigative Subpoena form (DHS 3436) and send to the DHS Appeals and Regulations Division. Include a description of the information being requested and the relevance of the information to establishing the IPV.

These subpoenas are not self-enforcing meaning that a first refusal to obey will not result in a contempt citation. However, these subpoenas are enforceable by appealing to district court for their enforcement by issue of a district court subpoena.

**DISQUALIFICATION CONSENT AGREEMENT**

County attorneys can also use the Disqualification Consent Agreement (DCA) (DHS-3429, for families, or the Child Care Assistance Program (CCAP) Disqualification Consent Agreement (DCA) (DHS-3429A), for providers, whichever is appropriate, as an option for establishing an IPV and allowing an accused person to voluntarily agree to a disqualification and repayment of program benefits. Use of the DCA form is limited to the discretion of and execution by the county attorney’s office. The DCA’s intended use is for those IPV cases that the county attorney chooses to adjudicate without formal charging and prosecution outcomes.

Families who are adversely affected by a county agency decisions can appeal for a review of the matter by the Department of Human Services (DHS) Appeals Office. Providers who are assigned responsibility for an overpayment can appeal for review of the amount and the assignment of the overpayment by the DHS Appeals Office. Most appeals are decided within 90 days of the date of request for a hearing. Follow the appeal process regardless of the possibility of fraud. See the sections below for more information:

FAMILIES

Families may appeal any action by the county agency that adversely affects their child care assistance. Although some issues are not appealable, forward ALL appeal requests to the Department of Human Services (DHS) Appeals Office. The Appeals Office will decide if an issue is appealable and convene a hearing.

Commonly appealed actions include:

- Denial of child care assistance application or provider.
- Suspension, reduction, or termination of child care assistance.
- Denial of a good cause exemption.
- The county agency not acting on an application within the timeliness standards in §3.6 (Accepting and Processing Applications).
- The basis for an overpayment, calculated amount of an overpayment, and the level of recoupment. See §14.9.6 (Recoupment - Families).

PROVIDERS

Child care providers who are charged with an overpayment, may appeal the amount and the assignment of the overpayment to the DHS Appeals Office. Providers who disagree with any other action taken, may appeal those actions to the district court.

FAMILIES AND PROVIDERS

The Appeals Office may deny or dismiss an appeal request if:

- The appellant withdraws the appeal request.
- The appeal request is not received within the timeliness standard outlined in §15.9 (Appeal Requests).
- The family, provider, or representative fails to appear for a hearing and cannot show good cause for doing so.
- DHS has no jurisdiction to hear the appeal.

FAMILY

When an action affects families’ benefits, provide them with written information on:

- The right to an informal conference with the county to attempt to resolve the dispute.
- The right to appeal to the county agency or directly to the Department of Human Services (DHS) Appeals Office for a fair hearing.
- How to file an appeal.

Also provide this information at the time of application.

People also receive information from the Appeals Office regarding:

- The right to represent themselves at the hearing or to have another person represent them.
- The right to examine documents and records in the case file. Do not release information classified as confidential.
- The right to question or rebut any testimony or evidence given at the hearing.
- The right to submit evidence at the hearing to establish facts and circumstances in the case.

PROVIDER

A child care provider who has been assigned with an overpayment has:

- The right to an informal conference with the county to attempt to resolve the overpayment dispute.

AND

- The right to a fair hearing to challenge the amount and the assignment of the overpayment.
JOINT HEARINGS

When a provider requests a fair hearing, the family in whose case the overpayment was created must be made a party to the fair hearing. All other issues raised by the family must be resolved in the same proceeding. When a family requests a fair hearing and claims that the county should have assigned responsibility for an overpayment to a provider, the provider must be made a party to the fair hearing. The Human Services judge assigned to a fair hearing may join a family or a provider as a party to the fair hearing whenever joining of that party is necessary to fully and fairly resolve overpayment issues raised in the appeal.

LEGAL AUTHORITY:
- Minnesota Statutes 119B.16
- Minnesota Statutes 256.045
- Minnesota Rules 3400.0230
People must request an appeal in writing and must state what county agency action they are appealing. The request for an appeal must be signed by:

- The applicant.
  OR
- The participant.
  OR
- The provider (for provider appeal request).
  OR
- A representative.

People may use the Appeal to State Agency form (DHS-0033) or may send a letter indicating disagreement with the county agency's decision.

People must request the appeal hearing no more than:

- 30 days after getting a written notice of the proposed action.
  OR
- 90 days after getting the notice of proposed action, if they can show good cause for not making a request within the 30-day time limit.

People can send the appeal request to their county agency or directly to the State Appeals Office at:

Minnesota Department of Human Services  
PO Box 64941  
St. Paul, MN 55164-0941.

Refer all appeal requests to the State Appeals Office. Do this regardless of when you receive the request, and regardless of the appellant’s reason for making a late appeal request. The Appeals Office will convene a hearing and decide the issue of timeliness or good cause at that time. Also see §15.15 (Continuation of Benefits).

LEGAL AUTHORITY:

- Minnesota Statutes 119B.16
- Minnesota Statutes 256.045
- Minnesota Rules 3400.0230
Send the written request for an appeal, using Appeal to State Agency (DHS-0033), to the appeals office within 5 working days of receiving the appeal request.

Send the appeal summary, using State Agency Appeals Summary (DHS-0035), to the appellant and the appeals office at least 3 working days before the date of the hearing.

Before the hearing, offer the appellant an agency conference to resolve the appealed issue informally. The conference must include a supervisor or the agency director. If the conference resolves the issue, ask the appellant to sign a written request to withdraw the appeal. Do not delay sending the appeal request to the Appeals Office pending an informal conference.

To allow for proper notification, the Appeals Office normally holds hearings at least 5 days after it receives the appeal notice. Hearings can be held sooner if the appellant and Human Services judge consent. The Human Services judge may conduct a hearing face to face, or by telephone if the appellant agrees. County agencies must have equipment necessary to conduct telephone hearings (such as a telephone speaker attachment).

Summarize the issues (including timeliness) and county actions leading to the appeal on the State Agency Appeal Summary form (DHS-0035). Provide copies to the appellant and to the Human Services judge. The appellant may give additional evidence at the hearing. Evidence given at the hearing is the basis for the Human Services judge's recommendation and is the Department of Human Services (DHS) designee's decision.

The Human Services judge recommends an order to the DHS designee, who then issues an order affirming, reversing, or modifying the action of the county agency. If the DHS designee disagrees with the Human Services judge's recommendation, each party has 10 days to present additional written arguments. The DHS designee then issues a decision.

The appellant or the county agency may ask the DHS designee to reconsider within 30 days after the date the DHS designee issues the order. A request to reconsider should state the reason(s) the dissatisfied party believes the original order is incorrect. The DHS designee may reconsider an order upon request of either party or on the DHS designee's own motion, and will then issue an amended order or an order affirming the original order. The original order takes effect even if there is a request to reconsider.

The appellant or the county agency may also appeal to district court within 30 days after the date the DHS designee issues, amends, or affirms an order. Either party may also appeal to district court to enforce an appeal decision.

In some cases participants may continue to receive benefits at the same level during the appeal process. Notify them that benefits paid pending an appeal will be an overpayment if they lose their appeal.

If the participant requests an appeal before the effective date of the adverse action or within 10 days after the date of mailing the notice of adverse action, whichever is later, the participant may continue to receive benefits at the same level.

If a notice period ends on a weekend or holiday, consider an appeal the participant makes on the next working day to be timely.

If a change not related to the issue under appeal occurs while benefits are continuing, notify the participant of any adverse action. Take the action unless it is also appealed.

Continue benefits until the Department of Human Services (DHS) issues a hearing decision, or another change occurs which requires an adjustment, whichever occurs first.

EFFECT OF APPEAL DECISION

When a client wins an appeal, calculate and issue any corrective payments.

When a client who continues to receive benefits during the appeal process loses an appeal, stop or change benefits at the next issuance date. The county must send a notice of termination or reduction in benefits effective immediately to the family and the child care provider.

If the appeal decision finds the client to be ineligible, calculate the amount the client must repay for all months the client continued to receive benefits. See §14.3 (Responsibility for Overpayment).

LEGAL AUTHORITY:
Minnesota Statutes 119B
Minnesota Rules 3400
An MFIP/DWP client is eligible for CCAP if the client meets all CCAP eligibility requirements. If a client meets CCAP eligibility requirements and has an Employment Plan (EP), the amount of CCAP authorized must be based on the parents’ schedule of participation in the activities identified in the EP, the child’s school schedule, the provider’s availability, and any other factors that would affect the amount of care that the child needs. The amount of child care authorized should reflect the child care needs of the family and minimize the out-of-pocket child care costs to the family.

CCAP workers and Employment Services (ES) workers have different policies and procedures that they must follow in their work with clients. CCAP and ES workers can work together in ways that support clients. By communicating effectively and understanding CCAP and ES program policies and procedures, CCAP and ES workers can support the family’s ability to access the best child care for their family by:

- Preventing initial delays in child care authorizations;
  AND
- Preventing gaps in child care authorizations or services;
  AND
- Authorizing the most care possible to provide parents with the most options;
  AND
- Clustering EP activities to create blocks of time that fit with child care provider schedules and practices.

CCAP/ES POLICY AND PROCEDURE CLARIFICATIONS

If a MFIP/DWP client has an EP, the client is considered to be participating in the activities identified in the EP until the ES worker ends or changes the EP.

- All signed EPs are considered to be “approved.”
- The ES worker does not need to indicate a date that the EP or the EP activities will end if the ES worker believes that the family will continue to participate in ES activities.
- The review dates listed on an EP should not be interpreted as “end dates.”
- The ES worker regularly determines if the client is participating in the activities in the EP. They take appropriate action when and if changes occur or an EP ends. Until an EP has ended or is revised, the existing EP should be considered valid and in effect. CCAP should not automatically end when the EP review date has
passed and a new EP has not been completed. Ideally the ES worker discovers or is notified about changes in compliance with the EP within 10 days of the change.

- WorkForce One (WF1) assigns a "Plan Start Date" on the front page of the EP and does not allow that date to be adjusted. Individual activities within the plan can have earlier dates than the "Plan Start Date". Child care assistance can be authorized and paid back to the earlier individual activity dates as long as the family was MFIP eligible and meets all other CCAP eligibility requirements.

The ES worker determines if the client is participating in the activities in the EP and takes appropriate action as necessary. It is the responsibility of the ES worker to monitor the client’s activities on an ongoing basis, to adjust the EP as needed, and to determine if a client is out of compliance with his/her EP.

- The ES worker develops the EP with the client. The ES worker sends the CCAP worker the information required for the CCAP worker to authorize child care for the family. The ES worker can use the DWP/MFIP Status Update Form (DHS-3165) or a county-created form to transmit the information to the CCAP worker. It is not required that the ES worker send the CCAP worker the EP.

- The CCAP worker can use the DWP/MFIP Status Update Form (DHS-3165) or the county-created form as the verification of the client’s ES activities. The CCAP worker does not need to require additional activity verifications.

- When changes are made to the EP that affect the hours of the activities or the types of activities, an update should be sent to the CCAP worker. If the changes to the EP result in a reduction in the CCAP authorization, the CCAP worker will send a 15 day notice of adverse action to the family and to the child care provider. The ES and CCAP worker should try to ensure that the childcare authorization continues without interruption in these situations.

- When a participant is out of compliance with their EP and the noncompliance results in a sanction, the ES worker should consider whether the participant is working towards curing the sanction.
  - If the participant IS working towards curing the sanction, CCAP should remain in place. During the Notice of Intent to Sanction phase, child care should not be cancelled, assume child care is needed to prevent the sanction.
- If the participant IS NOT working towards curing the sanction, send a transmittal to CCAP staff to end CCAP for that participant. The CCAP worker will send a 15-day closing notice to the participant and the child care provider and close the CCAP case.

EMPLOYMENT PLANS (EP) AND CCAP OVERPAYMENTS

At the time an EP changes, ends, or the client is sanctioned, the ES worker should contact the CCAP worker to inform the CCAP worker of the EP changes. If the ES worker informs the CCAP worker of the change timely, there is no overpayment to the client. If the ES worker does not notify the CCAP worker timely there could be a possible overpayment to the client (agency error). CCAP policy requires that the change be reported within 10 days. Additionally, there may be a CCAP overpayment if a client does not timely report changes in income, family composition, cooperation with child support, or any other factors that affect the client’s CCAP eligibility.

An ES worker may determine that a client has not been in compliance for a prior period of time with some or all of the activities identified in the EP. Just as there is no MFIP overpayment or retroactive adverse action for a client’s non-compliance with the activities in his or her EP, there should not be a CCAP overpayment due to lack of or reduced participation in the EP activities, except in cases of fraud.

It is important that ES workers and CCAP workers communicate efficiently and effectively to allow for a timely initial CCAP authorization and to prevent unnecessary breaks in the CCAP authorization so the family can participate in their activities and maintain a consistent relationship with the child care provider and so overpayments are minimized.

The county should develop a process to support communication between the ES worker and the CCAP worker that allows for timely transmission of the information necessary for the CCAP worker to authorize child care assistance. The CCAP worker should not need to re-verify activity information that is held and monitored by the ES worker. The ES worker and CCAP worker can communicate through a variety of methods (including, but not limited to fax and email) to update EP information.

The county should implement safeguards to ensure that the appropriate amount of care is being provided to CCAP clients. Safeguards might include EP/CCAP audits.

The Child Care Assistance Program (CCAP) is composed of local and state agencies working together to build a child care system that assists families so that child care is affordable, available and of high quality. Below is a list of these agencies and links to federal statutes and state statutes and rules, and links to reports on CCAP waiting list and family profile.

LOCAL AGENCIES:

CHILD CARE ASSISTANCE STAFF – The individuals responsible for administering all, or a portion of, the Child Care Assistance Program. Various titles include Child Care Worker, Case Aide, Financial Worker, Jobs/Employment Services Counselor, Social Worker, and many others.

FINANCIAL WORKERS – The individuals responsible for the administration of the various financial assistance programs, such as MFIP, Food Support Program, Medical Assistance, etc.

CHILD SUPPORT OFFICERS – Those persons responsible for assisting families in establishing paternity, child support orders, and child support collections. All families utilizing the Child Care Assistance Programs must cooperate with Child Support Enforcement.

EMPLOYMENT SERVICE (ES) PROVIDERS – The function of ES providers is to assist MFIP participants to attain and retain employment. Child Care Staff will be working closely with Employment Service Providers to support families and assure that correct services are being utilized.

CHILD CARE RESOURCE AND REFERRAL AGENCIES (CCR&R) – Organizations available to assist participants in the process of choosing a child care provider, provide training to providers, and distribute grant monies to providers. Child Care Staff will often refer families to these organizations for help finding child care providers and to receive information on looking for a provider. There are 19 CCR&R programs located in 6 service districts throughout the State of Minnesota.

CHILD CARE LICENSING STAFF – Staff within the county who are responsible for licensing family child care homes. These individuals can assist the Child Care Assistance Staff in determining if a provider is licensed.

ACCOUNTING STAFF/SUPPORT STAFF – Those persons responsible for processing the claim forms and issuing checks, and other supportive services.
STATE AGENCIES:

THE DEPARTMENT OF HUMAN SERVICES (DHS)
Supervises the administration of the Child Care Assistance Programs, the Child Care Resource and Referral Agencies, Financial Assistance, Child Support, and Child Care Licensing.

DHS AND THE DEPARTMENT OF EMPLOYMENT AND ECONOMIC SECURITY (DEED)
Jointly supervises Employment Services.

| Care for Sick Children | Option | Payment for child care services provided for children who, as a result of illness, are unable to attend the family’s regular provider and in addition to making payments to the regular child care provider, the county makes payments to a second provider who is caring for the sick child. | 1. County must survey all providers who care for sick children.  
2. Rates must be comparable to like care arrangements in the county.  
3. Option must be identified in the County’s Child Care Fund Plan.  
4. Total care authorized may not exceed 120 hours every 2 weeks. |
| Parental Medical Leave | Required | Payment for child care when parent is on medical leave from employment or training. | 1. The parent is incapable of providing child care during the medical leave.  
2. Documentation by a physician or licensed psychologist of the necessity of the medical leave and the inability to provide child care.  
3. The parent is expected to return to employment or an approved education or training program within 90 days.  
4. The amount of child care cannot exceed the equivalent of 1 month of full-time care. |
| Child Absences | Required | Payment for child care when a child is absent from care. | 1. Must be required by child’s regular provider for all parents.  
2. County must pay that provider for child absent days according to the statewide absent day policy. See §9.39 (Care During Child Absences). |
| Registration Fees | Required | Provider charges a fee to enroll children in program and fee is not included in the regular provider rate. | 1. Limit of 2 registrations per child in a 12 month period.  
2. Can pay up to the limit set in the rates bulletin.  
3. Registration fees cannot be paid for legal non-licensed providers.  
4. Must be required for ALL children. |
| Activity Fees (Field trips, etc.) | Required | An additional fee charged to a family to cover the cost of activities provided to the children in child care. | 1. The family is responsible for any optional activity fee.  
2. A required fee must be incorporated into the provider’s base rate.  
3. When the combined base rate and the activity exceed the county’s maximum rate for like care arrangements, the family is responsible for the amount over the county’s maximum rate. |
| Support of Employment | Required | Child care for non-working hours. | All conditions must be met:  
1. Combinations of care during employment and in support of employment cannot exceed the amount that would normally be granted for child care during employment;  
2. Family meets eligibility requirements and is participating in authorized employment activities; and  
3. The employee cannot reasonable modify his/her non-work schedule to provide child care. |

This is a question and answer appendix that deals with Transitional Year (TY) eligibility if an MFIP case with CCAP is closed and the family does not apply for Transitional Year (TY) child care until several months following MFIP closure. Generally, a TY participant has met the 47% State Median Income (SMI) eligibility criteria in the 1st program of participation (MFIP). The following are 2 scenarios:

1. MFIP closes 3/1 and family is eligible for continued child care assistance but has no child care needs at this time. MFIP child care is closed. Family applies for TY in July because they now have child care needs. All other eligibility factors remain the same – same employment, income, family size.

Does the family need to meet the 47% SMI entry requirement when they apply in July?

**Answer:**
No. At the time of MFIP closing this family was eligible but had no child care needs. This may have been a family with school age children and there were no child care needs until summer. The TY case could have remained open with suspended status. If the county child care worker closed the child care case rather than suspend it, the TY case should be opened and the family is not required to meet the 47% SMI. Although there actually were interrupted services, the family continued to be eligible and has met the 47% SMI entry requirement in the first program of service (MFIP).

2. MFIP participant is a student on 3/1 when MFIP closes and is not TY eligible. County has Basic Sliding Fee (BSF) waiting list. In July participant applies for TY because she is employed.

Does family need to meet the 47% SMI entry requirement when they apply in July?

**Answer:**
Yes. Because Transition Year may only be used to support employment and job search related expenses, this participant is not eligible for continued assistance through TY and could not be added to BSF because the county has a waiting list. The applicant would need to meet 47% SMI eligibility criteria when applying for TY in July because of interrupted services when he/she was not eligible.

Head Start & Child Care Assistance Payments – 12/12/08

Purpose: Explain how to apply Child Care Assistance Program payment policies to children eligible for CCAP who also attend Head Start during hours when the family is in an approved CCAP activity.

CCAP Financial Principles apply to Head Start services as follows:

A. When Head Start pays for the costs associated with requirements to meet Head Start Performance Standards within a program that offers integrated full day services, the maximum CCAP payment is made based on the hours the child meets CCAP eligibility requirements. Rates reimbursed by CCAP cannot exceed those charged to private pay families or the CCAP maximum, whichever is less.

B. When Head Start pays for a specific number of hours (whether integrated as part of a full day program or not), for a specific child, and the time the child attends Head Start coincides with time the child is eligible for CCAP, the Head Start-paid hours are deducted from hours that could be paid by CCAP.

C. When CCAP pays for time outside of Head Start services, the CCAP blocks of time payment practices apply to the amount of child care provided as follows:
**Service model** | **Description** | **Head Start $ are used for:** | **Child Care Assistance Program will pay:**
---|---|---|---
A. | • Child attends a Head Start program where child care services are integrated with Head start to provide full day services.  
   OR  
   • Child attends a child care program in a licensed home/center that has a partnership agreement with a Head Start grantee to serve eligible HS full day | Services or quality enhancements requires for full day, integrated program to meet Head Start Performance standards. | Amount of child care the family and child are eligible for under CCAP policies.
B. | • Child attends Head Start in a location other than the child care program.  
   OR  
   • Child attends a licensed child care Head Start partnership where HS reimburses provider for a set number of hours of services per day. | Services to a child provided at the Head Start location | Amount of child care the family and child are eligible for under CCAP policies, less the Head Start attendance hours.

- More than 5 hours per day = CCAP payment will be made not to exceed the county daily maximum
- More than 35 hours of care per week = CCAP payment will be made not to exceed the county weekly maximum
Service Model A – HEAD START DOLLARS PAY FOR COSTS RELATED TO ENHANCED SERVICES

**Example 1** – Child attends a full day year round licensed child care center program operated by a Head Start grantee. Head Start Performance Standards are met in full day classrooms.

*CCAP payment=$180.00 per week (within the county maximum, including the accreditation/credential rate differential) based on weekly block of time of more than 35 hours authorized for a preschool age child.

**Example 2** – Child attends a licensed child care center that operates a full day, year round program that integrates Head Start standards into the classrooms.

</table>
*CCAP payment = county maximum hourly rate of $5.00 per hour applies; daily or weekly block of time payment policy does not apply. Hourly payments may be made up to the daily and weekly maximum CCAP payment caps.

Example 3 – Child attends a licensed family child care provider (With a Child Development Associate credential/CDA) who operates a full day, year round program that meets Head Start Standards. The provider has an agreement with a local Head Start grantee to be compensated for provision of services to Head Start eligible children.

Service Model B – HEAD START DOLLARS PAY FOR A SET NUMBER OF HEAD START HOURS

Example 1 - Child’s potential eligibility for CCAP authorization is based on parent’s eligibility of 10 hours per day, 5 days per week. Child attends two separate programs during these hours: a family child care provider and a Head Start program.

Example 2 – Child’s potential eligibility for CCAP authorization is based on parent’s eligibility of 7 hours per day X 5 days per week. Child attends two separate programs during these hours: a family child care provider and a Head Start program.
