Two new fields on MAPCY Setup tab

- Both fields are required fields and must be completed before you can proceed to the Document tab.
- Depending upon the selections in these two fields, additional questions may or may not display and are required for agency approval
- Error messages will be displayed if the user tries to pick up wrong selections.

2/18/2015

Setup tab field: Purpose

- By selecting the Purpose on the assessment set-up screen, an assessor can enter MAPCY without placement entered

Setup tab field: Placement data

- Yes: Select the child's placement in the Placement Information section of the setup tab
- No: Enter the Caregiver Address, and names of caregiver 1 and Caregiver2

Questions Removed from the Setup tab

- Two questions have been removed from the bottom of the MAPCY Setup tab:
 - From ALL MAPCYs
 - "If MAPCY is for Adoption Assistance, what is the most recent supplemental level?" and
 - "If MAPCY is for Relative Custody Assistance, what is the most recent supplemental level?"
 - For the Youth and EFC-SIL
 - "Is youth placed with their child?" has also been removed

MAPCY General Report

- A new General report has been developed “Assessment Due- MAPCY or DOC”
- The report lists children and youth in currently open Northstar Care or Legacy placement settings where the MAPCY or DOC next due date is anytime on or before the date selected by the user.

2/18/2015

Assessments Due – MAPCY or DOC

- Tools> General Reports> Placement> Assessments Due – MAPCY or DOC

Emergency Rate Update 15.1

- 15.1 MAPCY functioning for the initial 30 days of placement has been changed.
 - User alerts have been updated to include warnings when the effective date may be changed by the SSIS.

2/18/2015

Emergency Rate Update

- If the MAPCY rating is Level D or higher:
 - SSIS sets the effective date of the MAPCY back to the beginning of the placement.
 - note that this does not change from the way SSIS works now
- If the MAPCY rating is Level B or C, then:
 - If the MAPCY approval date is before the 31st day
 - SSIS sets the effective date of the MAPCY to the date the MAPCY was approved.
 - If the MAPCY approval date is on or after the 31st day, SSIS sets the effective date of the MAPCY to the 31st day of the continuous placement.
