Updated EAA exception request form now available

DHS created a new online portal for lead agencies to securely submit Environmental Accessibility Adaptation (EAA) exception requests for the four disability waivers:

- Brain Injury (BI)
- Community Access for Disability Inclusion (CADI)
- Community Alternative Care (CAC)
- Developmental Disabilities (DD).

The updated version

Beginning today, lead agencies must submit new requests using the [Exception Request for EAA Adaptations that Exceed \\$40,000 \(CAC, CADI, BI and DD Waivers\) form, DHS-5504B](#). This change eliminates the need to use secure fax for this process.
