| Legal authority | CMS-approved state plan amendment – 2017 (PDF) , CMS-approved state amendment – 2018 update (PDF) , CMS-approved state plan amendment – 20 update (PDF) , Minn. Stat. §256B.0949 | |
| Provider types | <p>There are five EIDBI provider types:</p> <ul style="list-style-type: none"> • Comprehensive multi-disciplinary evaluation (CMDE) provider. • Qualified supervising professional (QSP). • Level I provider. • Level II provider. • Level III provider. <p>Each provider type has different qualifications, roles and responsibilities during EIDBI service delivery. For more information, refer to the provider-specific pages.</p> <p>MHCP enrollment Every individual provider must enroll with Minnesota Health Care Programs (MHCP) to deliver EIDBI services. Provider agencies are responsible to ensure:</p> <ul style="list-style-type: none"> • Background studies are completed, and EIDBI providers are supervised until DHS issues a notice that clears the provider to provide direct contact services without supervision (per Minn. Stat. §245C.13, subd. 2). • Enrollment records are accurate, updated and maintained, as needed. • Required trainings are completed and documented for all providers. For complete training requirements, refer to EIDBI – Individual provider trainings. <p>QSP and CMDE providers are responsible to ensure their provider affiliation is accurate. For enrollment information, refer to MHCP Provider Manual – EIDBI provider enrollment.</p> <p>Clinical supervision EIDBI treatment services must be delivered under the clinical supervision of a QSP.</p> <p>Note: CMDE providers are licensed providers and do not need to be employed by an EIDBI agency or supervised by a QSP. QSPs and level I providers with advanced certification must ensure integrity and fidelity of the services provided. They also must ensure compliance and performance standards of all supervisees to ensure services are delivered consistently with the standards of the approved modality. For more information, refer to EIDBI – Clinical supervision.</p> | |
| Access to EIDBI providers | <p>Use the pathway to EIDBI services for families tool to find an EIDBI provider or make a referral to EIDBI services.</p> <p>Fee-for-service (FFS) If a person is enrolled in FFS, they can receive EIDBI services from any MHCP-enrolled EIDBI provider.</p> <p>Managed care organizations (MCOs) Not all EIDBI providers are available through all MCOs. Before a person enrolled in an MCO receives EIDBI services, including a CMDE, the family should confirm the provider is in network. Call the health plan customer service number on the back of the person’s health plan ID card</p> | |

| | <p>or on DHS – Health plan member services, or use the provider directory their health plan mailed to them.</p> |
| Provider shortage | <p>Across Minnesota and the nation, communities are experiencing a shortage of qualified health care providers. The provider shortage particularly affects rural areas. There is currently a shortage of EIDBI providers, which might delay or prevent people’s ability to access and receive EIDBI services.</p> <p>To learn about what Minnesota is doing to build provider capacity, refer to DHS – Building EIDBI provider capacity.</p> |
| Service authorization and billing | <p>For authorization and billing information, including provider and service limits, refer to:</p> <ul style="list-style-type: none"> • EIDBI billing grid (PDF). • MHCP Provider Manual – EIDBI billing. • MHCP Provider Manual – EIDBI service authorization. • MN–ITS User Manual Guide – EIDBI claims. |
