ORDER TO PAY A FINE FOR BACKGROUND STUDY VIOLATION

Dear Chad Dunkley:

The Department of Human Services (DHS) is ordering you to pay a fine of \$800 for four out of five background study violations that occurred at New Horizon Academy, located at 16750 91st Avenue North, Osseo, Minnesota. Details of our findings are provided below. Our next steps and your options are also detailed.

Reason for the Fine

DHS is issuing this fine order based on your failure to comply with the following background study requirement:

Background Study Violation Determined on November 20, 2024:

1. While preparing for a licensing review, a DHS licensor determined you failed to repeat a background study for three child care program staff within five years of the staff person's most recent study.

SP1 began working in a position allowing direct contact services to persons served by the program on April 19, 2019. You initiated a background study request for SP1 on April 19, 2019. SP1's background expired on May 7, 2024. However, you did not initiate a new background study request for SP1 until May 24, 2024. SP1 worked at the program without a background study from May 7, 2024, until May 24, 2024.

Because you self-corrected the background study violation involving SP1 before the Commissioner discovered the violation, the license holder is not being fined for the background study violation involving SP1.

SP2 began working in a position allowing direct contact services to persons served by the program on August 8, 2019. You initiated an enhanced background study request for SP2 on August 5, 2019. SP2's background expired on August 11, 2024. However, you did not initiate a new background study request

for SP2 until September 16, 2024. SP2 worked at the program without a background study from August 11, 2024, to September 16, 2024.

SP3 began working in a position allowing direct contact services to persons served by the program on September 12, 2019. You initiated an enhanced background study request for SP3 on September 5, 2019. SP3's background expired on September 11, 2024. However, you did not initiate a new background study request for SP3 until September 17, 2024. SP3 worked at the program without a background study from September 11, 2024, to September 17, 2024.

Although you corrected the background study violations involving SP2 and SP3 by submitting the background study before a DHS licensor became aware of the violations, at least 365 days had not passed since you previously self-corrected the background study for SP1 so DHS is issuing a fine for SP2 and SP3.

2. While preparing for a licensing review, a DHS licensor determined that two staff person provided direct contact services to persons served by the program prior to receiving a notice from DHS.

SP4 began working in a position allowing direct contact services to persons served by the program on May 22, 2024. You initiated a background study request for SP4 May 20, 2024. It was determined through a review of documentation that SP4 had direct contact with children prior to receiving a notice from DHS on May 30, 2024.

SP5 began working in a position allowing direct contact services to persons served by the program on May 23, 2024. You initiated a background study request for SP5 May 20, 2024. It was determined through a review of documentation that SP5 had direct contact with children prior to receiving a notice from DHS on May 27, 2024.

Statute Violated: Minnesota Statutes, section 245C.04, subdivision 1, paragraph (b); and section 245C.07, subdivision 1, paragraph (a); section 245C.05, subdivision 2; and section 245C.13, subdivision 2..

Fine: \$800 (five background study violations – four fineable at \$200 per violation)

Corrective Action Required: Correct immediately and submit your response through the Provider Hub within 30 days from the date of this letter detailing how compliance has been achieved. You must maintain compliance going forward.

Billing and Payment of the Fine
