

Important Information about Your Health Care Coverage During the COVID-19 Emergency

We are helping you keep Medical Assistance (MA), Medical Assistance for Employed Persons with Disabilities (MA-EPD) or Medicare Savings Program (MSP) coverage during the COVID-19 emergency. We are doing this by not acting on certain changes that would cause you to lose coverage.

After the emergency ends, we will send a new notice telling you what to do to keep your coverage. We will also send a notice if your health care coverage changes or ends.

Renewals

We are not mailing renewal forms during the COVID-19 emergency. You will not get a renewal form and you do not have to complete a renewal at this time.

Reporting Changes

You must continue to report changes within 10 days. Report all changes, including changes with:

- Where you live
- Who lives with you
- Income
- Assets
- Starting or stopping other health insurance including Medicare
- Access to insurance through a job
- Whether you are pregnant or have a new baby
- Incarceration status
- Citizenship or immigration status

Tell your worker if you no longer want coverage so we can close your coverage.

Premiums for MA-EPD Enrollees

If you are required to pay a premium for MA-EPD, we will continue to send you monthly premium bills during the COVID-19 emergency. Keep paying your monthly MA-EPD premiums. Tell your worker if you no longer want MA-EPD coverage so we can close your coverage and stop your premium billing.

Tell your worker if you have a decrease in your income so your premium can be recalculated to a lower amount. You may be eligible for a good cause premium waiver if you are unable to pay your premium. Call your worker or the Disability Hub MN™ at 866-333-2466 if you need help applying for good cause.
