CORRECTION ORDER

Dear Abdifatah Abdullahi:

On February 28, 2025, a licensing review of Care Health Services located at 2301 Woodbridge Street, Roseville, Minnesota, was conducted to determine compliance with state and federal laws and rules governing the provision of home and community-based services to persons with disabilities and age 65 and older under Minnesota Statutes, Chapter 245D. As a result of this licensing review a Correction Order is being issued.

A. Reason for Correction Order

Pursuant to Minnesota Statutes, section 245A.06, if the Commissioner of the Department of Human Services (DHS) finds that the license holder has failed to comply with an applicable law or rule and this failure does not imminently endanger the health, safety, or rights of the persons served by the program, the Commissioner may issue a Correction Order to the license holder.

The following violation(s) of state or federal laws and rules were determined as a result of the licensing review. Corrective action for each violation is required by Minnesota Statutes, section 245A.06 and is hereby ordered by the Commissioner of Human Services.

1. Citation: Minnesota Statutes, section 245A.65, subdivision 1, paragraphs (a) and (b).

Violation: The license holder failed to establish policies and procedures related to suspected or alleged maltreatment as required.

The license holder failed to identify:

- a secondary person or position to whom internal reports would be made;
- a secondary person or position responsible for forwarding internal reports to the common entry point as defined in section 626.5572, subdivision 5; and
- a secondary person or position that will ensure that, when required, internal reviews are completed.

Corrective Action Ordered: Within 30 days of receiving this order, you must update your policies and procedures related to suspected or alleged maltreatment to include the persons or positions detailed above. On an ongoing basis, you must maintain compliance as required in this subdivision.

2. Citation: Minnesota Rule 9544.0030, subpart 1.

Violation: For one of one person whose record was reviewed (P1), the license holder did not evaluate positive support strategies as required.

The license holder failed to evaluate the identified positive support strategies with P1 at least every six months to determine whether changes needed to be made to the positive support strategies used.

Corrective Action Ordered: Within 30 days of receiving this order, you must:

- evaluate P1's positive support strategies with P1;
- determine if changes are needed; and
- make changes based on the results of the evaluation.

On an ongoing basis, you must maintain compliance as required in this subpart.

If you fail to correct the violations specified in the Correction Order within the prescribed time lines the Commissioner may issue an Order of Conditional License or may impose a fine and order other licensing sanctions pursuant to Minnesota Statutes, sections 245A.06 and 245A.07.

B. Right to Request Reconsideration

If you believe any of the citations are in error, you have the right to request that the Commissioner of Human Services reconsider the parts of the Correction Order that you believe to be in error. The request for reconsideration must be in writing and received by the Commissioner within 20 calendar days after receipt of this report. Your request for reconsideration must be sent to:
