

MHCP Provider Manual

Latest Manual Revisions

Revised: March 13, 2025

Updates cited below do not include minor grammatical or formatting changes that otherwise do not have bearing on the meaning of the policy contained herein. Refer to [Provider Updates](#) that may contain additional MHCP coverage policies or billing procedures. MHCP incorporates information from these updates into the [Provider Manual](#) on an ongoing basis. Sign up to get [email notices](#) of section changes.

March 13, 2025

Enroll with MHCP

- [Early Intensive Developmental and Behavioral Intervention \(EIDBI\) Provider Enrollment Criteria and Forms](#) – We added information about licensed behavior analysts (LBA) enrolling as qualified supervising professionals (QSP).

Reproductive Health/OB-GYN

- [Abortion Services](#) – Under **Billing**, [Abortion-Related Services](#), we updated the requirements for when the Medical Necessity Statement (DHS-2327) needs to be submitted with the claim. We also removed information about Healthcare Common Procedure Coding System codes S0190 and S0191 and billing for the treatment of incomplete legally induced abortions for clarity.

March 12, 2025

Equipment and Supplies

- [Standers](#) – In the [Authorization Request](#) section, we clarified the trial period for standers is a minimum of three days.

March 10, 2025

Billing Policy

- [Payment Methodology - Non-Hospital](#)
 - Under **Rate Variations and Legislative Changes**, [Legislative Changes Related to Rates](#), we added new legislation changes about payment rates for behavioral health services included in the MHCP Fee-for-Service Outpatient Services Rate Study.
 - Under [Mental Health Services](#), we updated information to reflect new legislation changes about mental health services reimbursed under the resource-based relative value scale (RBRVS).
 - Under [Physician](#), we updated the RBRVS rate.

Equipment and Supplies

- [Mobility Devices](#) – We added information for [mobile arm](#) supports and additions in the **Wheelchair Options and Accessories** section. MHCP now requires authorization and covers these items for positioning support and performing activities of daily living.

March 6, 2025

Equipment and Supplies

- [Equipment and Supplies](#) – Under the **Miscellaneous Products** heading, we added information about [blood pressure monitoring](#) devices.
- [Orthotics and Prosthetics](#)
 - Under **Covered Services**, the [Devices for Bathing and Recreation](#) heading, we added language for reasonable use lifetime for artificial limbs.
 - Under the [Authorization](#) heading, we updated authorization requirements. MHCP covers the member's initial devices for everyday use and bathing without authorization, unless the individual HCPCS requires authorization, or the member already has multiple devices. Recreational devices and new subsequent devices for any purpose do require authorization.

Mental Health Services

- [Children's Intensive Behavioral Health Services \(CIBHS\)](#)
 - We removed level of care 4 language from multiple sections to address statute changes that removed the requirement to use the CASII/ECSII for assessment tools.
 - Under the [Provider Responsibilities](#) heading, we clarified best practices for family involvement in services and updated the medical necessity language to more closely align with statute and clarify requirements.
 - Under the [CIBHS Certification Process](#) heading, we added a link to the certification process.
 - Under the [Covered Services](#) heading, we removed Trauma Focused Cognitive Behavioral Therapy and Trauma Informed Child Parent Psychotherapy training requirements for clinical trainees.
- [Youth Assertive Community Treatment \(Youth ACT\)/Intensive Rehabilitative Mental Health Services \(IRMHS\)](#)
 - Under the [Eligible Providers](#) heading, we removed the memorandum of understanding with counties requirement because it is no longer required. We also updated licensed alcohol and drug counselor with co-occurring disorder specialist to align with legislative changes. Also updated substance use and co-occurring specialist language throughout document.
 - We added a new [Certification and Contract Process](#) section to align with statute. The section includes a link to the contracting and certification process.
 - We updated level of care and functional assessment language throughout document to align with statute.
 - Under the [Authorization](#) heading, we updated the authorization unit requirements. We changed units from 75 to 156 to align with current process standards.

March 4, 2025

Equipment and Supplies
