ORDER LIFTING INDEFINITE SUSPENSION

Dear Ms. Marks:

In an order dated July 11, 2017, the Commissioner of the Department of Children Youth and Families indefinitely suspended your license to provide family child care due to a determination that the health, safety, and rights of children in your care were in imminent risk of harm.

Based upon information received, the **Department of Children Youth and Families is lifting the previous Order of Indefinite Suspension.** While your license was under investigation, you requested to close your family child care license. Now that the investigation has been complete with no findings, your family child care license will be closed.

If you have any questions regarding this matter, you may contact Beth Donahue, Supervisor at (651) 431-6565.

Sincerely,

Alexandra Keys, Family Child Care Unit Manager
