ORDER OF LICENSE REVOCATION

Dear Anwar Adow:

The Department of Human Services (DHS) is revoking your license to provide home and community-based services at 2719 West Division Street, Suite 111, Saint Cloud, Minnesota. This revocation is based on the disqualification of a controlling individual and the commissioner's evaluation. Details of our findings are provided below. Our next steps and your options are also detailed.

The revocation goes into effect on January 07 at 12:01 AM.

REASON FOR LICENSE REVOCATION

1. Disqualification of a controlling individual

On October 31, 2025, DHS notified you that a controlling individual (C1) had a disqualification and ordered you to immediately remove C1. On October 31, 2025, DHS notified C1 that they had a disqualification and the right to request reconsideration.

C1 did not request reconsideration, so C1's disqualification is final. If you appeal this revocation order, the issue of whether C1 poses a risk of harm to persons served by the program will not be reviewed as a part of the contested case hearing.

Legal Authority: Minnesota Statutes, section 245A.07, subdivision 3(a)(2).

2. Commissioner's evaluation of program

In determining whether a licensing action is warranted, DHS evaluated the facts, conditions, and circumstances concerning your program's operation. This includes consideration of the well-being of persons served by your program, and information about the qualifications of controlling individuals that have ownership and direct the management in your program. DHS has determined that revocation of your license is appropriate based on the violations identified below and the program evaluation.

Your program received its license to provide home and community-based services on March 10, 2018. Since that time, DHS conducted a licensing review, which resulted in the issuance of a Correction Order on February 25, 2020, and cited five violations of licensing rules and statutes that address the adequacy of services to persons served by your program. On October 9, 2025, DHS issued a Temporary Immediate Suspension due to C1 being criminally charged. The criminal complaint alleged that C1 defrauded federally funded healthcare benefits which were administered by DHS, which is an offense that involved fraud or theft against a program administered by a state agency. DHS determined that based on these violations and the disqualification of the program's controlling individual, DHS cannot ensure that public funds received by your program will be obtained in compliance with relevant state and federal statutes and cannot ensure that persons who are the intended beneficiaries of those funds receive the care to which they are entitled. Accordingly, DHS has determined that revocation of your license is warranted.

Legal Authority: Minnesota Statutes, section 245A.04, subdivision 6.

Due to the serious and chronic nature of these violations and the conditions in the program, which impact the health and safety of persons served in your care, your license to provide home and community-based services is revoked.

YOUR RIGHT TO APPEAL

You have the right to appeal the revocation. Your request must be in writing and clearly state that you are requesting a contested case hearing for this matter. Your request must be made before the deadlines provided below. If you do not meet this deadline, you lose your right to an administrative appeal. The timeline to appeal began when you received this order.

If you are mailing your request, it must be sent by certified mail and postmarked within 10 calendar days from when you received this order. Please send it to:

Commissioner, Department of Human Services
Office of Inspector General
Legal Counsel's Office
Attention: Licensing Legal Unit
PO Box 64953
St. Paul, MN 55164-0953

Commissioner, Department of Human Services

St. Paul, MN 55155

Upon DHS' receipt of your timely appeal, your case would be scheduled for a contested case hearing in front of an Administrative Law Judge. Following this hearing, the Commissioner of DHS will issue a final order. If you do not appeal or if the order is affirmed by the Commissioner following a hearing, DHS is prohibited from issuing you and the controlling individuals a license for five years. In addition, any additional licenses held by you or the controlling individuals shall also be revoked.

Legal representation at the contested case hearing

Operating the program pending the outcome of the appeal:

On October 9, 2025, DHS issued an Order of Temporary Immediate Suspension of your home and community-based services license. Because the immediate suspension of your license remains in effect, if you appeal the revocation, you continue to be prohibited from operating pending a final order from the Commissioner of DHS.
