Waiver Provider 101

Target Audience

Providers, waiver managers, supervisors, case managers, lead agencies and other interested stakeholders

This course introduces providers to basic information about Home and Community Based Services (HCBS) and Minnesota Health Care Programs (MHCP). The training targets people who want to provide services through the HCBS waiver and the Alternative Care (AC) program. Get answers to many of your questions and learn where to go for answers! Time estimates for each module are 20-30 minutes.

Participants will:

1. Gather information on the training requirements
2. Recognize and use resources throughout the training
3. Discover how to navigate the MHCP Enrolled Providers web pages
4. Increase knowledge regarding the HCBS waiver and AC program
