

# What is ethical behavior?

## Honesty

- Being truthful.
- Being sincere.
- Not cheating, stealing, or acting deviously.

## Fairness

- Being committed to justice.
- Providing equal treatment.
- Being respectful and aware of diversity.
- Admitting you made a mistake. Not taking advantage of another's mistakes or difficulties.

## Integrity

- Being principled.
- Protecting the client's right to privacy.
- Being honorable.
- Acting on the behalf of the agency.
- Fulfilling commitments.
- Interpreting things clearly.

## Respect for others

- Recognizing human dignity.
- Respecting data privacy.
- Understanding people's right to decide how to live.
- Providing people with the information they need to make an informed decision.

## Accountability

- Accepting responsibility for decisions.
- Accepting consequences of actions.
- Setting a good example.
- Keeping promises.

## Protection of the Public Trust

- Safeguarding the integrity and reputation of the agency.
- Doing things right the first time.
- Taking action to prevent or correct other's inappropriate behavior.
- Not abusing your power.
- Protecting public interests.

What principles does it involve?
