

Webinar Announcement

College of Direct Support

June 11, 2013

9:00am-11:00am

Webinar Description

The College of Direct Support (CDS) is a web-based learning management system where learners can take coursework to improve their skills in caring for people with disabilities.

This training is a live, online GoToMeeting using a computer and phone. Instructions are e-mailed to registered participants. Registration is limited to allow opportunity for instructor / student interaction.

Target Audience

Lead agency staff that use or are interested in using the College of Direct Supports.

Learning Objectives

- Implementation strategies for the College of Direct Support (CDS) roll out
- Best practices when using the CDS
- CDS customization to meet the needs of Minnesota users

Registration Information

Registration deadline: June 7, 2013
