MnCHOICES 2.0 Assessment
User Experience Design
Survey Process
June 18, 2018

Deb Weir | MnCHOICES 2.0 Assessment Project Manager
User Survey Agenda

- Survey Objectives
- Initial survey process
- Survey Schedule
User Survey Objectives

• To get your feedback on sections and technical features planned to be used in the application
• To introduce you to the MnCHOICES 2.0 Assessment application during the survey process
• Participation is voluntary and you can respond to as many or as few as you like
• There will be future user surveys throughout the coming months – watch for communications on the next survey!
• The survey will be sent out after the webinar

• A link will be provided that will take you to the survey questions

• There are four questions about the MnCHOICES 2.0 Assessment SEARCH screen

• There are three text boxes: two with questions and one for any additional comments you may have
• Your comments are valuable and you may provide them as you see fit

• The survey responses will be gathered until end of the day Monday, June 25, 2018

• After the responses have been gathered and reviewed, the results will be shared with the group approximately the week of July 2, 2018
User Survey – Schedule

• Monday, June 18, 2018
  • Webinar
  • Survey distributed

• Tuesday, June 19, 2018 to Monday, June 25, 2018
  • Participants complete and submit surveys
  • Surveys received by project team

• Tuesday, June 26, 2018 to Friday, June 29, 2018
  • Survey responses consolidated by project team
  • Survey responses reviewed and analyzed by the project team

• July 2, 2018 to July 6, 2018
  • Results submitted to application users
  • Date communicated for next survey
• MNIT will communicate at least one week prior to releasing the subsequent surveys

• Participation in each survey is voluntary

• You do not need to participate in the first survey to participate in subsequent surveys

• Screenshots that accompany the survey are wireframes or prototypes, not the actual MnCHOICES 2.0 Assessment application

• We plan to communicate results of surveys to application users

• Likely 1 to 2 surveys will be released per month
