**SUBJECT:** Child Support Enforcement Federal and State Incentives  
Quarter Ending June 30, 2022

### **Child Support Federal Incentives**

The Department of Human Services (DHS) distributes county child support federal incentive payments forty-five days after the end of each quarter. The payments are based on DHS annual estimates. Advance incentive payments are *not* a guaranteed amount. The difference between actual earned incentives and advances are determined at the end of the following federal fiscal year (FFY). The FFY 2020 settlement amount is allocated and reflected in the March, 2022 incentive payment. The source of county federal incentive payment information is located on DHS-County Link, PRISM Resources, Publications, County Performance Analysis Tool (CPAT).

#### **Past 12 Months Payments**

Actual Payment June 2022	\$3,271,121
Actual Payment March 2022	\$2,549,187
Actual Payment December 2021	\$3,000,000
Actual Payment September 2021	\$3,000,000

---

#### **Total Advance Payments**

**\$11,820,308**

### **Child Support State Incentives**

As explained in the memo to counties dated November 14, 2011 as a result of legislative action, the appropriation earmarked for county incentives has been permanently eliminated starting in SFY 2012. Counties will continue to receive state incentives funded with the revenue collected from the 2% cost recovery fee. The methodology for distributing state incentives has also changed from the case-based incentive payments to utilizing the same formula as the federal incentives.

You may contact **Matt Hanson** by phone at **651-431-3728** or email at **Matthew.Hanson@state.mn.us** with general incentive questions.

DHS Financial Operations Division (FOD) has processed these payments for the week of July 16, 2022. Child support incentive invoice field descriptions are provided below.
